

# 《Billionaire CEO Won't Leave》

## Chapter 217

Su Yihao's bar is located in a remote location. It may be that his relationship with Zhai Kexin has just been exposed. Su Yihao doesn't want to attract attention any more, so he chose such a place.

When Bai nianxi went in, there were a lot of people in the bar, which was very noisy.

In the crowd found Su Yihao, he is sitting on the bar drinking.

Seeing Bai nianxi coming, he raised his red eyes and said, "are you coming?"

Bai nianxi frowned slightly. She didn't like the taste of Su Yihao's wine very much. "Well, what's the matter, please tell me."

Su Yihao gave a smile with a sneer, "Bai nianxi, why do you want to come back? Are you coming back to get back at me? "

"What are you talking about?"

"Don't pretend, there's no one else here, just the two of us. I know that you hate me all the time. That's why you're going to climb onto the bed of conumber to revenge me, right?"

Bai nianxi screwed her brows tightly. There was music and noisy voices. She just vaguely understood Su Yihao's meaning, but she didn't hear it very clearly.

"Come with me." Bai nianxi pulls Su Yihao to a quiet corner where there are few people and the light is a little dark.

"What do you mean by that?"

"What do you mean?"

"You say, why should I hate you, and why should I revenge you?" In this case, Bai

nianxi once heard Su Yihao say it again, and she felt strange at that time.

Now, she wants to figure it out bit by bit.

Su Yihao sneered, because he drank the wine, his eyes were confused, and his words were not very clear, "why, do you have to ask me to say it? Listen to me. How did I betray you and send you to another man's bed? "

Su Yihao said, Bai nianxi's face changed.

Gently spit out a few words, "go on."

"as like as two peas, you really love to find yourself." Su Yihao looked at Bai nianxi's face and shook his head. "No, it's different. You are more feminine than you were then."

Bai nianxi is still wearing that suit and skirt at the moment. Her wavy long hair is draped behind her head. She looks hot and sexy.

One came forward and grabbed Su Yihao's collar. The expression on his face was very sharp, "go on."

After getting drunk, it's hard for people to control their emotions. Su Yihao once said that he would never look at Bai nianxi again, but now he still can't help looking at the woman in front of him.

"If you were half as beautiful and enchanting as you are now, how could I sleep with other women?"

Bai nianxi grabs Su Yihao's collar and shakes slightly. What happened in those years is very clear. She was once with Su Yihao, but Su Yihao betrayed her.

It's just, what does he mean by sending her to another man's bed?

"Whose bed did you put me in?" When Bai nianxi asked, his eyes were cold and his heart was cold.

"Just an old man." Su Yihao said with a smile, "I heard that the old man is very tossing, that night, you should have a miserable life?"

"Also, I said, why did you change so much later? After experiencing those things, it's impossible that you didn't change. It's just that I don't know if conmobair knows what happened to you before?"

Su Yihao said, his eyes floating despicably, "when he sleeps you, if he thinks that you used to enjoy yourself under that kind of old and ugly man..."

"Pa" of a, don't wait for Su Yi Hao's words to finish, white nianxi has already slapped Su Yi Hao's face.

Shameless!

Su Yihao had been drinking in a muddle for a long time. He was slapped as if he had not been slapped.

"I know you're trying to get back at me by getting close to conumber, but I tell you, it's impossible," he continued

"You see, even if I betray Kang Xinyue, she will forgive me in the end. I will still be Kang's son-in-law, and you, will Kang Mobei marry you?"

"So, don't dream of a sparrow flying on the branch to become a Phoenix. You can't marry into the Kang family. I know that you exposed the story of Zhai Kexin and me, but so what?"

"You can't revenge me, you will lose to me eventually, so you give up, don't pester me again, you're better, I'm better..."

Bai nianxi's eyes have been completely overcast, and he can't help his anger any more.

"Son of a bitch," he said

Bai nianxi releases Su Yihao and pushes him to the back wall.

Su Yihao was hit by the body in a flash, and then laughed, "how, to me uniform temptation?"

"Want it?" Bai nianxi sneered, "I can give it to you."

With that, he gracefully took off his high-heeled shoes, just as a new round of dance music in the bar sounded, people began to go crazy.

A violent Carnival began in the dark corner of the bar. Bai nianxi first kicks Su Yihao's key parts with his feet. When he loses his mobility, his high-heeled shoes hit Su Yihao's face, leaving one shoe print and red mark after another.

Su Yihao was beaten by Bai nianxi, and his mouth was howling.

Bai nianxi played for a long time until his hands and feet became sour.

Gasping for breath, he looks at Su Yihao who has fallen down along the wall. He takes out the lipstick in his bag and holds Su Yihao's chin in one hand, forcing him to raise his face.

Then he wrote three big words on Su Yihao's face:

Wang, Ba, Dan.

Su Yihao drank the wine and was beaten again. He was not conscious and didn't realize what Bai nianxi was doing.

Pass this corner, pass another corner, it's just the women's toilet of the bar. Bai nianxi goes to the women's toilet and takes out two garbage cans from it.

Dump all the rubbish on Su Yihao's head.

Su Yihao narrowed his eyes and waved, "what are you doing?"

Bai nianxi raised his mouth and said, "I'll cover you with a quilt. Sleep well. Someone will come to pick you up later. "

With that, he threw down the garbage can and went out. When he went out, he happened to meet a person.

"White night?"

Bai nianxi looks at Lu Yichen, who has been missing for some time.

Lu Yichen looked at Bai nianxi, but didn't see the figure of Kang Mobei. He was puzzled. How could she come to such a place alone?

Looking at Bai nianxi's dress again, he didn't look well. He was worried and asked, "what are you doing here?"

Bai nianxi was still panting and didn't say anything, but Lu Yichen keenly noticed the figure at the corner behind her and walked over.

Looking closely, he said a name, "Sue Yian?"

After saying the name, Lu Yichen's face became strange. He looked at Bai nianxi, who was standing on one side. Are they still together now?

It's just, why is it like this?

Lu Yichen wanted to squat down to help Su Yihao, but when he saw the things piled on Su Yihao, he frowned again

Bai nianxi started to pull Lu Yichen out of the bar.

The street outside the bar is a bit dark and quiet now.

"What did you just call him?"
