

# 《Billionaire CEO Won't Leave》

## Chapter 215

Kang Mobei just squints. Of course, he knows that Jiang zhiang is not satisfied. What he wants is not his sincerity. He wants him to bow down for his mistakes.

Jiang zhiang kneels down and Bai nianxi is shocked.

"Mr. Jiang is really affectionate to Miss Gu." "One hour later, Miss Gu will be sent to the downstairs of Jiang's company."

Jiang zhiang hung his head, and his eyes were very cold where he could not see kangmobei and bainianxi.

What he is doing now is to survive at all costs, strengthen Jiang's family and strengthen his strength.

As for Bai nianxi and Kang Mobei, they brought him humiliation and suffering. One day, he will repay them a hundred times, a thousand times and a thousand times.

After Jiang zhiang left, Bai nianxi sat down feebly. The sweat on his body had not dried out, and he just felt cool all over.

"Did you really send someone to take Gu xuanlin?"

"Well." "It was taken directly after that day," he said

It seemed that he was afraid that Bai nianxi might misunderstand something. Kang Mobei said, "because I was afraid that Gu xuanlin would hurt you again, I sent someone to lock her up. I didn't do anything to her. Now, her life is not in danger."

I don't know what Jiang zhiang said to Bai nianxi, but I don't think it will be any good

words.

"I didn't hurt her."

Bai nianxi nodded, "if not."

It's OK to know that kangmobei is not as heinous as Jiang zhiang said.

"What else did Jiang zhiang say to you?"

Bai nianxi recalled Jiang zhiang's words about kangmobei and shook his head, "nothing, just let me release Gu xuanlin."

Kang Mo North shrunk eyes, see Bai Nian Xi's appearance, Jiang Zhi ang absolutely said something else.

He was not afraid of being stigmatized, but he was afraid that Bai nianxi would leave him.

He came forward and hugged Bai nianxi from behind. The strong breath vomited in Bai nianxi's ear, "believe me."

Kangmobei is not as simple as it seems. When he faces others, he is not as gentle as he is in front of bainianxi. Bainianxi knows that.

Bai nianxi turned around, hugged kangmobei and said, "OK."

After they hugged each other quietly for a long time, their previously fluctuating emotions had gradually calmed down. Bai nianxi remembered one thing and asked, "by the way, how did you come here today?"

"Come to you." When facing Bai nianxi alone, conmobei always seems to be attached.

"The president of Kangda is so busy that he suddenly comes to me to talk about business?"

Bai nianxi joked, and Kang Mobei also followed his lips and said, "big business."

"Really?"

Looking at Bai nianxi's curious appearance, Kang Mobei's smile floated, "of course it's true."

"What's the big deal?"

Connobei straightened his face and said seriously, "it's about the big business of your life and mine."

"Nianxi, marry me."

.....

"What did you just say?"

"I said, nianxi, marry me."

.....

Bai nianxi still can't believe her ears.

She was so unprepared, caught off guard, unprepared, inexplicably proposed?

"Why, no?"

No flowers, no rings, no kneeling on one knee, if she agreed, would it not be a loss?

As if to see the idea of Bai nianxi, commo's north corner of the mouth to hook up, in Bai nianxi ear light coax way: "there will be in the future, you now promise me."

"Besides, you can't escape."

Kangmo leans down to the north and kisses Bai nianxi's earlobe. Before Bai nianxi knows what's going on, Xiao Xiao's voice comes from the door of the office.

"Mr. Bai! The ten o'clock meeting... "

Xiao Xiao see the office intimate two people, to say in the throat choked.

Bai nianxi pushed away Kang Mobei, blushed, cleared his voice and asked, "what's the matter?"

Xiaoxiaodun, restore calm, said: "ten o'clock meeting is ready, you see..."

Bai nianxi put the broken hair behind his ears and nodded, "I know. I'll be right there. You go out first."

After Xiao Xiao retired, Bai nianxi turned to Kang Mobei and said, "what did you just mean?"

"propose." Conmber's face was taken for granted.

Bai nianxi frowned, "no, it's too late. What does that mean?"

Kangmobei stares at Bai nianxi's eyes, as if he didn't hear what Bai nianxi has just said. He directly ignores the problem, reaches out his hand and pinches Bai nianxi's face.

"Be busy, Mr. Xiaobai. I'll see you again tonight."

Without waiting for Bai nianxi to say anything more, Kang Mobei turned around and went out. In the end, he didn't explain what he said today. Because he had to prepare for the meeting, Bai nianxi didn't go after him. When he came back to the office after the meeting, it was already noon.

Bai nianxi was in a trance, still thinking about what conmobei had said in the morning.

What does he mean?

Just think of what Jiang zhiang said, the Bai family has disappeared for some time, where did they go? Why does Jiang zhiang say that they have died in the hands of kangmobei?

Thinking about it, Bai nianxi pushes open the door of the office. Shen Hedan has already been waiting inside.

"Finished?" Shen Hedan asked with a smile.

Bai nianxi immediately raised his vigilance.

"Our general manager Bai seems to be very diligent in his work." The smile on Shen Hedan's face was very kind, "it's really excellent and hard work."

I didn't expect that Shen Hedan would suddenly appear here. It's good to ask the matter clearly.

Without answering Shen Hedan's question, Bai nianxi asked directly, "is it Mr. Shen who has promoted me to the position of President? Can I ask Mr. Shen why he did it?"

Shen Hedan's eyes were smiling, "because I want to be nice to you, so I did it."

"Then why did Mr. Shen treat me well?"

Shen He Dan narrowed his eyes, his eyes were full of pondering and looking, because, what?

"Naturally, I think you are cute."

.....

Bai Nian Xi clenched his fist. Shen He Tan knew something was hidden from her, but he just didn't say it!

"Oh, yes." Shen Hedan straightened out his attitude. "I heard that kangmobei is going to get married?"

The engagement ceremony between kangmobei and murushuang has only been ten days.

Shen Hedan's reminding cast a shadow on Bai nianxi's heart. This morning, right here, Kang Mobei still hugged her and vowed that she would marry him.

"Why did Mr. Shen ask?" The sound is a little bit colder than before.

Shen Hedan said with a smile, "I'm curious. I heard that the wedding is just seven days later. I'm a little curious about who the bride is. I thought you knew that you were so close to conmbenianxi."

When Shen Hedan said this, his narrow eyes were shining, and he secretly observed Bai nianxi's expression.

Just this morning, the public relations department of Conrad group released news that Conrad group president conmbenianxi will hold a wedding in seven days.
