

# Billionaire CEO Won't Leave

## Chapter 266

When bainianxi proposed to come to Germany, Shen Hedan had seen through bainianxi's mind and knew that she would come to the winery. He couldn't bear to let his sister be harassed by trouble, so he had to trouble kangmobei first.

Conmber squinted. If not, how could he be willing to sell his hue?

Kangmo North turned to see Bai nianxi's back, see her put on old age makeup, wearing wig, deliberately pretending to be bent, the corners of her mouth do not feel hooked.

Camouflage?

Didn't she know that when she stood in front of him, even if he closed his eyes, he could know that the person in front of him was her?

If you fall in love with a person, then her breathing, footsteps, heartbeat, in this world, are unique.

How could he not recognize her?

"By the way, the man beside her?" Conmobei asked. When he asked, the expression on his face didn't move, but it made people feel the chill all over him.

Shen Hedan shook his head, and his voice showed a trace of seriousness. "I didn't find out what the background was. It should not be Wei Xia. I feel that the background is not simple."

Conmber gave a deep answer.

Shen Hedan laughed when he heard the words, and said, "why, are you jealous? I tell you, that man, but nianxi said that he wanted to stay by his side, or after he said that he wanted to make a promise. "

Conmobei's pupils shrank, and his voice was cold. "Your people don't have enough protection. What should you do?"

Shen Hedan picked his eyebrows. He naturally knew that Kang Mobei was talking

about Qin Nanfeng's idea of running to Bai nianxi's room that night. He laughed and said, "look at nianxi. If nianxi doesn't deal with it, it means that he doesn't have to deal with it."

I don't know why Shen Hedan was so happy to see kangmobei jealous.

"I don't mind who my brother-in-law is anyway," he continued, "and I don't mind if I fall in love with another man one day Hello? Hello

It was Kang Mobei who hung up the phone before Shen Hedan finished.

Bai nianxi left in a hurry and soon disappeared in the sight of kangmobei. Just as he stepped out of the door of the winery, a hand reached out and stopped Bai nianxi.

Bai nianxi raised his vigilance and looked up. When he saw the people in front of him, he was surprised.

Musili?

Ju, ran, also, here, Li?

Mu Sili looked at Bai nianxi dressed up as an old man. He looked a little gloomy. His throat moved. After a while, he vomited out two words, "nianxi?"

Bai nianxi was shocked, and Mu Sili recognized her.

Mouth opened, wanted to deny, but found that a word also can't say.

"This gentleman, you..." Behind anqing see, in front of Musi from want to say something, but Musi from a look will Anqing to force the pause, the words in the mouth can't continue to say.

Now, compared with two years ago, Musi Li seems to have changed a lot. An occasional look is enough to frighten people, and the sense of strength is more and more obvious.

It's just that gentlemen are still there.

After taking a look at Anqing, Mu Si's eyes turned to Bai nianxi. No matter what the old man in front of him said, he had determined that she was Bai nianxi.

He was here just now. Maybe Bai nianxi disguised herself very well, but the tone of her speech, her expression, her voice, every syllable of her speech were all imprinted in Mu Sili's heart.

He recognized her at the first sight.

He had heard about it two years ago. In the past two years, he had secretly inquired about Bai nianxi, but there was no reply.

He was very curious, where did she go, and why did she appear here now?

Bai nianxi waves to an Qing, indicating that he takes everyone to avoid first. She and Mu Sili have something to say.

"Why are you here?"

Two years later, when he spoke with mousse, he felt that there was always something strange. Bai nianxi wanted to speak, but he found that his voice was a little uncomfortable.

"Just, there's something here." Bai nianxi's answer is somewhat unnatural.

Since moussili recognized her, he must have seen what happened just now. Seeing her appear here and do these things, he should be curious or can't understand, right?

Musi pondered for a moment, then responded, "you've been at Shen's for the past two years?"

Bai nianxi is the business of the youngest daughter of the Shen family. He has already known and thought that Bai nianxi is in the Shen family. Now that Bai nianxi is here, there is only one possibility, that is, she is dealing with things for the Shen family.

Bai nianxi nodded and did not deny it.

"How do you dress like this?"

"It's fun." After a while, Bai nianxi also recovered a little bit of his own state. His performance was no longer so unnatural. When he answered, he even laughed.

Mu Sili looked at Bai nianxi. The dark light in her eyes flashed. She didn't ask. Since she didn't say it, she didn't want to answer."And you? Why are you here? "

"There's something about coming here." Musley replied.

After two words, they found that there was nothing to say, but mu Sili looked at Bai nianxi. After two years, he didn't see Bai nianxi. His eyes were not willing to move away from her face.

Bai nianxi felt a little embarrassed. He found the topic and exchanged greetings. "How are you these two years?"

Moussili didn't nod or shake her head. Her disappearance two years ago was too sudden. When he received the news, he had lost her whereabouts.

He just wants to have a good look at her now.

When they were silent, a man came out of the door and passed by Bai nianxi, which gave Bai nianxi a very familiar and special feeling.

Conmbe came out of the winery.

Bai nianxi lowers her head slightly. She forgets that Kang Mobei is still in the winery. She talks with Mu Sili here!

Kangmo North came to Bai nianxi's side and stopped, but his eyes didn't look at Bai nianxi from beginning to end, as if he didn't care about her at all.

"Mr. mu, what a coincidence?"

Mu Si left Leng Leng, put the eyes on Bai nianxi's face away, "Mr. Kang?"

Conmber's here, too?

Looking at Kang Mo Bei and Bai Nian Xi standing together again, I can't help wondering, are they together?

It's not surprising that conmber appears in the place where bainianxi is. Musi doesn't seem surprised. Besides, he has long known that conmber has come to Germany and stayed in a hotel with him.

"Mr. Mu is here. What's up?" Conmobei asked, then turned his head to the side, looked at the winery behind him, and took his eyes back.

Kangmobei's eyes didn't stay on Bai nianxi, just inadvertently swept, completely didn't show any special emotion to Bai nianxi.

Bai nianxi lowers her head, and kangmobei doesn't notice her. It's the result she wants, but why does she feel faint loss?
