

《Billionaire CEO Won't Leave》

Chapter 226

As expected, kangmobei disappeared. A few days later, Bai nianxi went to the hotel to find kangmobei, but no one was found.

Su Yi'an came to Bai nianxi again and wanted Bai nianxi to give him the gift he had given her.

He once gave her a watch. The two thousand watch was the most precious gift Bai nianxi had received in her 18 years of life.

Originally, Bai nianxi didn't want to buy it, because it was too expensive, but Su Yian told her that she was worth wearing such a good watch.

Su Yi'an didn't have enough money. He only had a few hundred yuan. Bai nianxi made up for the remaining 1000 yuan with his own money.

Su Yi An said that he borrowed her money, but now, the money has not been returned, Su Yi an also wants to take back the watch.

It's ridiculous.

How did she fall in love with such a person?

Su Yi'an found Bai nianxi's door. After entering the door, he searched everywhere and almost took back the watch. He said, "it's not a waste for people like you to wear such a watch?"

This strengthened Bai nianxi's determination to find kangmobei.

She doesn't ask much. She just wants to appear in front of Su Yi'an by holding the hand of Kang Mobei, so that he can see that she, who is disgusted by him, can also be qualified to stand beside better people!

When people are blinded by hatred and unwillingness, they will unconsciously do a lot of extraordinary things, just like Bai nianxi decided to sleep in kangmobei. Now, she must find kangmobei!

In addition to working in the milk tea shop during the day, Bai nianxi went to the downstairs of kangmobei company in the evening.

Connobei was sitting in the car, looking through the window at the little figure outside the company. She had been looking for him downstairs for a month in a row.

Because she couldn't get in, she had to wait outside all the time.

Kangmobei saw Bai nianxi's head staggering around, looking for his figure, the corners of his mouth involuntarily hooked, such a stubborn person, he met for the first time.

With the dim light in the car, connobei finished reading the information about Bai nianxi.

She doesn't have any background, and it's unlikely that there are any unknown forces behind her.

She is just a very ordinary girl. If there is anything special about her, she is very poor.

Seems to have a boyfriend?

The information is not very clear. Bai nianxi's background is too simple and unobtrusive. Such a sense of existence makes it difficult for people to investigate too clear information.

In that case, why did she come to him?

Money?

Bai nianxi has been waiting for kangmobei for two months in a row. Kangmobei has been used to seeing the little figure looking around at the company gate every day after work.

But today, she didn't come.

Why?

Did she finally decide to give up?

She still didn't come to work the next day.

On the third day, I still didn't come.

Conmobei did not find that when he looked at the empty door of the company, he had a faint sense of irritability in his heart.

Finally, the fourth day after Bai nianxi disappeared, she finally appeared again.

Kangmobei didn't hold back. She went directly to the place where there was no one. She grabbed Bai nianxi's hand and dragged her to the place where there was no one. Kangmobei worked overtime every day. When he got off work, there was no one.

Dark eyes in the fog dense, people feel that can not see through, "hard to get, huh?"

Bai nianxi lowered his head and did not speak.

"Speak Conmber's voice was heavy.

A very low sobbing voice came. Conmber noticed Bai nianxi's twitching shoulder. Did she cry?

Cold voice way: "how?"

Bai nianxi raised his face, a tear mark on his pale little face, with eyes at a loss.

Choked: "I I'm pregnant... "

What?

Conmberg squinted. "You mean, mine?"

Bai nianxi nodded, sniffed and said, "the doctor said If you don't have an operation, it's not easy to do it when you are older But I have no money I don't have surgery Why don't you lend me money and let me do it first? "

Conmobei felt a lump in his heart.

She didn't come these days because she was pregnant?

And after she found out that she was pregnant with his child, her first reaction was to rush to get rid of the child?

She's here now to ask him for the operation fee?

"You know, if you want money, you can ask for more if you keep this child." Commo North said coldly, while observing Bai nianxi's expression, he wanted to know what

she thought.

Bai nianxi cried and shook his head, "I don't want money."

"What do you want?"

"I'm going to have an operation."

Bai nianxi's words make Kang Mobei upset. How many women want to give birth to him, but they can't even get his extra look, but she can't wait to do it? Bai nianxi sniffed. When she first heard the news, she was at a loss. She didn't expect that things would turn out like this.

The child came so suddenly that she couldn't accept it for a moment.

She's only 18 years old and she's never thought about having a baby.

What's more, even if she was born, how could she support her? How can she be responsible for her children if she can't support herself?

Surgery is the best way.

"How much?" Conmber picked his eyes.

"Two, two thousand."

She didn't really come for the money.

"After taking the money?"

Bai nianxi nodded repeatedly. She understood that she had watched TV. The meaning of this was to let her close her mouth and disappear completely after she took the money.

"I'll never come to you again for an operation. I won't tell anyone about it. Absolutely not!"

Bai nianxi even made a gesture of swearing with sincerity on his face.

She doesn't want to do anything else now. She just wants to finish the operation quickly and forget all this.

Conmobei's heart raised a restless feeling, damn, what he wants to hear is not these words at all!

"Want money? I can give it to you. "

"But no surgery."

.....

Bai nianxi is locked up by kangmobei.

"You are a prisoner!"

"It's a delicious and delicious prison," he said

"That's imprisonment, too! It's illegal imprisonment! I can sue you! "

"If you can get out of here, you can sue."

Bai nianxi has no way to take kangmobei. She has argued and quarreled, but in front of kangmobei, it doesn't matter at all.

Now she has no longer thought about suey an.

She is now being illegally imprisoned and forced to have children! How can you mind Su Yi'an?

Fortunately, kangmobei is not stingy. Everything she gives her is the best. She eats well, drinks well and sleeps well. Every day, the doctor comes to check her on time. The baby in her stomach is also healthy.

Kangmobei comes to see Bai nianxi every day. He doesn't stay long. Sometimes he just sits for two minutes, asks about the situation and leaves. But he still comes every day.

Since Kang Mo Bei Qiang locked Bai nianxi up and forced her to have a baby, although Bai nianxi slowly accepted the reality, he was more and more dissatisfied with Kang Mo Bei.
