

《Billionaire CEO Won't Leave》

Chapter 235

The nurse came in with a medicine tray in her hand.

Bai nianxi has a lot of friction injuries on her body, so she needs to change the medicine in time. The nurse asks her family to avoid them. Luo Luo is reluctant to climb down from Bai nianxi's arms.

Conmobei took the medicine plate from the nurse and said, "I'll take it."

In addition to Bai nianxi, kangmobei's expression to anyone else was cold and terrible. At this time, kangmobei said so, and the nurse didn't say anything. She put down the medicine plate and left.

Luo Luo ran back to Bai nianxi's bedside again, "I also want to help mummy change her dressing."

"Men and women are not compatible." Commo north cold road.

"Then why can you?"

"If I don't, you're gone."

What Kang Mobei said seems very normal, but the uncertain ambiguity in his voice still makes Bai nianxi blush in front of the child. Isn't that good?

Lolo snorted and went out in a huff.

When we got to the door, a pair of proud long legs suddenly appeared in front of us, blocking the way.

Lolo was about to look up, but his collar had been lifted up and hung in the air.

Shen Hedan squints at xiaotuanzi in front of him, and finds that xiaotuanzi is also looking at him with alert eyes.

"You are Lolo?"

Luo Luo stares a pair of small round eyes, does not answer.

Shen Hedan admires his little nephew selfishly, with a very satisfied look on his face. His little nephew is really smart and lovely, which makes people love him.

I really want him to call him uncle.

But now is not the time.

In front of the man, Lolo did not know, never met, but somehow, he always felt a sense of inexplicable familiarity, look in the eyes, do not feel disgusted.

Luo Luo glares at Shen He Dan, "still don't put me down?"

Although he is a small man, Luo Luo's serious look is somewhat like the charm of kangmobei. Shen He can't help but see the air of a natural king.

He turned to Jin Ting beside him and said, "do you have the momentum of my Shen family?" There was a show off in the tone.

Jin Tingli said: "yes, it's carved in the same mold as you, young master."

The surrounding air condenses.

What seems to be wrong with this?

Shen Hedan twisted his eyebrows. "Next time you talk like this, I'll wring your tongue down."

King Ting felt his mouth and shivered. This was good. The horse was patted on the leg. But I feel very aggrieved. People say that nephew looks like uncle.

Luo Luo frowned and disdained, "what Shen family, I'm Kang!"

Young master, does this mean that the Shen family is inferior to the Kang family?

Jin Ting doesn't dare to talk any more. Shen Hedan's temper is clear. The young master has made Shen Hedan's taboo by saying this!

Sure enough, Shen Hedan narrowed his eyes and gave out a sharp cold light in his eyes, but he didn't like naluoluo. Although it was not pleasant to hear, who said it was his lovely nephew?

The other hand reached out, rubbed Luoluo's head and melon seeds, and said in a soft voice, "dear, one day, you will find that the Shen family is no worse than the Kang family."

Luo Luo is dissatisfied with Shen Hedan's rubbing his head.

He doesn't like other people touching his head, except for Mommy, but how can this man always touch his head like Mommy?

"Let go of me!"

Shen Hedan smiles, holding Lolo's collar in his hand suddenly loosens, and Lolo falls down from the air. Before he can react to anything, Shen Hedan reaches out his other hand and holds Lolo's collar firmly.

Wow, my nephew is the funniest.

Looking at the smiling expression on Shen Hedan's face, Luo Luo's face turned black. Gao Leng said: "naive."

"Be childish, be childish!" Shen He Dun said, while carrying Luo Luo dangling.

This little ball is really more and more lovely.

In the ward, kangmobei has changed the medicine for Bai nianxi and came out with the medicine tray.

The sound insulation here is very good. Shen Hedan and Luo Luo did not hear the conversation outside.

When he came out, he saw the man holding his son in his hand and playing around.

The face of Kang Mo North instantly cold go down, "Mr. Shen?"

"Is Mr. Kang out?" The smile on Shen Hedan's face converged. Seeing that Kang Mobei's eyes fell on Luo Luo in his hand, he handed Luo Luo over.

It's like a child sharing a baby's toy.

Kangmo north is cold and cold, and doesn't reach for it. However, Luo Luo grabs Kangmo North's collar and climbs to Kangmo north.

Shen He tut said, "what does Mr. Kang think of me like this?"

Conmobei's face didn't move, and he said, "Lolo, go find mom."

Lolo, like a little koala, climbs down from kangmobei and goes back to the ward to find Bai nianxi. "Mr. Shen, let's have a chat."

Shen Hedan picks his eyebrows. It seems that Kang Mobei has something to say to him.

The two men came directly to the roof of the hospital. Jin Ting was guarding the door to prevent eavesdropping.

It's a typhoon on the top of the building. Two men in stiff suits are standing in the wind. The wind is rolling around and hunting and flying. Conmobei and Shen Hedan are standing opposite each other.

"What's the purpose of your approach to Bai nianxi?"

Shen Hedan hooked the corner of his mouth, "what else can it be for, of course..."
Shen Hedan deliberately stopped and said, "for the sake of people."

As soon as the words came out, the wind on the roof was chilly.

Just in the ward to change the dressing for Bai nianxi, Kangmo North asked Bai nianxi about Shen Hedan, but Bai nianxi said that in her previous memory, she did not know this person.

So, who is he?

What does it mean to come for people?

Kangmo looked at Shen Hedan, his eyes slowly exuded gloomy breath, suddenly said: "who are you?"

Kangmobei has determined that there must be a relationship between Shen Hedan and Bai nianxi.

Maybe it's a more intimate relationship that no one knows.

Shen Hedan chuckled, reached into his chest pocket, took out a box of cigarettes and smoked a fulcrum.

With a flue in his mouth: "you are really curious. Didn't I tell you when I should?"

"I want to know now." Kangmobei has a cold voice.

"If I don't?"

"I will not let anyone of unknown origin stay with her, nor will I let her face any threat." Kangmobei stares at Shen Hedan coldly, "so, if you don't say..."

"Just what?" Shen Hedan's words are quite provocative.

Kangmo North suddenly step forward, grasp Shen Hedan's collar, quickly move a few steps, and force Shen Hedan to the guardrail of the building.

Coldly way: "that you die."

With that, he heard the sound of loading a bullet. Conmber slightly turned his head and saw that King Ting was holding a pistol in his hand with the muzzle facing him.
