

《Billionaire CEO Won't Leave》

Chapter 206

Bai nianxi was about to refuse, and the man said, "of course, if you have nothing to do, you can go to him."

Forget it, don't want to say more, Bai nianxi took it and turned away in a hurry.

After Bai nianxi left, the man in the wine red suit pushed open the door of the president's office and went in.

"For her?"

King Ting nodded and said, "would you like to send someone to follow Miss?"

"No Shen Hedan went to the president's chair and sat down. He leisurely said, "I'll see first, which one is suitable to be my brother-in-law, conmobei or musili."

"That Su Yihao?"

"It's gone." Shen Hedan's understatement.

After a moment, Jin Tingmo said, "what if the Kang family were investigated?"

"Kangmobei won't take care of this. He doesn't care. The rest of the Kang family can't find us."

"The new president of Matsushita?" he asked

Shen Hedan didn't answer Jin Ting's words this time. He just glanced at him. Jin Ting lowered his head and said, "I know."

Bai nianxi went out in a hurry. When she came to the front desk downstairs of the company, she was stopped by the front desk lady.

The front desk lady said to Bai nianxi, "there is a lady named Gu who said she is coming to see you. She has been waiting for you for a long time."

Miss Gu, that's Gu xuanlin.

Bai nianxi was about to ask the receptionist where Gu xuanlin was when he heard Gu xuanlin's voice.

"In vain." Gu xuanlin came over from one side.

Seeing what Gu xuanlin looks like now, Bai nianxi can't help but be surprised. Gu xuanlin is much thinner than before. She was thin originally, but now she seems to be more vulnerable.

went out today, and Gu Lin also made up her makeup specially. Her pale face, however, seemed to be even more colourless under the foil, but the bright red on her lips gave her a pathological beauty.

"It's you?"

"Why, surprised to see me?"

Bai nianxi didn't answer. She just looked at Gu xuanlin. She was wearing a floral dress and a woolen coat.

It's bulging inside the coat. It seems that something is hidden.

Gu xuanlin's mouth floated with a smile of irony, "before I was not warm and cold, how now is such a love to answer the face?"

Bai nianxi's brow slightly frowned. Now he is still in the company hall. Gu xuanlin's posture has a bad influence.

"Let's find a place to have a good talk."

"Why find a place? I think it's good here. " Gu xuanlin said this in a louder voice.

All the people who came and went around looked over.

Bai nianxi's momentum sank down and looked at Gu xuanlin and said, "what are you going to say?"

Gu xuanlin sneered, "what are you talking about? What should you say to me? Bai nianxi, do you have nothing to say to me? "

Bai nianxi said coldly, "what do you want me to say to you? Excuse me? "

"Why, you killed my baby in my belly, and you can't even say sorry?" Gu xuanlin's eyes turned red when she said that.

Some people have begun to look around not far away, because Gu xuanlin specially amplified the sound, so people around can almost hear clearly.

This woman actually said that Bai nianxi killed her child?

Wow, sure enough, where Bai nianxi is, there are good plays to watch.

More and more people were watching.

"Gu xuanlin, make it clear that it's not me who killed your baby." Bai nianxi looked at Gu xuanlin, his voice seemed calm and firm, "and I have already apologized to you."

"Not you?" Gu xuanlin was excited, "how dare you say it's not you? If it were not for you, I would not have lost my child and zhiang would not have regretted my marriage! It's you, it's you who hurt me and made me lose everything! "

The crazier Gu xuanlin is, the calmer Bai nianxi is.

Wu Ling did it. She didn't want to help Wu Ling carry the big black pot all the time.

"Gu xuanlin, you have a good look." As Bai nianxi said, he took the jade bracelet from his hand and threw it on the ground. The beautiful jade bracelet snapped and broke.

Gu xuanlin looks at Bai nianxi with red eyes. At the moment, there is only hatred in her eyes, and she doesn't understand the meaning of Bai nianxi very well.

"Who's to blame for the broken bracelet?"

Gu xuanlin sneered, "why, do you still want to blame me?"

"According to your logic, shouldn't you blame the floor?" Bai nianxi picked his eyes. "After all, without this floor, it can't be broken."

"It's like you said you wouldn't have lost your child without me."

Gu xuanlin didn't answer.

Bai nianxi then said, "but how unfair the floor is. It's here to stay. I have to throw the bracelet on it." "Oh, so what do you mean?" Gu xuanlin continued to sneer.

"I mean, listen up." Bai nianxi looked at Gu xuanlin, looked her in the eye and said,

"I'm the one who broke the bracelet. The floor is right. Similarly, Wu Ling is the one who started on your child. I'm right, too."

"If you thought that if you didn't have me, you wouldn't have been designed. I have nothing to say. I've already apologized, but that's all."

"Got it?"

Gu xuanlin trembled with anger, "no! Not enough

"My misfortune and pain can be made up and recovered by your understatement of sorry? no No way

With that, the expression on Gu xuanlin's face has become crazy, "I want you to kneel down and apologize to me!"

"Kneel! I want you to kneel down! I want you to apologize on your knees! "

Bai nianxi looks at Gu xuanlin whose mood is out of control, and a trace of sad mood emerges in his heart.

If people can't get out of grief and hatred, they will only turn into such a madman in the end. If only Gu xuanlin could think freely.

There are more and more onlookers. Bai nianxi is already familiar with them. It seems that where she is, they are always making trouble. At this time, when they see such a play again, everyone thinks it is wonderful.

Will Bai nianxi kneel down?

Gu xuanlin not only roared, but also put her hand on Bai nianxi, pushing her, kicking and beating, "kneel! You kneel for me! Kneel down

Bai nianxi is pushed by Gu xuanlin, but she doesn't fight back. This is the greatest kindness she can show to Gu xuanlin.

"What if I don't kneel?"

After listening to Bai nianxi's words, Gu xuanlin stopped, and the radian of her mouth was very penetrating. "If you don't kneel down, I'll ruin your life."

"Ruined my life?" White read Xi to wring eyebrow, "how to destroy?"

"How to destroy it?" Gu xuanlin smiles, and her eyes are fixed on Bai nianxi's face.

"You can have a brilliant life now, don't you rely on men? Don't you seduce a man by his charming face? "

"If you don't have this face, I don't see how you can seduce men!"

Gu xuanlin said, reaching for her coat.
