

# Billionaire CEO Won't Leave

## Chapter 267

The remaining light in the corner of his eyes didn't let go of every emotion on Bai nianxi's face. The light loss also came into his eyes.

Mu Si left, he also noticed the subtle atmosphere between Kang Mo Bei and Bai Nian Xi.

They act like they don't know each other?

Looking at Bai nianxi, Mu Sili wanted to find some answers from Bai nianxi's face. Bai nianxi also looked at him with some strange light in his eyes, like hope and prayer.

Musi didn't say anything more. He wanted to stay with Bai nianxi a little longer. After all, he didn't know if he would lose the news of Bai nianxi again. But conmobei was here. He couldn't say anything more. He said goodbye and turned away.

Bai nianxi and Kang Mobei are left standing together in the same place. I don't know what to do.

Conmobei did not continue this embarrassment. After mousse left, he walked in the opposite direction.

Bai nianxi looks at the back of kangmobei leaving, and suddenly feels a little disappointed.

Probably has been used to the north of the Kang Mo to her special and affectionate eyes, such indifference, alienated him, actually looked at let her feel sad.

Back at the hotel, conmobei and moussili had already stepped back to the room. While there was no one in the corridor, Bai nianxi also entered the room.

After taking off her make-up, Bai nianxi sat beside the bed and turned on her mobile phone.

Make a video call.

There's a voice coming from the other end of the phone, first Shen Hedan's voice, "Lolo, come here, Mommy sent the video."

Then there was Lolo's voice, "Mommy --"

Bai nianxi listened to Lolo's voice and felt warm, "Lolo, how are you today?"

"Not bad." I don't know when to start, Lolo also learned the simple and comprehensive speaking style of kangmobei, although in the face of Bai nianxi, Lolo is still the warm hearted little group.

Bai nianxi always feels guilty for Luo Luo. Sometimes he feels that Luo Luo has fallen a lot of bad luck following her mother.

Born without a mother, he finally followed her and left conumber. His eyes were injured because of her.

"What did Lolo do today?" Bai nianxi's voice is as gentle as ever.

Although Lolo stayed with her in the Gobi desert in the past two years, the lessons he once had to learn were not relaxed at all. Even though his eyes were nearly blind, Lolo still learned a lot with his gifted memory and understanding ability.

Luo Luo told Bai nianxi what he had done today. After getting a good compliment from Bai nianxi, the corners of his mouth were slightly hooked up.

After his eyes were injured, Luo Luo's mood was inevitably affected, and Bai nianxi's gentle voice was his salvation and light.

Said, Luo Luo suddenly carefully asked: "Mommy, daddy is there?"

When Luo Luo asked, Bai nianxi was stunned, and the black figure on the balcony was obviously stiff.

When Bai nianxi came back to her room, kangmobei had already come to the balcony of her room. Listening to her footsteps in the room, she felt the pain in her heart relieved a lot.

And then I heard her on the phone with Lolo.

When he heard Lolo's voice, connumber was enveloped in a layer of black light and shadow. Lolo, how could he not think about it?

Especially on the night when he heard of Lolo's eye injury, he stayed up all night.

His wife and son are his life. And now his life is held by others as a handle.

Just now I heard Lolo mention him. When Lolo mentioned him, his tone was cautious, expectant and concerned.

Lolo, like him, is not good at expressing his feelings. He won't tell others about many emotions in his heart, but Lolo is his son. When he was born, Lolo was just a small group. He stayed with him until he was four years old. How could he not understand Lolo.

Bai nianxi was silent for a long time and didn't know how to answer.

Shen Hedan's voice on the phone sounded very relaxed. "What do you think your mother used to do? Of course, she went to meet her lover."

"That's a lot of talk." Lolo seems to be very disgusted with a complaint, but can hear, the mood in the words, a little better, and asked: "that mommy, have you seen daddy?"

"Well." Bai nianxi nodded, "see."

"How's daddy now?" Luo Luo asked casually. Although he didn't show anything, he could see that he was really concerned about Commodore north.

"He." Bai nianxi thought of today's kangmobei, "it's not bad. It's still as high as before."

"Did Daddy bully you?" Lolo continues to care.

He remembers that in the past, daddy always bullied mommy and made her angry. Bai nianxi thought about it, then shook his head, "No."

Comber didn't bully her like before. He just couldn't see her in his eyes. But when he said this, Bai nianxi felt a little sour in his heart. How can he be regarded as a bully?

He showed in front of her domineering selfishness and strong, and his neglect and forgetting of her, which is the bullying to her?

Kangmobei, standing alone on the balcony, stood still. He didn't know why he came here. He couldn't meet Bai nianxi or recognize her.

Hearing her and Lolo's voice, he felt more lonely and lonely.

Things here have been dealt with, and Bai nianxi is ready to go back. Kangmobei is here, and she doesn't stay much longer.

Before he left, he sent a message to Mr. Z. after seeing mousse that day, Mr. Z never sent a message to her again.

"Mr. Z, I'm very lucky that my work has won your favor. It's just that I have to terminate the agreement on our meeting. I will leave Germany. Thank you again for your appreciation of my painting."

After sending out the news, Bai nianxi began to pack up the things in the suitcase.

After a while, "Ding" sound, the news came back.

Bai nianxi opened it and said, "well."

Mr. Z's attitude of no entanglement surprised Bai nianxi, but he didn't think much about it. Musi should not be in the mood to take care of it now.

After packing up, Bai nianxi left the hotel under the escort of Anqing.

When he returned to Gobi, Luo Luo had already been waiting outside, because he came back by private plane, so Bai nianxi didn't delay too long on the road.

Seeing Bai nianxi alighting from the plane, Luo Luo immediately trotted all the way to meet "Mommy -"

"
