

《Billionaire CEO Won't Leave》

Chapter 218

Lu Yichen stares at Bai nianxi's face. He doesn't seem to understand why she asks, but he still says, "Su Yian."

Sue?

"Did you know him before? Sueyan, his original name? "

Lu Yichen's face was even more strange. "Nianxi, he's not your old man Ex boyfriend? Why, you don't even remember his name? "

It turned out that Su Yihao's former name was su Yian.

Bai nianxi suddenly remembered that in her dream, it seemed that there was a name called "brother an". Now it seems that this brother an is Su Yihao?

"Nianxi, what's the matter with you?" Lu Yichen looked at Bai nianxi, full of doubts.

"Yichen, how much do you know about five years ago?"

"Five years ago?" Lu Yichen recalled that five years ago, after Bai nianxi and Su Yian were together, he went abroad. Only before he went abroad, he had a meal with them.

Why did Bai nianxi ask him this?

Can't she remember the past?

Looking at Bai nianxi's silent expression, Lu Yichen's eyes are gradually surprised. It seems that she really doesn't remember what happened at that time.

Why did she do this to suey'an today?

Bai nianxi had some confusion in his mind. For a moment, he couldn't tell Lu Yichen clearly. He just went to one side and said, "can you ask your people to make an anonymous phone call?"

Lu Yichen nodded.

Bai nianxi reported a series of numbers, "when you call this number, you say Su Yihao is drunk here. Let them come to pick up the corpse."

Isn't Su Yihao saying that Kang Xinyue won't give up on him? She just wants Kang Xinyue to see Su Yihao's most embarrassed appearance.

She believes that Su Yihao will not tell Kang Xinyue about what happened here tonight. He has no guts.

Lu Yichen did not ask any more questions, "I'll take you back. It's not easy to take a taxi here. "

During this time, he went abroad again. He didn't know what happened in China. He came back the day before yesterday to hear about it.

originally, he was going to talk with Bai nianxi, but he didn't expect to meet Bai nianxi here.

On the way back, Bai nianxi has been wringing her eyebrows and keeping silent. Five years ago, she finally understood some things, but there are still many things she didn't understand.

The most important thing is, why did she lose this memory and be replaced by other memories?

She wants to know everything that happened five years ago.

Lu Yichen sends Bai nianxi to the hotel downstairs directly. After the two leave, Bai nianxi returns to the hotel room.

Conmber had already come back and was waiting in the room.

Seeing Bai nianxi coming in, he asked, "why did you come back so late?"

Bai nianxi took off his high-heeled shoes, "something's up."

Kangmobei didn't ask again. Thinking that Bai nianxi is now the president, he must have a lot of things to deal with. He knows the pressure and busyness of sitting in a high position, and he is heartbroken.

"Haven't you eaten yet?"

Kangmobei had already got the food ready. He just waited for Bai nianxi to come back and deliver it. Kangmobei made a phone call. In a few minutes, someone knocked at the door.

The steaming and sumptuous dinner was sent to the dining table of the room, with the fragrance of the room.

Bai nianxi's stomach is really hungry, so he sits on the dining table for dinner. While Bai nianxi is eating, Kang Mobei also sits on Bai nianxi, smelling the smell of wine and smoke from Bai nianxi.

She went to the bar.

Kangmobei's eyes flashed. He didn't say anything. He just reached out and took the shrimp plate on the table and peeled the shrimp for Bai nianxi.

Bai nianxi was eating. He suddenly thought of something and asked, "I heard that you are going to get married?"

Conmber hooked the lip corner, noncommittal.

"Is the bride Lolo's mother?"

Kangmobei picked his eyebrows again, waiting for Bai nianxi's next sentence.

Bai nianxi didn't continue to ask. She suddenly had an idea in her heart. Luo Luo, is it really her child?

After all, the things that happened five years ago are very strange. And, more than once, conmberg said that he would let her be Lolo's mother, and Lolo, when he met her for the first time, regarded her as his mother.

Bai nianxi quietly finished his dinner and went to the bathroom to wash. After washing, he lay on the bed and felt very tired.

In a trance, he closed his eyes. I don't know when a warm body came up behind him and put her in his arms.

Conmobei just finished taking a bath, and his whole body exudes the faint fragrance of shower gel. His arms are warm and firm, which makes people feel at ease.

After Kang Mobei pasted it up, he began to make trouble, kissing Bai nianxi's neck and earlobe, and stroking her shoulder and arm.

Bai nianxi was unable to say that Kang Mobei was making trouble. He turned around and patted his soft hand on Kang Mobei's chest. "Don't make trouble." The voice is soft and light, like a cat's claws gently scratching the heart.

Kang Mobei presses Bai nianxi under his body and kisses him. Just as he kisses Yi Luan, Su Yihao's words suddenly appear in Bai nianxi's mind.

"When he sleeps with you, if he thinks that you've ever enjoyed yourself under that kind of old and ugly man..."

Suddenly fiercely will Kang Mo North a push to open, white read the facial expression of Xi some fear.

"What's the matter?" Kang Mo North sinks eyes, don't understand a way.

White read night slow over God, "no, nothing."

Kangmobei entangles again and holds Bai nianxi in his arms. Her performance tonight makes him feel afraid inexplicably.

"Did something happen?"

Bai nianxi wants to say it, and wants to make it clear to kangmobei, but she really has no way to say it.

Five years ago, she really can't remember at all. She doesn't know what happened to the old man Su Yihao said.

I just hope that what happened later is not what Su Yihao said.

She wanted to be clean and open in the face of combo north.

Bai nianxi hugs Kang Mobei's chest and feels the warmth from there. "It's OK. I'm just tired. Let's sleep. You've been tired all day."

Conmber didn't say any more and turned off the light.

Suddenly I feel the atmosphere in the room is a bit like that night five years ago.

When he got up the next morning, conmobei was still not with him. He still had his spare time in the quilt. Bai nianxi reached out to touch it and felt at ease.

Now, she can't wait to find out what happened five years ago.

But she knew too few clues, only Su Yihao, and Su Yihao can tell her, also told her yesterday.

If you want to know more details, I'm afraid you still need to talk to Su Yihao.

Just don't know, yesterday by Kang Xinyue back to Su Yihao, now how?
