

《Billionaire CEO Won't Leave》

Chapter 205

Bai nianxi looks at Luo Luo and says intentionally: "your daddy is also a man."

"Then don't pay any attention to him." Lolo is very generous, waved, and patted his chest, "Lolo is not a man, small night stay in Lolo side on the line."

"Well, you're right, quite right."

It's just, Lolo, you can't say you're not a man.

Sitting in the office, Kang Mobei pulled off his earphone and called Secretary Xing, "come back to get the punishment."

With Lolo by his side, Bai nianxi is in a much better mood, while kangmobei, on the other side, monitors Bai nianxi's every move through Lolo and is relieved.

It's more than a week before the contract with Panasonic expires, and Bai nianxi's third picture has been completed.

Today, Bai nianxi is going to Panasonic to hand in the manuscript.

Bai nianxi comes directly to Elena's office and knocks.

"Come in, please." Elena's voice came from the door.

Bai nianxi pushes the door and goes in. Elena is working hard. She looks up and sees Bai nianxi coming in. There is a trace of surprise on her face, and then she returns to normal.

After nodding and greeting, Bai nianxi handed in the painting he had brought. "This is my work. Have a look."

Elena took it, spread it out, then nodded.

"I personally feel very satisfied with these three paintings, but I just need to give you specific opinions after our art team has approved them."

"All right."

"That's right." Elena rolled up the painting again and put it away. She said, "the salary will call you within three working days. Please check it carefully."

Bai nianxi has some doubts.

"Why?" Elena saw the doubts on Bai nianxi's face.

"Nothing. I just think..."

"Think it's too easy to make this money?"

Bai nianxi didn't say anything. Indeed, she didn't expect that the painting would be so easy. Elena just took a look and gave a direct affirmation.

What's more, Su Yihao's attitude towards her is as bad as he can be? She thought that Su Yihao would take this last opportunity to embarrass her.

Elena seems to see Bai nianxi's idea and smiles, "President Su is not in the company recently. I am fully responsible for this project. I say you can, you can."

Oh, Bai nianxi nodded.

It seems that it was last time, which had a profound influence on Su Yihao.

Now that the manuscript has been handed in, there is nothing wrong with it. Bai nianxi is about to say goodbye to Elena when Elena suddenly calls.

Elena gets on the phone and says something there. Then she looks at Bai nianxi with a puzzled look on her face.

"President's office, someone's waiting for you."

Bai nianxi feels strange, but she doesn't ask much. There is someone in the president's office, which should be su Yihao. But she intuitively realizes that the person waiting for her is not su Yihao.

Or came to the president's office door, knocked on the door and walked in.

Inside stood a tall man, with his back to her, looking out of the window at the buildings. From his back alone, he was tall and straight, with strong momentum.

"Hello."

After Bai nianxi made a sound, the man turned around and looked at Bai nianxi, with a smile on his lips, "Hello, nianxi."

The man's expression and tone make Bai nianxi feel that he seems to know her.

And, the man's appearance, always let her have a sense of déjà vu.

"Who are you?"

The man came over and stopped one meter away from Bai nianxi. He introduced himself and said, "my name is Shen. My name is he Dan."

What's the matter with Shen?

Bai nianxi repeated the name again in her mind, making sure she didn't have any impression. In her memory, she didn't know the man.

The man laughs very gently, is that kind of elder to younger generation's gentleness, but this man looks, also is not several years older than her, at most is 27 or 78 appearance.

Without waiting for Bai nianxi to respond, Shen Hedan said to himself, "I finally see you. You are more beautiful than I thought."

"Well, I'm tall too. It looks lively and lovely." Shen Hedan touched his chin and looked at Bai nianxi.

"I heard that you draw very well. It's good. You look like an artist. Look at your eyes, your aura and talent will overflow from it."

.....

Shen Hedan said so, did not realize that Bai nianxi's face appeared several cracks because of his endless praise.

What strange people did she meet?

"That's to say, you're a little hot tempered." Shen Hedan said, and shook his head, "I think it's good to have a bad temper, so I won't be bullied, right?"

Bai nianxi swallows her saliva. Shen Hedan's words make her fear everything unknown. Why did he know her so well when he saw her for the first time? And acting

like a person who is very devoted to her?

"I heard that you and Su Yihao, the president here, are not dealing with each other?"
Shen He Dan asked.

"Not bad." Bai nianxi doesn't know what idea Shen Hedan has, so he can only vaguely return.

"Then take him away, so that you don't get upset." What Shen Hedan said was very easy, as if it was no more casual.

But Su Yihao is the president of Panasonic in China! What's more, Su Yihao stands behind the Kang family!

What's the matter with Shen? How can he change it?

Bai nianxi raised his vigilance, "no, I'm going to leave Panasonic anyway."

"Is it?" Shen Hedan frowned, "then replace him, and you will be the president?"

.....

At this moment, Bai nianxi thought of the words that Luo Luo said: men are big pig hooves.

Sure enough.

All men are dangerous.

Bai nianxi waved, "no, no, I have my own career and my own ideas. You Don't worry about it

Shen Hedan Oh, eyes with endless appreciation, "is really a self-reliance, self-respect and self love of good children."

.....

Bai nianxi didn't want to stay any longer. He just wanted to leave here as soon as possible, so he said, "Mr. Shen, if you have nothing else to do, I'll go first. Thank you for your kindness. Goodbye."

Looking at Bai nianxi, who is afraid of avoiding him, Shen Hedan smiles and says nothing more.

Just when Bai nianxi went out, a man in a wine red suit came forward and handed a business card respectfully.

"Miss Bai, this is the young master's telephone number and address. The young master has given orders. If you have anything to do, you can go to him."
