

# 《Billionaire CEO Won't Leave》

## Chapter 210

"You told her? She said yes?" Moussili suddenly got excited.

Mu Liancheng is calm on the phone. He hasn't talked about it with Bai nianxi.

He knew that if he really said it, most of the time, Bai nianxi would not agree.

So he didn't say it at all, and he didn't choose to announce it in such a high-profile way as the press conference, because after all, he didn't discuss with Bai nianxi that the engagement was unilateral.

Instead, I chose to mention it at today's internal and external shareholders' meeting. Anyway, the final result is the same.

Hearing Mu Liancheng's silence, Mu Sili knew the whole story.

Musi Li calmed down from his excitement, and his voice cooled down. "Dad, you are good at this, aren't you?"

Mu Liancheng didn't say any more. He knew Mu Sili's character. Sometimes he knew death reason too much and didn't know how to adapt.

"In a word, just be there on time. I've sent the specific time and place to your Secretariat by e-mail."

Mu Liancheng then hung up the phone, and Mu Sili rubbed his eyebrows with some headache.

If things go on like this, there will be no room for recovery tomorrow.

Night, hotel room.

Kangmobei asked people to send the dinner directly into the room. After having dinner in the room, they stayed in the room with Bai nianxi.

As expected, kangmobei had a hand on his son. This evening, Secretary Xing did not send Luoluo back, but sent him back to century manor.

However, after a few days' absence, it seems that Kangmo and Bai nianxi have been separated for decades. Even if Bai nianxi gets up to wash an apple, he has to get up from the bed and walk around behind Bai nianxi.

Bai nianxi was cutting the apple, and he was watching all the time.

"What's good to see? Haven't you ever seen an apple

Conmobei held his chin in one hand. "Yes, but you're different. You look good when you peel apples."

Ignoring the sweet words of kangmobei, Bai nianxi lowers his head and cuts the apple in his hand. After cutting, he hands it to kangmobei, "here."

Conmobei took it, with a smile on his eyes.

Bai nianxi just peeled the apple, suddenly thought of a thing, "before that two million, Bai family back to you?"

Kang Mobei shook his head. In fact, the Bai family has lost news since that incident.

He thought it was because they knew they couldn't pay their debts, so they didn't know where to hide them.

If they didn't come to be demons, he didn't bother to send someone to look for them. Instead, he felt comfortable buying a quiet place with two million yuan.

"They didn't come to you again, did they?"

Bai nianxi shakes her head. They really haven't come to her since then.

No matter if she doesn't come, it's just that if the Bai family doesn't return the two million yuan, she will have to return it to commobei.

"By the way, Kang family, how are you doing?" Speaking of the Kang family, Bai nianxi was a little cautious.

Sure enough, kangmobei frowned slightly. Every time he mentioned the Kang family, it always made him feel less happy.

"You mean Su Yihao?"

"Well."

After what happened last time, she didn't know what happened to Su Yihao.

Su Yihao's cheating on Zhai Kexin can be tolerated by Kang Xinyue, but Kang Youqin's temperament can't be tolerated. The old man in the family probably can't stand this kind of humiliation.

But Kang Xinyue wants to defend Su Yihao. He is not going to marry him in this life. It is estimated that the Kang family has been in some trouble recently.

"If Kang Xinyue wants to marry her, her aunt and grandfather can't help it."

Oh, it seems that Su Yihao will continue to be the son-in-law of the Kang family.

"I don't think he's been to Panasonic lately."

Kang Mobei nodded and suddenly remembered that it was in the afternoon when Secretary Xing told him that Su Yihao had withdrawn from the position of president of Panasonic this afternoon.

I don't know who did it. I can do it under the influence of the Kang family.

However, he didn't have the leisure to take care of it. He would not like the man who had a holiday with Bai nianxi.

"Never again."

"What?" Bai nianxi doesn't understand the meaning of kangmobei very well.

"Nothing." After he took a few bites of the apple, he put it aside and bullied Bai nianxi.

Smelling the fragrance of Bai nianxi's body, his eyes were misty.

"What are you doing?" Looking at Kang Mo north this appearance, Bai Nian Xi in the heart secret way is not good, don't feel the leg began to soften.

"You smell good."

Conmobeir finished, and he kisses her.

In the morning, Bai nianxi was woken up by a phone call.

Kangmobei's figure has disappeared. He left the company for a long time yesterday and has accumulated a lot of affairs to deal with. Kangmobei got up early in the morning and went to the company. Just get up the movement is very small, Bai nianxi and sleep very heavy, not wake up.

"Hello." Bai nianxi vaguely took over the phone, because she had finished the draft yesterday, so she went to sleep at ease. Recently, she should have nothing to do.

"Mr. Bai." There's a sweet girl voice over there.

Bai nianxi frowned, his voice was a little confused, "who are you looking for?"

"Mr. Bai." Again over there.

"Sorry, you have the wrong number. I'm not Mr. Bai." Then Bai nianxi will hang up.

"Mr. Bai, I have no wrong number. I'm looking for you. I want to tell you that you have a meeting at 8 o'clock this morning."

Bai nianxi felt puzzled, and his mind was a little clear. He took a look at the phone in his hand and said, "what did you just say?"

"I said, Mr. Bai, you have a meeting at eight this morning."

Bai nianxi only felt headache, "I'm not Bai Zong..."

"You are." "You are, you are Mr. Bai nianxi, the current president of Panasonic," the phone confirmed again

This person said a word, but made her identity clear, just

What's going on?

"Isn't the president of Panasonic Su Yihao?"

"Mr. Su has gone. Now the president of Panasonic is you."

I suddenly think of the man yesterday, the man named Shen Hedan, and what he said. He said that he would withdraw Su Yihao and change her to be the president?

Bai nianxi's mind exploded.

This sentence, actually has become a reality?!

Seeing that Bai nianxi had not spoken for a long time, the person on the other end of the line said, "now, Mr. Bai It's seven fifty, and you have ten minutes

“..... May I not go? ”

"No way."

The answer is very firm.

In any case, Bai nianxi still felt that he was going or wanted to go. After all, he had to make sure of it.

When Bai nianxi arrived at Panasonic, the whole meeting room had been waiting for half an hour.

Bai nianxi walks into the office with a dignified and slightly apologetic face. All of a sudden, everyone stands up and bows to Bai nianxi and says, "President Bai!"

"Well." Bai nianxi nodded calmly, but his mood was not calm at all.

Who would have thought that she walked into this office again as the president of Panasonic!
