

Billionaire CEO Won't Leave

Chapter 238

Small as Lolo is, he has a clear mind.

Kangmobei has set up guards around here. It's impossible for ordinary people to get in without guards. Shen Hedan's ability to get in shows that he is not an ordinary person.

The most important thing is that Lolo doesn't seem to hate Shen Hedan, and even has a natural affinity with him.

Children's intuition is very sharp. They will intuitively feel who is good and who is bad.

Although Shen Hedan's origin is unknown, he is not a bad person for Luo Luo, so he has not been called before.

"Don't do anything. Your family is so big. I'll look around." Shen Hedan stepped back and went back to the room. He bowed to Lolo and said with a smile, "look at your daddy, do you have a golden house?"

"No!" On hearing this, Lolo immediately became excited.

He doesn't like that daddy has other women around him, even if they just talk about it!

As soon as Luo Luo was amused by him, he finally had a mood other than indifference. Shen Hedan thought it interesting and became more energetic.

"Who knows." Shen He delay back hand, "I have to see just at ease."

Luo Luo pedals to run to Shen Hedan, opens two small hands to stop Shen Hedan, "don't look."

Shen Hedan bent down and picked him up by the collar. "I want to see it."

Luo Luo stares at an eye, in a pair of round eyes will gush out fire to come, show a tooth to grin a way: "I say not to be sure is not allowed!"

Shen He Dun is more energetic, "you stop me like this, can't you really have it? Baby, you can't do this. How can you help your dad hide women? You should help Mommy get rid of those butterflies. "

This

"There's no one else at home. I watch it every day." Lolo is serious, "Mommy is so good, daddy doesn't like other women at all."

Looking at the lovely Luo Luo defending Bai nianxi and Kang Mobei, Shen Hedan has to admit that his uncle is a little jealous.

Squinting, he said, "that's not necessarily. Not at home doesn't mean the company doesn't. did your dad go to the company tonight? Haven't you come back yet? He's not sure what he's doing in the company now. "

Lolo snorted, "Daddy is working, of course." Seeing the expression of "who knows" on Shen Hedan's face, he felt a hatred in his heart and stamped his foot: "if you don't believe it, go to the company and have a look."

Shen Hedan shook his head at the thought of Kang Mobei's face.

If conmobei knew that he had come to century manor in the middle of the night to look for Lolo, and had provoked a dissension against him, it would be difficult for them to manage their relationship in the future.

Wave a hand way: "forget it, see in your face, I reluctantly believe him once."

The word "reluctantly" kindled Lolo's indomitable fighting spirit, raised his head, and his young face was unswerving.

In the end, Shen Hedan came to the company.

There was no one else in such a big company except the security guard on duty. Because Luo Luo had been here several times before, the security guard was also deeply impressed by the lovely and noble Bai Yu Tuan Zi. This is the young master of general Kang's family. He knew him, so he let them in.

Luo Luo directly pulls Shen Hedan into the elevator, and then reports the floor of the North Office of Kangmo to Shen Hedan. He is very unconvinced and says, "hum, you can watch it later."

Shen Hedan touched his nose and was thinking about how to tell Kang Mobei later.

"Hey, I've turned your son around for you!" Or "I'll see if my brother-in-law's cheating."?

Just thinking, when the elevator door opens, Luo Luo pulls Shen Hedan out and comes to the door of Kangmo North office. Luo Luo reaches out his hand to push the door of the office. Shen Hedan straightens his face and strives to face Kangmo north with the best face.

But after opening the door, no one thought of it.

My God, they caught the traitor?!

Luo Luo only felt that after seeing a piece of white flowers, his eyes suddenly turned black. Shen Hedan reacted and covered Luo Luo's eyes with his hand.

Mu Rushuang was startled by the sound coming from the door. She turned her head to look at the door, just looking at Shen Hedan.

Mu Rushuang just peeled herself naked, and when she went to the body of Kang Mobei, Shen Hedan showed up at the door with Luo Luo.

At the moment, mu Rushun's body is completely naked, and the important parts are not covered at all, because there is no time to react, so he stands naked in front of Shen.

There was a moment of silence in the conference room.

Then burst out the scream of murushuang, murushuang side scream, while quickly picked up the ground was taken off her clothes, randomly covered in the body, looks a little embarrassed.

Has been lying in the chair of the president of the north as if this voice noisy, eyebrows unconsciously wrinkled.

Shen Hedan seemed very calm, but he just picked his eyebrows slightly. His eyes immediately left the naked mu Rushun and fell on the sleeping Kang Mobei. Everything seems very clear.

Lolo was young. He didn't know what was in front of him. But when he heard the woman's scream, his little head began to explode.

There are women!

Luo Luo desperately wriggles his body to tear Shen Hedan's hand off his face, but

Shen Hedan's hand is wide and big. He covers Luo Luo's face and directly covers his whole face. With great strength, Luo Luo can't tear it off at all.

So he took a bite and bit Shen Hedan's hand.

Shen Hedan looked at everything in front of him, and his eyes slowly oozed bloodthirsty killing intention. Before, he dared to do this to his women, and they all died.

I didn't expect that kangmobei fell into this kind of pit.

A burst of numb pain came from his hand. Shen Hedan gathered the momentum of his whole body. The other hand patted Lolo's head. His voice sounded careless, "Hey, you belong to a dog!"

Luo Luo can't see this situation that children are not suitable for. Shen Hedan just hugs Luo Luo out and closes Luo Luo out of the office with his backhand. He can't let Luo Luo beat him.

Mu Rushun's face was as red as blood. He bit his lips and didn't dare to look at Shen Hedan.

She didn't lock the door when she came in. After all, it's so late that no one will come again. Unexpectedly

Shen Hedan is also a man who has seen the world. This kind of scene is nothing to him. His eyes fall on Mu Rushan's body and look at him, "where did you come from?"

Mu Rushuang grasped the clothes on his body, gritted his teeth and said: "who are you? What are you doing here? "

He ruined her good deeds and put her in such an embarrassing situation!
