

《Billionaire CEO Won't Leave》

Chapter 23

Just about to explain, Bai nianxi feels wrong again. Is it necessary to explain to him?

"It's none of your business."

Doesn't it matter? What's her attitude?

Kangmobei's eyes sank a little, with the meaning of punishment, put his lips close to Bai nianxi's ear, gently grinding, "how does it have nothing to do with me? Bai nianxi, don't forget, I'm your employer. "

Bai nianxi frowned, the employer? So employers can meddle? Just as he was about to retort, he heard conmober whisper in his ear: "in the future, I won't allow you to associate with other men in private."

What kind of despot treaty is this? Isn't conmberg too much?

Bai nianxi was so angry that she said something that she regretted for a long time, "I don't want you to take care of me!"

Kangmobei's face trembled, and his hand moved down to his waist. He imprisoned Bai nianxi so tightly that she couldn't move at all. His hand began to walk around and strip Bai nianxi's clothes.

"What are you doing?" Bai nianxi is worried. It's in Luo Luo's room. Luo Luo is still sleeping nearby!

"You." Conmobei replied with no expression, and his hand never stopped moving, "you have nothing to do with me."

Rascal! Bai nianxi broke free, and found that she couldn't break free at all. She was about to be stripped by commo Beituo, and she had to bow her head because of her sense of shame! I have something to do with you! Conmber, stop it

As expected, kangmobei stopped. Bai nianxi was so angry that she recognized her

advice. Is that ok?

Originally, he just wanted to force her to admit his relationship with her. However, with his eyes slightly narrowed, he looked at the bright and white back of the woman in front of him, the beautiful butterfly scapula, and the ambiguous luster under the purplish light. Some impulse in his body began to be eager to try.

Take off your suit and roll Bai nianxi. Kangmobei carries Bai nianxi up. Bai nianxi beats kangmobei's back, "kangmobei! What are you doing

Come to own room, Kang Mo north will Bai Nian Xi a throw on the big soft bed, "I didn't say earlier, you."

Bai nianxi pulls up the quilt to cover himself, and angrily looks at Kang Mobei, who is methodically releasing his shirt, "didn't I also say that! It has something to do with you! It matters! "

"Well." Conmo North eyebrow pick pick pick, bully body forward, "now is to do with me have a relationship with you."

.....

Conmobei, you are shameless!

When Lolo woke up the next day, she was surprised to find that her mother, who should have been sleeping by her side, had disappeared! On the ground not far from the door of the room, there is a stall of mummy's clothes!

Sleeping partner was robbed, and experienced Lolo quickly responded. He ran to the door of kangmobei's room with bare feet, and beat the door with hands and feet, until kangmobei opened the door with a gloomy face.

Luo Luo wants to push away Kang Mobei's leg and run inside. Kang Mobei is standing at the door like a wall. Luo Luo can only plug Xiao Pang's hand into Kang Mobei's leg like a needle, waving and shouting: "Xiao Xi! Xiao Xi

It was not until Bai nianxi came out dressed that Lolo, the hero who saved America, finally gave up.

After driving his father out to work, Luo Luo begins to get along with Bai nianxi alone, without the interference of Kang Mobei. This is a fairy tale world.

"Lolo, watch it. Take the pen like this..." I don't know that Luo Luo has painting skills. Bai nianxi teaches Luo Luo from the beginning and explains all the points that need to

be paid attention to.

Luo Luo's expression is satisfied, and he is intoxicated in Bai nianxi's gentle voice and warm arms

"Miss White." There was a knock outside the door. Bai nianxi opened the door and a maid stood at the door. "Miss Bai, a man who claimed to be a young master's painting teacher, came to see Mr. Kang."

Someone who claims to be Lolo's painting teacher? That's Jenny?

But at that time, kangmobei clearly refused her to be Luo Luo's teacher. What did she come here for?

After Luo Luo is settled down, Bai nianxi follows the maid downstairs. Waiting at the door, Jenny has entered the door, walked to the sofa and sat down with a provocative posture. Her face is a well-designed charming and gorgeous smile.

It was Bai nianxi who saw it. For a moment, a very complicated expression appeared on Jenny's face.

Originally, she thought that the servant told her that combo North was not at home, but just refused her. Later, the servant said that she would go up and report it. She thought combo North must be at home, but she didn't expect that it was Bai nianxi.

Bai nianxi is at home in kangmobei? Or does it exist like a hostess?

"Miss Jenny?" Bai nianxi took the lead in saying, "are you looking for Mr. Kang?"

The smile on Jenny's face subsided. "Is Moby really not at home?"

Bai nianxi nodded.

"Then I'll be here and wait for Moby to come back," said Jenny Then he picked up the tea which the servant had just poured on the tea table and began to drink it.

The visitor is a guest. Besides, she has no right to be in charge of the guests of conumber. "Then miss Jenny will sit here first. I'll go up and teach Lolo how to draw." Then he turned and went upstairs. Looking at Bai nianxi's back, a subtle light flashed in Jenny's eyes. Therefore, Bai nianxi really took over the position that should have belonged to her?

When it's time for lunch, the servant knocks on the door to greet Bai nianxi. Seeing that Jenny hasn't left downstairs, Bai nianxi sends her lunch upstairs.

In the afternoon, he was still painting in the room. Bai nianxi assigned Luo Luo his homework. After painting, Bai nianxi took it to check. He was checking it. Suddenly, someone knocked at the door, thinking it was a servant who came to deliver tea and snacks. Bai nianxi went over and opened the door without asking.

Standing at the door, Jennie saw the paper in Bai nianxi's hand. She took it and looked at it. She looked a little arrogant. "Jinchuan just painted it?"

Before Bai nianxi could react, she heard Jennie say, "it's a good painting, but why do you want to teach Jinchuan this basic brushwork?"

Jennie knew that Ji had supervised Lolo for a period of time, and Lolo's basic skills were already very good at that time.

"Lolo is still young. I hope he can get a solid foundation first."

Hearing Bai nianxi talk about Lolo, Jenny has a feeling of being excluded. So he also called up Lolo's nickname, "Lolo, his basic skills are very good. It's a waste of time for you to teach him this. Now you should teach him more advanced writing skills."

"It doesn't matter." After hearing their conversation, Luo Luo jumped down from the bench and went to Bai nianxi. Standing on tiptoe, he put Xiao Pang's hand into Bai nianxi's hand. "I think Xiao Xi teaches very well."

Jenny took a look at Lolo, as if she didn't understand the meaning of Lolo's words, and continued: "Mo beige, please teach Lolo, not to make you lose people's children. If you don't have enough ability, I advise you not to take over this important task, and finally fail to live up to Mo Beige's expectations."

This woman really has a thorn in her tongue.

Stop Luo Luo who still wants to speak, Bai nianxi invites Jenny to one side to talk alone.

"Miss Bai, do you have a problem with what I said?" Jenny raised her eyebrows without any sign of cowardice.

"No problem." Bai nianxi shakes her head and stares at Jennie's face. "It's just that Miss Jennie seems to have a strong confidence in her own strength? If Miss Jenny is so confident and powerful, why steal other people's paintings? "
