

# 《Billionaire CEO Won't Leave》

## Chapter 220

Kangmobei's good-looking eyes narrowed. It turned out that he was putting the Kongming lamp.

"What wish?"

Lolo looks at conmobei and a plot comes to mind.

"Daddy wants to know, so he goes to help Lolo get it back, so that he can see it?"

"No look." Conmber's answer was cold.

Lolo seems to be very confident, "Lolo's promise is about daddy and Mommy's wishes."

.....

Kangmobei throws Lolo from the tree and hits him in the crowd. Lolo rolls from the ground, pats his ashes and stands up. He looks at the figure of kangmobei who is climbing up the tree.

Conmobei got the small lantern on the tree. When he took it back, the paper on the outside of the lantern had been scratched by the branches, but the words on it could still be seen.

It was Luo Luo who wrote it with a brush. There were only two words - "reunion."

There was a moment of absence in his eyes, and Bai nianxi's face suddenly appeared in his mind.

In a few days, their family will really be together.

Don't remember the past, it doesn't matter, when he took her and Lolo's paternity test report to her, she should believe it?

On the other side, the hotel room.

When Bai nianxi got up, she began to dress and wash. The company had a regular meeting at nine in the morning, so she had to arrive on time.

Bai nianxi doesn't have a private car. The company has sent a special car and a driver to send Bai nianxi to work every day. Now the car sent by the company has been waiting at the door of the hotel.

After finishing, Bai nianxi went downstairs, walked into the elevator and pressed the floor.

Ding, to the first floor, the elevator door opened, Bai nianxi went out.

All of a sudden, Bai nianxi's mouth was covered from behind, and he couldn't make a sound. A man's arm stretched out across Bai nianxi's neck, pulled her to one side and came to a place where there was no one.

"Well Well..." Bai nianxi is struggling. There are many people in the hotel hall. If she makes enough noise, maybe someone will notice her.

"Don't shout!" There was a deep male voice in his ear, with a sense of ferocity. Bai nianxi recognized that it was Su Yihao's voice.

Bai nianxi can't get rid of Su Yihao's confinement, so he seizes an opportunity and stomps his heel to the ground.

She was very accurate and stepped on Su Yihao's toes.

Because Bai nianxi is wearing high-heeled shoes, or thin heels, so hard, step on Su Yihao's instep, bring extremely strong pain.

Su Yihao feet eat pain, pain cry, a push away Bai nianxi.

Bai nianxi was held by Su Yihao, and he didn't stand firm. Su Yihao pushed so hard, Bai nianxi directly hit the wall, his forehead hit the wall, and made a dull sound.

Both of them were in the empty stairwell.

Su Yihao's face is red and his forehead is blue. Bai nianxi stepped on it too hard just now. Now he covers his leg and can't even walk.

Bai nianxi's eyes were full of stars, and his forehead was full of blood. It took him a long time to recover.

"What do you want to do?" Bai nianxi said sternly.

"What do I want to do? It's for you, of course. " Su Yihao clenched his teeth and his face was filled with hatred.

The bruise that Bai nianxi beat last night is still there, but Su Yihao has changed his clean clothes, and the three words "son of a bitch" written in lipstick on his face have been removed.

Bai nianxi stares at Su Yihao's face and finds that there are many bruises and redness on his face. He smiles, "Mr. Su, I didn't beat you so hard yesterday, did I?"

As soon as Bai nianxi says this, Su Yihao's eyes are more fierce. Most of the bruises on his face are not the result of Bai nianxi's beating last night, but the result of Kang Xinyue's taking him back.

He can understand it now. Kang Xinyue keeps saying that he wants to forgive him, but there is no day when he regards the past as never happened.

Once someone mentions it or she is in a bad mood, she has to go through the old accounts with him.

Yes, that's right. Kang Xinyue doesn't want to be with him, and doesn't let others bully him, but she is the only exception!

Since the discovery of his affair with Zhai Kexin, Kang Xinyue's temperament has changed greatly. As long as he is in a bad mood, he will vent his anger on him.

But he didn't even have the right and courage to resist! Can only passively bear Zhai Kexin's abuse!

Even after the fight, he didn't get rid of his anger. He knelt outside all night. When he got up in the morning, his knee was blue and swollen, and it still hurts!

And all this is given by Bai nianxi!

It's this cheap woman who ruined his supposed happy life!

Bai nianxi reached out and touched his forehead. It was warm there. When he took back his hand to look at it, his fingertips were bright red.

The voice was cold. "Well, if you don't come to me, I'll go to you too. Let's make it all clear." Su Yihao stares at Bai nianxi. After a long time, a gloomy smile rises from the corner of his mouth.

"Well, let's be clear."

Su Yihao suddenly reaches out his hand, pulls Bai nianxi and goes to the elevator.

Su Yihao is driving over, and the car is parked in the garage. Su Yihao pulls Bai nianxi into the elevator, directly down to the garage on the lower floor, and pulls Bai nianxi to his car.

"Where are you taking me?"

"Don't you want to make everything clear?" Su Yihao sat on the main driver and turned his head to look at Bai nianxi, "let's go to a place where there is no one. Slowly, make it clear."

Bai nianxi frowns and realizes that Su Yihao's mood may be out of control. He reaches for the door and wants to get off.

But the door had been locked by Su Yihao, and Bai nianxi couldn't get off at all.

Su Yihao stepped on the accelerator, adjusted the gear speed to the highest, drove directly and rushed out of the garage.

Su Yihao's car with two people is speeding along the road. Now, the situation is out of control.

But the more out of control in this moment, Bai nianxi instead appears more calm, she sat on the co pilot, to fasten her seat belt.

There must have been something happened to Su Yihao last night. Just look at the new bruises on his face, Su Yihao must not feel better after Kang Xinyue brought him back. Is that why he came to her in the morning?

Thinking like this, Bai nianxi gave a slight smile. Su Yihao turned his head with vigilance, "what are you laughing at?"

"Nothing." Bai nianxi smiles. Now, she doesn't want to irritate Su Yihao.

Su Yihao's expression is insidious, "warn you, don't make any other idea, this car, you can't get off."

Bai nianxi just nodded calmly, "now you can tell me, where are you taking me?"
