

Billionaire CEO Won't Leave

Chapter 259

Bai nianxi remembers that Musi was not so indomitable and stubborn before. How could he have become such a strong and domineering man after two years?

Bai nianxi is thinking of returning a piece of news. Suddenly, the door of the room is knocked.

Alert to go to the door, through the cat's eye to see the person standing outside is Anqing, Bai nianxi this just let go.

After opening the door, Anqing came in, but when he came to the outer room, he stopped consciously. "Miss, the man in white, wake up."

White read Xi Leng for a while, wake up? She thought that when he was injured like that, he would faint for at least one day and one night.

You wake up?

However, it's none of her business. Later, Anqing privately checked that the man, although his social background seemed to be a little complicated, had no direct relationship with them, and should not have come for Bai nianxi.

Since it had nothing to do with her, she didn't want to take care of these irrelevant things. She waved and said, "let him go."

"But..." An Qing wants to say and stop, "he said, I want to see you."

"No, I have nothing to see." Bai nianxi continued to wave, holding up the cup in his hand and drinking the water in it.

"But..." An Qingdun, seems to be thinking about what to say next, "the man said, he must see you, you are his Savior, he wants, wants I'll give it to you by example. "

"Poof --" Bai nianxi couldn't help but vomit out all the water in her mouth. The water choked her throat and made her face red.

"Cough, cough..." Bai nianxi patted her chest and let her be angry. In fact, in the past

two years, her character has changed a lot. She is not as reckless as before, and she is more calm when she is in trouble.

Just hearing the news, I still feel that I can't accept it for a moment.

By example?

What a joke!

However, this sentence makes Bai nianxi feel that the injured man in white is not so simple.

After Shunguo came, Bai nianxi turned to Anqing and said, "go, take me there." After thinking about it, he said, "no, bring him here."

After all, Kang Mobei and Mu Sili are still on the left and right side of Bai nianxi. Bai nianxi is really not easy to go out. I'm afraid that he will meet one of them accidentally. If he is a little unlucky, he may meet two at the same time, so he decided to let Anqing bring the man over.

But after a while, Anqing took people into the room.

Different from the man who was dressed in white suit and unrestrained yesterday, the man today is wearing a suit of sick size clothes. He is tall and big, and some of the big suits are more loose on his thin body.

The man's face is a little pale, but maybe he is deliberately hiding something. The whole person doesn't seem to be particularly weak, especially a pair of eyes, which are full of spirit.

That pair of eyes is very good-looking, especially the dark eyes inside a strange light, mouth with a shallow smile, the whole person looks very evil.

Bai nianxi looked into the man's eyes and asked, "name?"

The man picked pick eyebrow, "qinnanfeng."

"You said you were going to give me your life?" Bai nianxi reconfirm with Qin Nanfeng.

"Or could it be them?" Qin Nanfeng glanced at the men standing around Anqing.

"That's not good." Bai nianxi's tone is shallow, "everyone has his own preference."

Knowing that Bai nianxi was trying to embarrass him, Qin Nanfeng didn't care. He said with a low smile, "but I'm normal."

Bai nianxi was noncommittal and asked directly, "why?"

"Didn't you save me? Since ancient times, the heroine saves the beauty, is the beauty to agree by example. You saved me this time, and of course I want to thank you. "

An Qing reported Qin Nanfeng's injury to Bai nianxi. He was shot in the chest, but the bullet was not deep. The doctor easily took out the remaining cartridge case, and the bleeding was also caused by a small blood vessel.

After dressing, the problem is not very big.

Bai nianxi didn't believe Qin Nanfeng's words. He was still full of caution and vigilance. "Come to me, what's the purpose?"

Qin Nanfeng glanced at Bai nianxi and said with a smile, "by mistake, there is no purpose."

"But I still remember the way you threatened me with a gun last night." Bai nianxi said sarcastically, "now I'm afraid I can't afford to promise myself."

Qin Nanfeng sighed, as if very sorry, "last night it was a misunderstanding, I told Miss Bai, originally there was no malice."

Bai nianxi's eyes suddenly shrill, "do you know my surname is Bai?"

The name she uses now has already been changed to Shen youyou. Qin Nanfeng knows her original name and says that she has no purpose?

Qin Nanfeng shrugged, "isn't it? Miss Bai, you were in a city two years ago, but it's a legend. Coincidentally, I was in a city two years ago, and I heard a lot of gossip about Miss Bai. "Speaking of this, Qin Nanfeng seems to think of something, "Oh, by the way, I almost forget that Miss Bai, you are the president of Kangda of Kangshi group." Said squinting eyes, "no wonder Miss Bai is not willing to accept my offer."

From Qin Nanfeng's mouth to hear the name of kangmobei, Bai nianxi's momentum in an instant is a little cold.

Qin Nanfeng seems to know her very well?

Looking at Bai nianxi's eyes, Qin Nanfeng draws the corner of his mouth. Bai nianxi's eyes are obviously questioning and exploring. It's obvious that she has raised her

interest in him.

Or suspicion.

It doesn't matter. All roads lead to the same goal.

"Do you want to stay with me?" Bai nianxi looks at Qin Nanfeng with eyes. Although she knows that Qin Nanfeng is deliberately close to her, she intuitions that Qin Nanfeng is not from Wei Xia.

Besides Wei Xia, who else would want to send someone to her?

Qin Nanfeng didn't answer, but looked at Bai nianxi.

Bai nianxi nodded, "well, then you can stay."

On one side, Anqing was a little surprised, "Miss, this man..."

He wants to say that this person's origin is not clear, and he doesn't know what his heart is. Bai nianxi rashly puts him beside him, which is a time bomb to himself.

What's more, what Qin Nanfeng said was that he wanted to agree with each other by example!

Bai nianxi shakes her head and indicates that Anqing doesn't need to go on. She already has an idea in her heart.

If Qin Nanfeng was running for her life, he could kill her directly in the coffee shop, but he didn't.

Qin Nanfeng was sent by Wei Xia to monitor her. Bai nianxi may have rejected her. Her intuition is not, but her intuition is always accurate.

Bai nianxi is also curious about the influence behind Qin Nanfeng. Since his purpose is not to kill her, it's nothing for her to keep him. Anyway, now that the cards are basically open, Qin Nanfeng has a purpose for her, so does she.

If he wants to use her, she can use him.
