

《Billionaire CEO Won't Leave》

Chapter 234

"What am I then?" Lolo angrily waved his fist and roared.

Conmo North staring at the car, casual way: "you are an accident."

Yes, it was a wonderful accident.

Fortunately, there was an accident.

After watching kangmobei take Luoluo out of the ward door, Bai nianxi's originally rising mouth slowly flattened, and the warmth on his face like the spring sun in March gradually disappeared. Instead, it was a bone deep indifference.

How can she forgive what happened five years ago?

Su Yian, no, he should be called Su Yihao now. He once betrayed her, cheated on Kang Xinyue, spoiled her as an object to other men, and tried to kill her again and again.

And Jiang zhiang, from the very beginning, was hostile to her approach, but she didn't find out and believed Jiang zhiang's provocation. Later, Jiang zhiang took her abroad, separated her from Luo Luo, and made her lose this most important memory.

What does he want?

Why did he take her and why did he stay with her?

This is what Bai nianxi couldn't understand.

It's three days since the accident. I don't know how Su Yihao is now.

Let's settle the accounts between us from now on.

After sleeping for a long time, Bai nianxi didn't want to sleep. The ward was very quiet. For a moment, he couldn't find anything else to do. He could only sit at the head of the bed and recall the things five years ago.

A lot of things, I don't feel it when I experience them. On the contrary, when I review them with the situation of recollection, I can see many things more clearly.

For example, at that time, komorbei was actually very good to her.

Just thinking about it, a figure suddenly appeared outside the ward. I couldn't see who it was, but the figure was tall and slender. I could see it was a man.

The man seems to be hesitating outside the door, hesitating whether to come in or not. Bai nianxi simply asks: "who is it?"

Hearing Bai nianxi's voice, the figure froze for a while, then pushed the door and came in.

It's musili.

Bai nianxi sees Mu Si leave Leng Leng, "Mr. mu?"

After coming in, Mu Si came to Bai nianxi, and her eyes fell on the gauze wrapped around Bai nianxi's forehead.

As early as three days ago, he had heard that Bai nianxi had a car accident. Even if kangmobei deliberately concealed Bai nianxi's movement, it was not difficult for him to find Bai nianxi.

He had come once in three days, but he saw that kangmobei had been staying by the bed of Bai nianxi. After a while, he went back.

I heard that Bai nianxi woke up today, so I came to have a look.

"I heard you had an accident. I'll come and have a look."

Bai nianxi said with a smile, "Mr. Mu has a heart. I have no big problem."

Mu Sili looked at Bai nianxi's face. Bai nianxi's face was still a little pale, which made him feel sad.

"It's OK."

Bai nianxi looks at Mu Sili and feels that he has nothing to say.

The men around her, Su Yihao and Jiang zhiang, are now on the opposite side of her. Shen Hedan is mysterious and does not know whether they are good or bad. In

addition to Kang Mobei, it seems that only Musili has no malice against her.

But there is always a vague sense of distance between her and Musi.

She can feel that Musi Li seems to have a special liking for her, but at the same time, he is also suppressing his inner feelings and never embarrasses her.

Musi looked at Bai nianxi and felt that Bai nianxi had changed a little.

The last time he announced his wedding news was seven days later. Now four days have passed. If he guessed correctly, Bai nianxi will marry him in three days.

He just looked at her happiness like this.

"Miss Bai, may I ask a more impolite question?"

Bai nianxi nodded, "Mr. mu, please."

"Lolo, is that your child?"

I don't know why Mu Sili suddenly asked this question, but Bai nianxi didn't want to hide, "yes, I'm Luo Luo's mother."

Musili chuckled, "it seems that Miss Bai is a woman with a story."

The tone of Musi Li's voice is relaxed, and Bai nianxi doesn't feel offended. In fact, sometimes, being with Musi Li has one advantage, that is, being relaxed.

"Then I won't disturb Miss Bai's rest." After saying goodbye to Bai nianxi, Mu Sili walked out of the hospital.

Just out of the hospital, I received a call from mu Rushun.

"Brother, Bai nianxi, she's awake, isn't she?"

"Well." Mousse left standing in the sun, with a smile on his lips. The sun was golden all over his body, sending out a strong warmth.

Can hear Mu Sili's mood is also good, mu Rushun's voice some sink down, "brother, do you know Kangmo north three days later, who to marry?" Mousse squinted. "I know."

"Who?"

Mu Rushun's tone suddenly rose, which was her most concerned thing. She suspected Bai nianxi, but she was not sure. Now she was excited when she heard Mu Sili say that.

"What do you say?"

Mu Rushuang paused for a while and then said, "Bai nianxi?"

Musi Li did not answer, went to his car, opened the door with one hand, sat in, and the voice of Mu Rushan came from the phone, "Luo Luo's mother, is Bai nianxi?"

Moussili looked out of the window. It was the location of the hospital building. Bai nianxi was in one of the rooms.

Will look back, seems to be meaningless way: "give up, komorbei, doomed not you."

Mu Rushuang only felt that his whole heart was shaken by this sentence.

It is clear that she has been so many times, and she is close to the north of Como!

But because of the existence of Bai nianxi, she will always fall short of success!

"Listen to me, there are so many good men in the world. Why should we stick to this one?"

Mu Sili said it was easy, but mu Rushuang sneered, "it's easy for you to say, but can you do it?"

Musi from the corner of the mouth hook up, can't do, also should let oneself do.

"I won't tell you. I have a party tonight." Then he hung up the phone, stepped on the accelerator and galloped away.

Mu Rushuang's eyes gradually generate anger, a hand of the mobile phone fell to the ground, no, she will never be reconciled!

In the evening, kangmobei took Lolo to the hospital again.

Bai nianxi frowned. It was ten o'clock in the morning when he went back to the north. Now it's seven o'clock in the evening. He had been sleeping for only nine hours.

"Why are you here so early?" White read Xi some complain of say.

"To accompany you, of course." Although he had only had a few hours' rest, conmobei was radiant now. Luoluo didn't want to come out as soon as he saw Bai nianxi like a

radish in a pit.

"The company should have accumulated a lot of affairs in recent days, right?" When I became the president, I knew the terrible position.

After only a few days, she was overwhelmed by busy meetings and mountains of papers, not to mention the big business empire of Conrad group.

I'm afraid there are tens of millions of financial affairs to be dealt with in three days.

Conmber just laughed, "you don't matter."
