

《Billionaire CEO Won't Leave》

Chapter 214

Bai nianxi doesn't want to call kangmobei at this time. He is very busy at work. Moreover, she doesn't want to question kangmobei in this way when things are uncertain.

But Jiang zhiang was in a hurry, "when are you going to put it off? Do you know that Gu xuanlin will be more likely to die if she stays in the hands of Kang Mobei for one more second! "

I don't know how Jiang zhiang said that, but Bai nianxi felt uncomfortable. Since when, she didn't like to hear bad words about kangmobei from other people.

"No, no, he's not like that."

"No?" Jiang zhiang sneered, "Bai nianxi, do you know what kind of person kangmobei is?"

"Ruthless, unscrupulous, anyone who is not good for him, in the end, there is no good end, his evil, you have never seen."

Bai nianxi frowned, "what are you talking about?"

"Nonsense?" The gloomy smile on Jiang zhiang's face was even worse, "do you know what he did? Do you know how many people died under him? Do you know how terrible it is to offend him? "

"Don't you wonder why the white family hasn't come to you for such a long time?"

With that, Jiang zhiang stepped forward. His voice was gloomy and chilly. "Do you think it was their conscience that they hid in a place where there was no one?"

"No, I tell you, they may have died unknown, their bones are rotting in places you don't know, and it's him, Kang, Mo and Bei who do all this."

Bai nianxi's face turned white, which she never thought of.

But, from Jiang zhiang's mouth, she was shocked.

The relationship between Bai family and her has been impossible to ease, but she does not want to see them die.

"Don't talk nonsense!"

Combe, it's not going to happen.

"Do you trust him that much?" Jiang zhiang at the moment, like a desperate madman, "or say, you don't care what kind of person he is?"

"You like his bloody hands touching you, don't you? You want his dirty heart, don't you? "

"Shut up Bai nianxi roared out, "Jiang zhiang, you are crazy!"

"Yes, I'm crazy! I'm crazy from the moment you choose to stand with him! "

Jiang zhiang also roared out, and the expression on his face was very gloomy and terrifying.

Holding Bai nianxi in his arms, he nibbled at Bai nianxi's neck. "Last time in the fitting room, because mousse left me, I didn't want you, so I'm here to strengthen you!"

With that, he bit Bai nianxi's clavicle, exerting a lot of force, and the blood soon oozed out there.

"Say it! Where is Gu xuanlin! Where is she? "

Voice just landed, the door of the office was suddenly kicked open, making a huge noise.

A voice came from behind, carrying the wind.

"Let her go."

It's the voice of combe.

At the moment, komorbei looks extremely calm and terrible.

Seeing kangmobei, Jiang zhiang's face was shocked. After a moment of hesitation, he turned to Bai nianxi and held Bai nianxi's neck with his arm. His voice was trembling. "You let Gu xuanlin go first!"

Kangmobei narrowed his eyes, "threaten me?"

"I just want you to let Gu xuanlin go. As for nianxi, I won't hurt her."

"Is it?" Kang Mo North's eyes down, moved to the white Nian Xi exposed on the clavicle, where has been gnawed by Jiang zhi'ang blood.

Won't hurt her?

From "do you trust him so much?" At the beginning of that sentence, Kang Mobei had already stood outside the door and listened to what Jiang zhiang said.

Call him dirty, call him vicious?

Even said to strengthen his beloved woman?

Kangmobei's eyes are very cold. Who gave him the courage to be so presumptuous?

Jiang zhiang felt that there was something wrong with Kang Mobei's momentum. Before he had time to think too much, Kang Mobei suddenly reached out and folded his arm.

Jiang zhiang screamed and hit him with another blow on his chest, which directly knocked him to the ground.

"Don't you mean my hands are bloody? Then how dare you threaten me? " Conmber's voice was terrible.

Jiang zhi'ang coughed a few times and looked up at kangmobei with fear in his eyes.

Bai nianxi was a little slow, but he didn't know what to say.

Kangmobei took a look at Bai nianxi and said, "Gu xuanlin, it's really in my hands. Do you want someone? Yes

Bai nianxi and Jiang zhiang look at kangmobei at the same time. They all know that the condition is attached to this sentence.

"Sorry." Conmbe said two words gently. Obviously, what Jiang zhiang did just now infuriated Kang Mobei. It's only expected that he should apologize now.

After a few thoughts, Jiang zhiang lowered his eyelashes slightly and said, "I'm sorry."

"I want you to kneel down and apologize," he said

Kneel down?

Bai nianxi and Jiang zhiang were surprised at the same time, but Bai nianxi didn't say anything. Jiang zhiang's behavior was beyond her tolerance.

She was very disappointed with him.

He also knows Bai kangmobei's character. After Jiang zhiang's series of actions, he just makes him kneel down to apologize, which is already giving him face.

To be exact, it should be taking care of Bai nianxi's feelings.

Sure enough, Jiang zhiang first looks at Bai nianxi, hoping that she can say a word for him. If she can do nothing for him, he believes that kangmobei will not embarrass him.

But Bai nianxi didn't say anything, just turned around gently.

The clavicle still hurts. She can't forget.

Kangmobei also seems to be surprised by Bai nianxi's attitude. How can she let him treat Jiang zhiang like this?

Heart inexplicably warm.

Is she on his side?

Kangmobei stood aloof, cold and indifferent all over. His words seemed to have no room for negotiation.

Jiang zhiang frowned, kneeling or not kneeling?

Kneel, knowing that kangmobei is to humiliate him, or in front of Bai nianxi.

If you don't kneel down, Gu xuanlin can't come back. His project will die, and the whole company will be in danger.

Besides, if he doesn't kneel down, he won't be spared.

After a while, Jiang zhiang went to kangmobei, gritted his teeth, bent his knees and knelt down.

Three people in the office of the president, echoed the sound of knee touch the ground.

Jiang zhiang said, "I'm sorry."

Voice revealed a gnashing of teeth unwilling, no half sincerity.
