

# 《Billionaire CEO Won't Leave》

## Chapter 236

"The gun?"

Kangmobei stares at Shen Hedan, as if there are clouds floating in his eyes.

"It's the Shen family."

Shen's family is not in a serious business. Part of Shen's industry is in the open market investment, and the other part comes from the huge black market transactions in the world.

In this world, there are many rich, in addition to the obvious rich, more are those invisible rich.

Their daily wealth is just the tip of the iceberg of their real strength.

Shen family's tentacles are all over the world, and they have been living in the United States for many years. Therefore, it's not surprising that people around Shen are carrying guns at any time.

I just don't know what brings Shen Hedan to China?

Shen Hedan's smile didn't abate. He waved his hand to Jin Ting and said, "what's the matter with this sword and crossbow?"

He really likes the character of conmobei. He has the strength and confidence to support his strong hegemony. This kind of person deserves to be his brother-in-law.

King Ting hesitated to let go of his gun. He had heard of the name of conmobei, and he was also a ruthless character. In this situation, he could not rest assured.

So although the gun was put down, it was always ready to be lifted up.

"All my men have fired. Are you still loose?"

Without looking at Jin Ting, he said coldly, "throw it away."

Shen Hedan takes a look at Jin Ting, who throws his gun out.

"That's all right?" Shen He Danzhao was smoking with a relaxed manner.

Kangmo North slowly released Shen Hedan's collar, and his eyes were still cold.

Shen Hedan sighed, "I wanted to hide it, but now I can't hide it."

"Just call me big brother." Shen Hedan finished and patted Kang Mobei on the shoulder, with a hint of taking advantage.

His younger sister is so proud that she abducted him back to be his brother-in-law. It's really nice to think that she can call him big brother.

Kang Mo North brow more and more Cu tight, Shen He Dun's meaning, is to say?

How is that possible?

Noticing Kang Mobei's look, Shen Hedan twisted his eyebrows, "why, don't you believe it?"

Kangmobei didn't speak. Shen Hedan didn't have to cheat him on this matter, and there was no reason why he had to go up with Bai nianxi.

It's no wonder that Shen Hedan always had a strange feeling before. Now, Shen Hedan's eyebrows are similar to Bai nianxi's.

"Why hide it?"

Shen He Dun vomited a cigarette ring, "this can't tell you, I hide, naturally have my reason, I also hope, this matter, temporarily won't have a third person to know."

Conmber glanced at King ting.

Shen He Dunman said thoughtlessly: "he doesn't count."

.....

Jin Ting hung his head. Shen Shao meant that he was not human?

Kangmobei didn't say anything more and turned to leave. Shen Hedan waved his hand behind him, "brother-in-law, remember to call me big brother later --"

kangmobei continued to disappear in Shen Hedan's sight without looking back.

When comms left North, Jin Ting quietly went to one side, picked up the pistol on the ground and put it back in his arms.

Shen Hedan had finished smoking his cigarette. He threw away his cigarette end, looked at the sky and said, "what about Su Yihao?"

Jin Ting shook his head. "Not awake yet."

Shen Hedan sighed and didn't wake up? In front of a person who is unconscious, how can this play?

"Or just kill it?"

Shen Hedan glared at Jin Ting. "I know how to fight all day long. What does it look like?"

"What do you mean?"

"Do you know what life is like death?" Shen Hedan squints at Jin Ting. The chill in his eyes makes Jin Ting tremble.

Shen Hedan has never been soft handed.

In the evening, after a while with Bai nianxi, kangmobei went back with Lolo.

Now that he knows the relationship between Shen Hedan and Bai nianxi, he doesn't have to worry too much about Shen Hedan. The hospital is guarded by Shen Hedan's people, so Bai nianxi won't have any problems.

Conmber first sent Lolo home, and then went to the company.

Secretary Xing has been walking on the edge of sudden death. When he sees Kangmo coming from the north, a pair of pandas' eyes shine sharply.

That is the desire for life, that is the call for hope!

Kang Mo North light glanced at Xing secretary one eye, said: "go back."

Secretary Xing, if facing amnesty, sent the documents back to kangmobei's desk. In a few seconds, they disappeared.

Conmobei sat on the president's chair, slightly stunned, as if thinking about something.

Late at night.

The door of the office was suddenly pushed open. Kangmo North vigilant look to the door, see the person is mu Rushuang.

Mu Rushuang asked Secretary Xing about Kang Mobei's whereabouts. When she knew he was in the office, she found him.

Mu Rushuang seems to have cried, and her eyes are red.

"What's the matter?" Conmobei's brow was slightly wrinkled and his attitude was a little cold.

After this wave of things, his feeling for mu Rushan is not the original kind of simple respect, he began to feel her ambition and greed for him.

Besides Bai nianxi, he didn't like to see this ambition and greed in any other women.

"I'll see you." Murushuang also carried some snacks and hot drinks in his hand. "I heard that you haven't had a good rest for several days. Why don't you have a rest today?"

"No harm." Kang Mo North Light answer a.

Mu Rushuang sat down on the sofa, and kangmobei didn't stop her work because of her arrival.

After a long time, mu Rushuang said: "Mo beige, do you know? Sometimes, I hope we can go back to the past. "

In the past?

Conmber looked up.

Mu Rushuang continued: "back at that time, we made heart to heart with each other, and talked to each other from the bottom of our hearts, as well as those who could not be distressed by the external humanity."

Mu Rushuang said, while paying attention to the expression of Kang Mobei.

Sure enough, after she finished this sentence, the cold expression of conmobei was relaxed.

People are people who live in stories and memories.

If there was ever such a special person in life, then other people would become people.

It doesn't matter whether that person is her or not. The key is that someone thinks it's her.

"At that time, Mo beige, were you still in college? At that time, you may not be as cold as you are now, and you may occasionally smile on your face. "

Unlike now, only when you are faced with Bai nianxi, will the corner of your mouth rise.

Mu Rushuang said many things, most of which were at that time. When Kang Mobei thought about it, he began to feel that his memory became a little fuzzy.

It's already winter. It's very cold in the winter night. The heating is turned on in the office of Commodore north, but when you look out of the window, you still feel the piercing chill through the dark night sky.

The coffee bought by Mu Rushuang gives off the hot air, with the aroma of bitter coffee.

Mu Rushuang bought his favorite American coffee.

Conmber reached out, took the coffee cup on the table and took a sip.

Mu Rushuang also said a lot, arousing many memories of Kang Mobei. She didn't mention the specific contents of their letters. She just said something that the bookstore owner told her.

In fact, the past, for him, is just the past.

Mu Rushuang said so much, which made him doubt, so he asked, "do you remember what I told you?"
