

《Billionaire CEO Won't Leave》

Chapter 25

Sure enough, the eyes of Kang Mobei fell on her injured hand. She only saw that she was covering her hand, and her hands were red with blood, which was a little terrible.

Of course, her wound was not very deep. The blood on her hand was mainly stained when she cut the fresh steak with blood. It was just enough to confuse people's eyes.

"Hurt?" Kang Mobei's mood is very weak, but he still shows concern. After all, as a painter, she wants to live by hand. As Ji Lao's niece, Jennie is injured here, which makes it difficult to explain.

"Well." Jenny nodded wrongly.

Kangmobei looks back at Bai nianxi. Bai nianxi is very sensitive to color. He has seen something wrong with Jennie's hand for a long time. The blood is two colors. I'm afraid Jennie's injury is not serious.

Still said, "go to the hospital."

Jenny looked forward to the north, North Light said: "let's go."

I couldn't help but secretly feel happy. I went out with kangmobei. Unexpectedly, when I got to the door, kangmobei suddenly said, "I'll send it here. Next, I'll ask Secretary Xing to send Miss Jenny to the hospital. Secretary Xing is considerate and careful. Miss Jenny can say anything she needs."

With a pile of documents in his hand, Secretary Xing, who had just arrived, stood at the door in a daze. Didn't kangmobei ask him to deliver the documents?

Kangmobei's attitude is very firm, but Jenny is angry in her heart, but she can't say it. She can only follow Secretary Xing to the hospital.

When having dinner, kangmobei still wants to drink water, and only drinks the water that Bainian poured on the eve, or drinks it cup after cup. Bainian Xi laments that the water quantity of kangmobei is so good. Finally, when he drinks the eighth cup of water, Bainian Xi does not need to drink from kangmobei, but puts the water directly in front of kangmobei.

Kang Mo north this just light glimpsed white to read a night one eye, satisfied of didn't continue to drink.

He wanted her to remember that as his woman, he always came to him before other women when he got off work.

Surprised by Kang Mobei's perfunctory attitude towards Jennie, Bai nianxi is full of questions to ask. Seeing Bai nianxi's expression, Kang Mobei knows clearly. He cuts a piece of steak and puts it into his mouth gracefully. He slowly swallows it before saying, "do you think I can't see the difference in the color of the blood?"

Bai nianxi asked again: "at that time, if Secretary Xing didn't show up when you came to the door..."

"All the servants of the Kang family must be able to drive," he said casually

So, if Secretary Xing doesn't come, he will even ask a maid to take Jenny to the hospital?

The ruthlessness of conumber is incredible. Just thinking about it, a sentence came to my ear: "why, do you mind if I go to see her off?"

Without thinking too much, Bai nianxi replied, "do you mind if it works?"

After that, she realized that something was wrong with her words. What she meant was Oh, forget it.

Seeing the satisfied smile from the corner of conumber's North mouth, Bai nianxi decided not to touch the mold.

Lolo is sitting alone, mindlessly chewing the steak, thinking about one thing all the time - "Kyushu landscape", is it really mommy's painting? Why did mommy's painting get stolen?

Indignant was sent to the hospital by Secretary Xing, Jenny kept the last demeanor away after Secretary Xing, came to the ward of Wu Ling.

Last time, Wu Ling's foot was cast again and needed to recover. At this time, he was lying alone in the hospital.

Bang kicked the door of the sick room, "Wu Ling!"

Wu Ling on the bed was awakened and saw that the person in front of her was Jenny.

She became nervous. "Jane, Miss Jenny..."

"Pa", a loud slap fell on Wu Ling's face.

"That painting, you stole it?" Jennie, who had been given a cold reception at Conmobei, now threw her anger at Wu Ling. "How dare you cheat me with other people's paintings and make me make a fool of myself in front of others!"

Wu Ling's eyes widened. Does Jenny know? Bai nianxi asked for her?

She steals Bai nianxi's paintings in the original intention of making Bai nianxi unable to finish his career.

At that time, it happened that something happened at home and money was needed, so she hung it on the Internet and wanted to sell it. Unexpectedly, Jennie fell in love with her. An hour later, she came to her door and asked her to be her assistant. She promised to give her a high salary, and she agreed.

I didn't expect that later, she didn't get a high salary, and she became a surrogate writer of Jenny. Because she signed many unequal agreements with Jenny, she didn't dare to be angry with her.

Seeing that Wu Ling didn't deny it, Jennie knew it well. She raised her hand and slapped Wu Ling in the face. She grabbed Wu Ling's collar and said in a cruel voice, "now Bai nianxi comes to me. If it comes to light, you and I will be finished. It doesn't matter if you die, but I can't be implicated!"

"No, it won't. I didn't leave any evidence."

"Well, I knew there was no evidence." Jennie has the bottom of her heart and doesn't go on. She looks at Wu Ling's broken leg, takes the water cup next to her and smashes it up.

Wu Ling screamed bitterly, covering her leg and crying bitterly. Jennie's eyes were full of scorn and ruthlessness. "This is your lesson to cheat me." Finish saying, sneer, mercilessly turned to walk out.

"Come here." Conmobei sits on the sofa and waves to Bai nianxi.

Bai nianxi came over curiously, "what's the matter?"

Conmberg stood up. "Come with me."

Following Conmobei to the garage, there is a bright red Maserati in the middle of a

bunch of high-end and handsome luxury cars. Bai nianxi takes a look at the valuable luxury car in front of her. What does commobei mean? Show off your wealth to yourself?

"Here you are." Conmobei takes out the key of his pocket and throws it to Bai nianxi.

"Give it to me!" Bai nianxi can't believe her ears. Well, how about giving her a sports car?

"But you don't usually let me out? You have to have a driver when you go out. " Otherwise, she was not allowed to go out, and the driver was sent to watch her for fear that she might run away.

Kangmobei frowned slightly, obviously not satisfied with Bai nianxi's words, "two days ago, didn't you say you were going out to buy vegetables?"

Luo Luo wants to eat the food made by Bai nianxi. Bai nianxi plans to make it for Luo Luo himself. Although the ingredients can be bought by servants, Bai nianxi still wants to go to the food market full of fireworks.

It's just that every time I go to the market, I have to bother Secretary Xing to follow me. Bai nianxi is really sorry. Later, she resolutely refuses to allow Secretary Xing to pick me up and take the bus. She prefers to walk out by herself.

Kangmobei looked tired, so he gave her a car.

Looking at Bai nianxi's tangled expression, Kangmo North said: "how, can't drive?"

"Yes, it will." Bai nianxi looks embarrassed, but is this man going to drive Maserati to the vegetable market?

"Yes, I will." Kangmobei was very satisfied with his idea of going to the vegetable market with a sports car for Bainian evening. He nodded and affirmed again: "I chose this car specially. Look, there are many dishes in the car."
