

《Billionaire CEO Won't Leave》

Chapter 223

In came a drunk man, whose suit was covered with lipstick.

The man looks about 40 or 50 years old. He has a fat beer belly. He's full of brains and intestines. It makes people feel sick just by looking at him.

Bai nianxi hasn't had time to react. The man has already narrowed his red eyes and walked over to Bai nianxi. He looks at the oily essence in Bai nianxi's eyes.

When the man pours on him, Bai nianxi, who is fumigated by the wine in his mouth, has a nausea. He dodges and runs to the door.

If you want her to accompany this man, you might as well let her die!

Bai nianxi opened the door and ran out, but the floor was too big. Bai nianxi didn't know where to hide!

Just like this, Bai nianxi suddenly sees a man in front of him. The man's back is tall and straight, revealing a kind of different handsome, just like Su Yian.

The man should have just returned to the hotel and was brushing the door of the room with his card. After the man opened the door and went in, Bai nianxi rushed in, pushed open the door that had not been closed by the man and dodged in.

Looking at the woman who suddenly appears, the sharp cold light comes out in the eyes of kangmobei like falcon. The cold in the eyes makes Bai nianxi feel cool all over.

"Who are you?" Kangmo north dialect with vigilance, indifferent face without a trace of emotion.

"I..." Bai nianxi hesitates and haws. I don't know what to say.

"What are you doing here?" Conmber asked again.

Bai nianxi swallowed his saliva. "I, I don't know how I got here. There's an old man over there. He wants to, he wants to treat me..."

Kangmobei narrowed his eyes and seemed to catch a trace of information from Bai nianxi's intermittent words.

"What are you doing here?"

"He's just outside, please, let me hide here, otherwise..."

"It's none of my business." Conmber's words sound cold and heartless.

White read Xi Leng Leng, didn't seem to think that so no temperature words unexpectedly from so handsome good-looking person mouth say.

There was a trace of impatience on his face. He didn't like too close contact with people, especially women.

So he took Bai nianxi's arm, opened the door, pushed Bai nianxi out, and mercilessly closed the door again.

It wasn't long before I heard a shriek outside. It was obviously the girl just now.

The scream lasted for more than a minute, and didn't mean to stop at all. Conmber was not a fussy person, and he never lacked compassion.

It's just that the sound is disturbing him.

So he opened the door and went out.

But I saw two figures on the ground, a man pressing a girl under his body.

Just now, Bai nianxi was thrown out by Kang Mobei, and she met the old man. She resisted for a long time, and was finally crushed by the old man.

Bai nianxi screamed, feeling desperate.

Commo north station not far away looking at, eyes are impatient look, really noisy.

What's more, it seems that this man is going to do something about this girl here?
What kind of man will be hungry and thirsty to be here

He walked over and kicked the old man. Kang Mobei had a lot of strength and directly kicked the wolf like old man away from Bai nianxi.

Bai nianxi, with tears on her face, got up in panic and ran to hide behind kangmobei. It seemed that she was not at ease. She stretched out her hand and hugged kangmobei's waist tightly.

The face of Kang Mo north is black, cold way: "let go!"

"No!" Bai nianxi sobbed and tightened his hoop. If he let go, what would he do if he left her?

Bai nianxi's clothes are thin, and now they are tightly attached to the back of kangmobei. With her sobs, the softness of her chest has been rubbing against kangmobei's back, bringing a strange feeling.

Conmobei's pupil is tight. He opens Bai nianxi's hand and throws Bai nianxi forward.

At that moment, the old colored man who was kicked to the ground by kangmobei got up from the ground again. When he saw Bai nianxi, he rushed forward with his eyes shining.

Seeing that Bai nianxi is about to be pushed to the old man's arms by kangmobei, somehow, kangmobei suddenly pulls Bai nianxi back and kicks him forward with one foot.

With a fierce leg wind, the old man was kicked far away by kangmobei.

At that moment, Bai nianxi's eyes on kangmobei only felt that his cold eyes were not only indifferent.

Kang Mobei is a little upset. He pulls Bai nianxi and throws Bai nianxi into his room.

After a while, Kang Mobei called people to come, led by Secretary Xing.

Secretary Xing took a look at the old man who was restrained. He was restless and should have been drugged.

Conmber squinted. "Get him a hooker." Bai nianxi is lying on the crack of the door, secretly watching. When he hears the words of Kang Mobei, he is stunned. Unexpectedly, Kang Mobei's eyes suddenly turn around and look at her.

Conmo North hook the corner of the mouth, and ordered: "find a sick prostitute."

Clearly is laughing, but sends out the endless chill.

Secretary Xing bowed his head and knew that the president of his family was not so kind.

After handling the matter, there were only two people in the room, Kang Mobei and Bai nianxi.

"Not yet?"

Without looking at Bai nianxi, he went directly into the room.

Bai nianxi thought about it and followed kangmobei into the room. Kangmobei thought that his cold words should have gone. He walked into the inner room and began to untie his shirt.

I didn't expect a sudden voice from behind, "ah - hooligan!"

Kang Mobei turns his head fiercely, and his eyes are sharp as a blade. But Bai nianxi doesn't see Kang Mobei's eyes, because she has covered her eyes.

I just felt a chill in the air.

Come here and watch him take off his clothes. As a result, he shamelessly scolds him as a hooligan???

Kangmo took Bai nianxi's wrist before going north. Kangmo pinched it tightly, and several white marks appeared on Bai nianxi's white and tender hand.

Kangmobei took away Bai nianxi's hand, forced her to look at herself and said coldly, "I didn't ask you to go away?"

Bai nianxi still closed his eyes and shook his head, "I won't go!"

"This is my room!"

"But it's so late. I'm dressed like this. If I go out, what's the matter?"

Kang Mobei sneered, "it's really..."

When Bai nianxi thought that kangmobei wanted to express his approval, kangmobei continued: "there is no self-knowledge."
