

Billionaire CEO Won't Leave

Chapter 239

"If I don't come here, now you..." Shen Hedan deliberately hesitated, glanced at kangmobei, whose suit coat had been stripped off and his shirt was wide open, revealing his strong chest, "don't you want to smear kangmobei?"

Shen Hedan's words were scornful and sarcastic, and his face was red again. He was angry and unwilling to say, "what are you talking about?"

Dirty?

"Isn't it?" Shen He Dun brow light pick, "difficult not to become you still want to say, is you two love each other not to become?"

Mu Rushun doesn't know Shen Hedan or who he is, but listening to his voice and the meaning of his words always makes people feel that he is familiar with kangmobei, and even has a desire to maintain kangmobei.

Now in this case, a discerning person can see clearly, mu Rushuang can't argue.

Mu Rushuang blushed and was ready to die of shame and indignation. "What does this have to do with you? Not yet, let's go

Shen He stood in the same place in his spare time and said, "why, do you think I'm hindering your work?"

Shen He has lived for more than 20 years, and only recently has he unlocked a new attribute, namely sister control.

Younger sister's man, as an elder brother, can't tolerate others.

"It doesn't matter. You can continue. Don't stop your action just because I'm here."

Shen He Tan glared at mu Rushuang, and the ridicule in his words was even worse, "anyway, the person who can do this kind of thing should be thick skinned to the point of invulnerability, right? What's sleeping in public? What's more, I'm the only one in the audience here. "

Shen Hedan's words were full of ridicule and disdain, and his face couldn't hang on.

She had never been so humiliated in her life! But today, here, she has lost face!

Kangmobei's brow frowned again, and his head moved slightly. He didn't drink much coffee, and the effect was not very heavy. It seemed that he was about to wake up.

Mu Rushuang is still standing here, still naked, just holding clothes to see the important parts.

Looking at the past, it's tempting and embarrassing.

Shen Hedan said with a smile, "it seems that Mr. Kang is about to wake up. What's your plan? Don't you implement it soon? Otherwise, there will be no chance. "

Mu Rushuang is almost ashamed to cry out, she would rather face the accusation of a burst of abuse, and there is no such strange irony that makes people feel uncomfortable.

Tears in the eyes have begun to fall, mu Rushuang with clothes turned and ran into it, found the shelter, quickly put on, and then picked up the bag and ran out.

When kangmobei woke up, he felt a chill in his chest. Then he heard Shen Hedan's voice.

"No fight, no fight. He's your father!"

"For my face, take it easy, take it easy."

"Well, well, don't fight any more! If you have anything to say, sit down

"Good, obedient, calm, calm is a virtue."

.....

And Luo Luo, is half squatting in the ground of Shen Hedan's arms fluttering, Shen Hedan two hands block waving fist, the whole body a set of revenge posture Luo Luo, mouth constantly to persuade.

"Let me go! I'm going to fight him! " Lolo was flapping and shouting.

"That's enough. Be sensible. It's not good to shout, fight and kill."

Shen Hedan pulled Lolo, who ran out with all his strength, back. He caught a glimpse of kangmobei on the seat and said: "Yo, Mr. Kang is awake?"

On hearing this, Lolo's action stopped, and his eyes full of anger and disappointment glared fiercely at Conmobei.

Conmobei frowned, rubbed his forehead and heart, saw his open shirt and some lipstick, and immediately remembered everything. His face was very blue, and the temperature in the office dropped suddenly.

In this kind of gloomy atmosphere like hell, Shen Hedan shivered unconsciously, but Luo Luo was not afraid of tigers. He was full of resentment and showed his teeth and scolded: "you heartless man!"

Now this situation is clear to the north.

Mu Rushuang plans to do something to him, but before he has time to do anything, he is stopped by the two people who are coming.

Thinking of this, the cold power of Conmobei's whole body converged slightly, and then expanded rapidly in the next moment, "Why are you here?"

Shen Hedan avoided the words of Kang Mobei, narrowed his eyes and said, "if we don't come, your virginity will be lost."

However, in a few words, he has already put on his clothes again. In this way, he is still the one who reveals the scrupulous dignity and abstinence.

"But Mr. Kang, attracting bees and butterflies is not an advantage." Shen Hedan meaningfully finish saying, then let go of Luo Luo in the hand, turn to leave.

Lolo furiously said: "this matter, I must tell Mommy!"

Kangmobei is calm. No need. He will go to ask for the blame.

Just mu Rushuang, she may not be too bold.

Early the next morning, Luo Luo rushed into the hospital and ran to Bai nianxi, describing what happened last night. Children don't understand some things, and their words are naturally biased, but Bai nianxi still roughly understood what happened.

Kangmobei's face was as cold as ice.

Luo Luo finish saying, Bai nianxi light glanced at Kang Mo north one eye, then said to Luo Luo: "Luo Luo, you go out first."

Smelling a trace of blood in the air, Lolo felt very happy. Daddy had long needed to be treated well.

So after he got the order, he ran out with his short legs. Before he went out, he took a look at kangmobei. The meaning in his eyes was like: take care of yourself, brother.

In the closed door, conbme told us what happened last night.

After hearing this, Bai nianxi fell into a deep meditation. She has always been very clear about Mu Rushuang's Thoughts on kangmobei, but she didn't expect that mu Rushuang would do such a worthless thing one day. It was too shocking for her.

It's bigger than the shock that conbme almost lost her virginity.

Seeing that Bai nianxi didn't respond, he was worried and said, "it's my negligence. I didn't mention my vigilance. I won't do it again."

Bai nianxi asked again, "Miss Mu is now."

"I should have gone back." Conbmer sank his voice.

In fact, Bai nianxi is a little worried about the trouble that kangmobei is going to find mu Rushuang. Although mu Rushuang's doing such a thing adds a lot of obstacles to her, Bai nianxi always has some scruples about Mu Sili's face.

If the North Rail company wants to make a big scene, it will be very embarrassing.

"We'll talk about it later." Bai nianxi didn't pursue it any more. He took a look at Kang Mobei and said, "but I don't think Mr. Kang has any advantage in attracting bees and butterflies."

Inexplicably familiar words, inexplicably familiar tone.

Thinking that Bai nianxi was Shen Hedan's sister, Kang Mobei's eyes darkened.

Then he stepped forward and held Bai nianxi in his arms. "After that, I will only seduce you."
