

Billionaire CEO Won't Leave

Chapter 241

"Why does he want to hold you?" Kang Xinyue relentlessly asked, since she knew about Su Yihao's cheating, she became particularly sensitive and suspicious.

Bai nianxi smiles and goes on along Kang Xinyue's way of thinking. "Maybe it's because he wants to hide something?"

Sure enough, Kang Xinyue's whole body began to go wrong again. Su Yihao looked at it badly and said to Bai nianxi: "don't talk nonsense!"

"What nonsense?" Bai nianxi's face became cold. "Didn't you want to hide something?"

"Don't you want to cover up five years ago, you left me this poor poor ex girlfriend, another climb high branch thing?"

"Don't you want to hide that you once drugged me and dedicated me to other men just to complete your business?"

"Don't you want to cover up what happened at that time, in order to avoid me poking things out, ruining your bright future, and then killing me?"

"I really can't imagine that after doing these things, Mr. Su can still be so aboveboard and aboveboard?"

The atmosphere in the hall of Lao Kang's family quieted down for a moment.

Bai nianxi has a relationship with Su Yihao, and Su Yihao has done this to Bai nianxi.

And the coldest is kangmobei.

He was relieved that the woman on the top was so abused by Su Yihao?

With a bang, Kang Mobei directly hit Su Yihao in the face. Su Yihao was directly overturned to the ground. Kang Xinyue screamed with fright.

Su Yihao was hit by Kang Mobei and turned his head to spit out blood.

Conmobeir's straight chest, visible to the naked eye, is obviously trying to suppress the fury.

Although Kang Mobei had some guesses about what happened before Bai nianxi, he didn't know. After Bai nianxi recovered his memory, he didn't find a good chance to be frank with him. Today, he suddenly knew that Su Yihao had done something like that to her?

Su Yihao, how dare he?!

Thinking like this, Kang Mobei's eyes are as cold as ice for a thousand years. He walks over and picks up Su Yihao from the ground.

Su Yihao was carried in the hands of Kang Mo north, thin as a piece of paper.

What we have done, we should pay what price.

Here in conmber, the price of making a mistake is probably death.

Had it not been for Kang's family, Su Yihao might not have been able to meet Kang Mobei's next blow.

Kangmobei throws Su Yihao out directly. Su Yihao's body smashes against the wall. There is a table corner beside the wall. Su Yihao bumps into it like this. It seems that he hears a sound of broken bones. Then, there is a scream.

One is Su Yihao's cry with pain, and the other is Kang Xinyue's scream of panic.

Kang Xinyue ran to Su Yihao's side and protected him with his body. Su Yihao was covering his chest with a twisted face. Just now, his ribs were broken.

However, at the moment, nothing is more terrible than the face of conmobei.

On one side of the Kang family a few people have already looked at the frown, did not speak.

"Brother! You can't do that! " Kang Xinyue shouts to Kang Mobei.

Bai nianxi also frowns slightly. Her intention is not to let Kang Mobei fight Su Yihao

here, but in the end, she underestimates Kang Mobei's anger.

Kangmobei's eyes stare at Su Yihao on the ground. His steps move slightly and he wants to step forward.

Suddenly, a warm touch came from his hand, delicate and soft. Looking down, it was Bai nianxi's hand. Bai nianxi looked at him and shook his head slightly, indicating that he would not appear again.

Conmobei just settled down and stood in the same place looking at it.

Kang Xinyue turns to Bai nianxi again. His eyes are full of anger. "Bai nianxi, what are you going to do?"

Bai nianxi shook his head. "I don't want to do anything."

What don't you want to do? Inexplicably came to the door, inexplicably said these words in front of Kangmo north, she clearly wanted Su Yihao's life!

"What do you think you are? You dare to talk in Kang's territory! Why do you slander Yi Hao at will! What's your heart, you man? "

Slander at will?

I don't know how, when Bai nianxi heard this, he wanted to laugh.

When he spoke again, he looked stern and serious. "Miss Kang, you must have known what happened five years ago. Do you think I didn't make it clear? Make it clear that five years ago, it was su Yihao who got up to you that he abandoned me like my shoes? Make it clear that you, Kang Xinyue, are the little three with one foot in it? "

The words changed people's faces.

In particular, Master Kang's face turns from blue to white and black. Although he dotes on Kang Xinyue, he always pays attention to the reputation of the Kang family. Kang Xinyue can act unruly and domineering outside relying on the favor of the Kang family, but the most basic bottom line is still there. Obviously, being a junior has gone beyond the scope of his acceptance.

Bai nianxi continued: "Miss Kang should still remember that I went to Su Yihao at that time and ran into you two, right?"

In fact, at that time, Bai nianxi didn't catch the traitor directly, but she didn't mind adding oil and vinegar.

"I was shut out and listened to all the cold words, but Miss Kang enjoyed all the soft words in the room. I waited outside for some time. I sat down on the stairs and fell asleep, but I was awakened by a cup of hot milk tea. Miss Kang really doesn't remember?"

Kang Xinyue bit her lip. Su Yihao never told her the girl's name, and she never really put it in her heart.

Anyway, a poor pheasant doesn't need her to care.

Just originally, that person, unexpectedly is Bai nianxi.

When it comes to the past, Bai nianxi's eyes are cold.

Those humiliation and pain, can't forgive, can't forgive.

"Now it seems that Miss Kang and your Yi Hao are still the same as they were at that time. They haven't changed at all." The words are chilling and ironic.

"Xinyue, is what she said true?" The beard of Kang Tai Ye's mouth was already trembling with anger, but he still asked in a deep voice.

If Kang Xinyue denied it at this time, he might believe her.

But seeing Bai nianxi's eyes and hearing Bai nianxi's tone of voice, Kang Xinyue's heart is filled with anger. Why does she bow to Bai nianxi?

Never.

"So what? I just snatched Su Yihao from her. I just wanted to insult her. Why should a person like her..." The words haven't finished, Kang Xinyue then a call exit.

"Son of a bitch!" Kang Taiye mouth scolds, the crutch in the hand already fell on Kang Xinyue's body.

Because I was so angry, the old man didn't pay much attention to it. Kang Xinyue got a blow, and his mood almost collapsed.

In all these years, this is the first time that Mr. Kang beat her! Or in front of so many people!
