

# Billionaire CEO Won't Leave

## Chapter 269

Qin Nanfeng patted the chicken feathers on his body and said faintly, "well."

Shen Hedan looked at Qin Nanfeng and touched his chin. It seemed that he was thoughtful and said, "I'll try to be strong."

Qin Nanfeng's eyebrows are light, but he is strong?

Shen Hedan continued: "it doesn't look like there's anything extraordinary."

Qin Nanfeng's face turned black again. Shen Hedan and Bai nianxi really tried every means to humiliate him.

"All right, all right." Shen Hedan stretched out his hand and fanned in front of his nose. He seemed to dislike the smell of Qin Nanfeng not far away. Facing the side of Jin Ting and an Qing, he said, "since people have to come to us all the way, we can't catch up with them. Go and arrange a place for brother Jimao."

Knowing this, Jin Ting goes to Qin Nanfeng to lead the way and leads him to his room. The room arranged by Jin Ting for Qin Nanfeng is surrounded by a security room, where more than a dozen bodyguards live.

But at the beginning, Shen Hedan made Qin Nanfeng feel great hostility and vigilance.

At dinner in the evening, Bai nianxi saw Qin Nanfeng who suddenly appeared in a corner of the living room. His face was shocked, "how are you here?"

Qin Nanfeng smiles. His appearance belongs to the exquisite female prime minister. When he smiles like this, he looks extremely evil.

Just the fundus with a hint of ruthlessness, "I think Miss Bai should not be so surprised." How did he get here? Isn't she very clear?

Isn't that the chicken she specially prepared for him? Even after getting off the plane, he didn't ask anyone to take care of the chicken. He tried his best to get out of it.

Bai nianxi smiles. She did give an order that the servants should go to the cockpit when they see a man climbing down the plane.

Although the servant at home wondered how a big living man could come out of the chicken pen, he did so. Unexpectedly, he saw a man crawling out of the chicken pen in a mess.

"I forgot to take you with me. I'm sorry." Bai nianxi said that the wind was light and the clouds were light, and he couldn't hear any embarrassed feeling.

It's full of me. I'll take care of you. What can you do with me.

Lolo sat at the table. Since his eyes were injured, he always fed him one bite at a time. Later, Shen Hedan invited a servant to feed him.

After seeing the external light and shadow, Lolo was able to eat with a spoon. Although he could not see clearly what was in front of him, his other senses were very keen, so there was no problem after exercising.

When Qin Nanfeng spoke, he also heard it, and immediately recognized that he was the big pig hoof who wanted to make a pledge to Bai nianxi.

He immediately looks at Qin Nanfeng and reflects his figure in his eyes. Although Luo Luo's eyes are a bit confused and dull, there seems to be a whirlpool in his eyes. It's hard to escape the vigilance and vigilance.

Qin Nanfeng also saw Luo Luo. He must be the child of Kang Mobei and Bai nianxi.

Although he noticed something wrong with Lolo's eyes, he couldn't say what was wrong.

Then Bai nianxi three people began to have dinner. Qin Nanfeng only stood by to watch, but he didn't mind. Just stand.

Then he heard Bai nianxi's voice, "throw these away."

Qin Nanfeng didn't respond at first. Until Bai nianxi's eyes came over, he realized that Bai nianxi was calling him.

Since he is here in the Shen family, he is tolerant.

After disposing of the garbage, Bai nianxi handed out his water cup again. "I want a cup of 43 degree warm water."

"Warm water?" Qinnanfeng directly over the temperature requirements, focusing on warm water.

Bai nianxi shook his head, "forty three degrees, high degree is not good, low degree is not good."

What is the tricky demand of Qin Nanfeng? 43 degrees. How does he measure it?  
"Miss Bai, can your tongue taste the 43 degree water so accurately?"

"No way." Bai nianxi looks impossible.

Qin Nanfeng laughed, "that's warm water."

Bai nianxi raised his mouth and said in a faint voice, "what I want is not warm water, but 43 degree warm water, just as I don't want to drink water, but just want you to pour water. Do you understand? "

Qin Nanfeng wants to drop the cup.

Bai nianxi looks at Qin Nanfeng with a smile, "when a cow becomes a horse?"

Qin Nanfeng took back the cup in his hand, turned and went to the kitchen. In order to complete the task, he forbore. It's just such a tricky task. I can't take it any more.

I thought it was just a game.

After Qin Nanfeng turned around, Bai nianxi put a chicken leg into Luo Luo's bowl and said, "Luo Luo, eat more."

Lolo nodded to his mouth, picking rice slowly and gracefully. Shen He narrowed his eyes and looked at Bai nianxi. He poured himself a glass of red wine and shook it in his hand. His eyes were searching and looking at him.

After seeing Shen Hedan for a while, Bai nianxi suddenly saw Shen Hedan, "if you don't eat, what do you want me to do?"

"Is that what you kept him for?"

"Of course not." Bai nianxi shook his head. "My purpose is to find out his purpose."

Shen Hedan said with a low smile, "are you not afraid to raise a wolf by your side?"

"Wolf?" Bai nianxi also followed with a smile, the expression on his face, meaningful,

"he may have been a wolf, but I can't bear to keep him as a husky."

When Bai nianxi said this, Qin Nanfeng just adjusted the water temperature and came out of the kitchen with a glass of water.

Although he was deliberately suppressed by Bai nianxi and Shen Hedan here, the good thing is that he has a good face. Such a face is enough to eat all the women of all ages, not to mention the maids here. It's not a big deal for Qin Nanfeng to sell a little bit of color. As long as he has a good eye, someone will bring what he needs here.

Holding a cup of 43 degree warm water in his hand, Qin Nanfeng walked out of the kitchen happily and heard the dialogue between Bai nianxi and Shen Hedan.

When Shen Hedan said he was a wolf, his eyes narrowed slightly. To tell the truth, he didn't mind Bai nianxi and Shen Hedan being on guard against him. This is the respect for his strength.

But Bai nianxi said that she raised him as Husky?

When Qin Nanfeng came to Bai nianxi, the air pressure around him was very low, just like a moving cloud, which could thunder and flash at any time.

Bai nianxi also knew that Qin Nanfeng had heard what she had just said, but he didn't have the consciousness of saying bad things about people behind their backs. On the contrary, he was very open and aboveboard.

"So fast?" Bai nianxi seems to be a little surprised by Qin Nanfeng's efficiency.

Qin Nanfeng pulled the corner of his mouth and said with a smile: "Miss Bai told me the task. How can I do if I'm not happy?"
