

Billionaire CEO Won't Leave

Chapter 191

The president of Panasonic company was rushed in and beaten by others at the meeting for no reason?

Outside the meeting room is the security guard of Panasonic company who came to see Kang Youqin's momentum, but no one dares to move.

The head of the security guard had some eyesight. He saw that Kang Youqin's background was not simple. After watching the excitement at the door of the conference room for a while, he took people away.

The people in the meeting room wanted to stop them, but they heard Su Yihao's murmur and beg for mercy from the people in black, so they did not move.

"Aunt Kang, I'm wrong I know it's wrong! "

"Auntie Kang You forgive Forgive me

"Forgive?" Kang Youqin snorted coldly, "you betrayed Xinyue. Now you dare to talk about forgiveness with me?"

With that, Kang Youqin became more angry and ordered: "fight! Fight me to death

The onlookers understood that this was a farce of family ethics!

It's not the wild flower that Su Yihao cheated on before, but his girlfriend's family background is so big that people can't stir up and hide?

Looking at today's situation, the original girlfriend's family is really powerful

Besides feeling, some careful gossip people also find that Su Yihao is shouting for Aunt Kang, while there is only one big family named Kang in a city.

Is Su Yihao the Kang family?

That he betrays, unexpectedly is the Kang family's young lady?

That's a lot of guts.

Thinking of this layer, the onlookers did not dare to cast their pitying eyes at Su Yihao, for fear that a bad one would offend the domineering woman in front of him.

"Ma, Ma!"

Outside came the voice of a young woman.

But how long, Bai nianxi saw Kang Xinyue rush in from the conference room, with a worried face.

Seeing that Su Yihao had been beaten and kicked by a group of people, he lost his face and cried out, "Yihao! Yi Hao

Kang Xinyue ran over, pushed away those people in black, and helped up Su Yihao, who was about to be beaten and dying. "Yi Hao, what's the matter with you?"

Su Yihao's mouth and nose are full of blood, and the corners of his eyes are also bruised.

Kang Xinyue's heartache turned to Kang Youqin and complained loudly: "Mom!"

Kang Youqin, with a cold face, scolded: "you still defend him! He betrayed you and got into bed with other women! "

Sad things are recalled, Kang Xinyue bit his lip, his face a little red, did not speak.

"What do you want to do when you don't tell me or your family about such a thing? Do you want to help him keep it from us all his life? " Kang Youqin hates iron but not steel.

Then he pointed to Su Yihao and said, "I don't want to think about who you rely on for your status in recent years! My family has trained you step by step. You are ungrateful

"In a word, I will not let such a person be my son-in-law of Kang family!"

Although Kang Xinyue is very angry and sad that Su Yihao has done such a thing, she knows that once Kang Youqin knows about it, the relationship between her and Su Yihao is really over.

Although she was angry, she didn't want to break up with Su Yihao, so she hid it. What she was afraid of was today's result!

Kang Youqin said, went to pull Kang Xinyue's hand, "follow me, your grandfather is still waiting for you to make things clear!"

"I don't know!" Kang Xinyue shakes off Kang Youqin's hand and returns to Su Yihao.

"This matter, I will solve with Yi Hao, you and grandfather don't worry about it." Kang Xinyue's attitude is very firm, "and, mom, how do you know about it?"

She told all the people at the scene that this matter could not be spread. She wanted to hide it, but who had such a big tongue!

Looking at Kang Xinyue's attitude, Kang Youqin said angrily, "if I didn't go to century manor with your grandfather today, I wouldn't know about it! You're really going to hide it from me! "

Kang Xinyue already knows.

Century manor is the place where commo lives.

At that time, kangmobei and bainianxi were also present.

Therefore, this matter came from kangmobei and Bai nianxi. Kang Xinyue didn't know who it was, but kangmobei couldn't go up to trouble, only Bai nianxi.

Bai nianxi

Kang Youqin can't persuade Kang Xinyue. Several people have been deadlocked here for a long time. There's no choice but to leave first.

Leaving the conference room in a mess.

After watching this good play, everyone is happy. It's a sensational event. When they go back, they have to gossip about it.

Kang Xinyue helped Su Yihao up from the ground, sullen in his heart and staring at the people in the meeting room.

"Today's business, you all take care of your own mouth. If anyone dares to spread it out, I'll skin him!" As they trembled, they also mourned for Su Yihao.

It's not easy to be the son-in-law of a rich family. With the same overbearing temper of this young lady and her mother, Su Yihao's future life is also sad.

With that, Kang Xinyue glanced at all the people in the meeting room. Then her eyes

stopped abruptly when she swept a direction.

She saw Bai nianxi.

Bai nianxi, is he here?

Su Yihao had been beaten black and blue. After he got up from the ground, as the president of Panasonic, he had no face to stay in front of the staff in the meeting room. He had to go back to his office to deal with the wound.

After Kang Xinyue's eyes are fixed on Bai nianxi, Bai nianxi is aware of it and looks back.

"In a word, you remember what I said today." Kang Xinyue said maliciously and said to Bai nianxi, "Bai nianxi, come out with me."

People's eyes turned to Bai nianxi.

Su's girlfriend's momentum can't be underestimated. It's like she's coming to seek revenge. How can Bai nianxi not only annoy Su Yihao, but also his rich girlfriend?

Bai nianxi calmly stood up and followed Kang Xinyue out.

She has nothing to fear.

Kang Xinyue found a slightly remote place, and Bai nianxi followed him.

"Miss Kang, what can I do for you?"

Kang Xinyue originally turned her back to Bai nianxi. While Bai nianxi was talking, she suddenly turned around and slapped her face.

"Pa" of a crisp ring, white read the night to be caught off guard of got a slap, in the brain a burst of dizziness.

After beating, Kang Xinyue gasped a little and said, "Bai nianxi, I warn you, take care of your own --"

there was another slap on Kang Xinyue's face. The crisp sound interrupted what Kang Xinyue wanted to say, and her whole body had been confused to the extreme.

Bai nianxi's strength is greater, and Kang Xinyue is naturally beaten a little worse.

Kang Xinyue didn't say anything for a long time. After this slap, the whole person was

lost.

From small to big, no one ever dared to beat her!

Bai nianxi is the first and only one!
