

# Billionaire CEO Won't Leave

## Chapter 244

"Mr. Kang." Next to the staff came forward, respectfully said, "it's your turn to go in and take photos."

Most of the suits and coats on commo Beiping's body are lined with white lining, so after Bai nianxi changed his clothes, he went into the photo studio. The light in the photo studio was dim, only the photographer and several assistants nearby.

Kang Mobei and Bai nianxi go to the front of the background wall and sit down under the guidance of the assistant.

Connobei is in a good mood today, and his momentum has converged a lot, but even so, it still makes the staff feel infiltrated.

The lighting is very good, and both of them have very delicate faces. Their momentum and temperament are not a general match.

It's just that the photographer is in a cold sweat, how can he always feel that something is wrong

After a while, he found that it was wrong and said carefully: "Kang, Mr. Kang, can you Smile... "

Bai nianxi looks at kangmobei. Sure enough, he is indifferent and has no smile.

Only Bai nianxi could see that this was a happy look on his face.

It's just that this is a photo taken on the marriage certificate!

Think of oneself just smile of mouth corners all pull sour, but those facial expressions, all because of Kang Mo north face of a school of indifference and equal to white do to come to angry.

Looking at combo north with serious expression, "Hey, do you want to marry me or what?"

Connobei was surprised, and a touch of panic passed in his eyes. "What's the matter?"

"Then why don't you laugh?" Bai nianxi almost roared out with his voice.

All the people in that moment are almost breathing a stagnation, what did they just see?

Bai nianxi, roar, roar, the leader of a city, President of kongmobi group, kongmobi?

But what's more terrible is that commo is not angry, on the contrary, he is wronged!

"I'm not unhappy..."

Bai nianxi said with a sneer, "you're not unhappy, but you can't laugh, right?"

The truth is that, but what's wrong with it

Isn't that still unhappy?

Bai nianxi said that he could understand Kang Mobei better than anyone else. He was not unhappy, but he really couldn't laugh.

With a deep breath, Bai nianxi reaches out his hand, pokes his index fingers on both sides of commo North's cheeks, and then slowly pulls them to both sides until he pulls out a clear arc of the corner of his mouth.

"Good. That's it. Stay still."

Bai nianxi smiles with satisfaction, and then quickly asks the photographer to take this hard won moment.

At the moment when the photo was frozen, the camera's commobei and Bai nianxi were both very good-looking.

Maybe it's because they're good-looking.

Conmber's stiff smile didn't affect his handsome.

After the photos are taken, you can seal and sign them after they are developed.

Bai nianxi has a lot of mixed feelings in his heart.

It's a fantastic day.

It's coming after all.

However, Bai nianxi suddenly remembered that she didn't bring any identification at all.

After talking to kangmobei, a trace of Sarcasm?

Bai nianxi blinked his eyes. This expression is mockery! It's sarcasm, right? How dare Kang Mobei ridicule her?!

Just when she was not calm to denounce connmobei, connmobei quietly said: "do you think I will be as stupid as you?"

Well

It's her worry. How could it not be easy to get her ID card.

After taking the photos, they went back to the rest room and waited. Originally, the staff invited them to the special high-level reception room, but they were rejected by connmobei.

His wife is not blind.

At the moment when Bai nianxi appeared at the gate of the Civil Affairs Bureau with Kang Mobei in his arm, some passers-by had already taken photos and sent them to the Internet. At this moment, besides the Civil Affairs Bureau, the Internet was already full of excitement.

They sat in the middle of the crowd, as if they had their own protective covers. The seats around them were emptied. The crowd was crowded in other corners, but their eyes were on them.

Bai nianxi sighed, which attracted the attention of all people.

Sitting here, people's heart is also slowly quiet down, time goes by, maybe just a few minutes later, she and connmobei are really husband and wife.

Is it a dream?

All of a sudden, a sharp ring of mobile phone rang in the lobby of the lounge.

The bell is coming from the pocket of connmober. It always sounds more urgent than usual.

I don't know how, Bai nianxi's heart is tense, like a string suddenly stretched, and more and more tight, is about to make people breathless. Connmober got on the phone. "Hello."

"President Kang." Secretary Xing's voice on the other end of the phone sounds very low, with tension in it.

Today, Kang Mobei came to collect the license with Bai nianxi alone, leaving him to stay in the company. Of course, he knew that Kang Mobei wanted to create a sense of ordinary husband and wife for Bai nianxi.

At such an important moment, he did not dare to risk his life to disturb without anything special.

But.

Lolo's gone.

No, I should say, Lolo was kidnapped.

This morning, Secretary Xing went to see Luo Luo off to class as usual. After he sent Luo Luo to the teacher, he turned back to the company. However, it wasn't long before the teacher called him and said that Luo Luo was missing.

In fact, this kind of thing has never happened before. Although Lolo's disappearance makes people nervous, in the past, it was because Lolo had something to do that he secretly ran out.

After receiving the phone call, Secretary Xing went to the teacher. Originally, she didn't think much about it. She just wanted to get Luoluo back as soon as possible. She didn't find anything suspicious until she investigated the monitoring of the community.

This time Lolo disappeared. He was abducted instead of running away.

The surveillance showed that the abductor, though wearing a mask, hat and gloves, was a tall and slender man.

After watching the pictures in the surveillance, Secretary Xing suddenly burst into a cold sweat. This is kidnapping!

After receiving the call, the temperature of the whole hall of the Civil Affairs Bureau dropped abruptly.

Everyone could not help shivering, as if they could not understand where the sudden cold came from. The heating was turned on, but was it broken?

Bai nianxi seems to know something. From just now on, her heart has been beating

abruptly.

At the moment, I saw the face of conumber, and the bad feeling was even stronger.

"What's the matter?"

Kangmo North tightly coagulated eyes, light open thin lips, voice is already cold and piercing, "Lolo is gone."
