

# Billionaire CEO Won't Leave

## Chapter 279

Mu Sili's words come down, Bai nianxi's face is a little red, she doesn't know how to answer.

It's impossible for her and Musi to leave each other, but at this moment, she finds it hard to say no.

In the past, Mu Sili always kept a gentleman and demeanor. She didn't realize his intention, but if he didn't say it, she didn't, and everything maintained a superficial calm.

But now, it seems that there is no way to go on like this. She can't pretend to be silly to his mind. She wants to give him a clear answer.

I don't know when, Lolo's eyes also looked this way, his headphones are still on his ears, just turn off the sound in the headphones, pay attention to the movement here.

He couldn't see who was coming, but he had heard all that mousse had just said. The man was confessing to Mommy.

Lolo did not say anything, still quietly sitting in place.

After a while, Bai nianxi shook his head, "I'm sorry."

As if nothing had happened, Lolo looked back.

Although it can be expected how Bai nianxi will answer, when he asks, Musi Li can't help but bring a little expectation. At the moment of hearing Bai nianxi's answer, he lowers his head slightly.

But moussili still laughed, covered up his depression and embarrassment, said: "I knew so."

After two more conversations, Musi Li stands up and leaves. After Musi Li leaves, Lolo puts down her e-book and goes to Bai nianxi, "Mommy."

Bai nianxi is not in a good mood, but when he sees Luo Luo, he can't help smiling, "what's the matter, Luo Luo?"

Luo Luo didn't speak and stood in front of Bai nianxi. Now his height was the same as that of Bai nianxi when he was sitting.

Luo Luo reaches out his hand and takes Bai nianxi's head into his arms. He taps it gently on Bai nianxi's back. He feels that mommy is in a very sad mood now.

Feeling that Lolo is comforting her, Bai nianxi's heart warms and her eyes are red, but she still can't hold back her tears.

Lolo's eyes are not good. She can't make herself weak.

When they hugged each other, Shen Hedan came in from the outside. When he came to the door, he was stunned, "what's the matter?"

Bai nianxi loosened his head and said with a smile, "it's OK."

As he spoke, he rubbed Lolo's head.

Shen Hedan's eyebrows wrinkled imperceptibly. He didn't let Bai nianxi's eyes turn red, but he didn't ask any more questions. He just said, "the dinner party is about to start. Get ready to go out."

After a little tidying up, a few people went out together. At this time, the hall of the hotel was full of people, playing music, and the atmosphere was just right set off by the lights above.

In the hotel hall, Lolo has attracted the attention of countless sisters and aunts as soon as he appears. Lolo is dressed in a wine red suit with elegant bows at the neckline. His figure and lines are well outlined by the appropriately tailored suit. From this perspective, we can see Lolo's one meter eight long legs ten years later.

Lolo, with a cool face, is a dazzling little prince.

Even Bai nianxi, the mother, was pushed aside by the fans of Lolo, with an embarrassed and polite smile on her face.

Shen Hedan sighed, "is Luoluo's peach blossom constitution a good thing or a bad thing?"

White read Xi helpless shrug, "who knows."

While talking, Ashley, dressed in a goose yellow evening dress, came over with a man in a dark blue suit.

Bai nianxi sees Ashley with a twinkle in her eyes. Then she turns her head and looks at Shen Hedan with a teasing look in her eyes.

"What do you want me to do?" Shen Hedan's attention is still on Luo Luo, who is full of flowers over there. He doesn't notice Ashley coming here.

"Come to you." Bai nianxi some cunning hook mouth.

Shen Hedan then saw Ashley and William approaching. They were slightly stunned, then raised the corner of their mouth and said, "long time no see."

Ashley couldn't help smiling when she saw Shen Hedan. When she came near, she let go of William's hand. Her hot eyes fell on Shen Hedan's face. Then she hugged Shen Hedan and said, "brother, long time no see."

Shen Hedan's body froze for a while, and then returned to nature.

When Ashley was a little girl in the past, every time she saw Shen Hedan, she would come to hold him, and he didn't feel anything. After all, Ashley was a lovely girl, and he always treated her as a little sister.

It's just a few years. Ashley seems to have grown up a lot. Now she is a mature woman. Holding him like this again always makes people feel unnatural.

Bai nianxi stood aside, squinting slightly. Seeing this scene, she was as happy as an old mother. It was like seeing the pig that had been raised at home for 30 years, finally she would be so happy. Ashley hugged her for a few seconds, but she was still reluctant to let go until William reminded her, "don't you see the girl standing next to her? If you are so jealous, what can you do? "

With that, William looked at Bai nianxi.

But look at William's appearance, should also be a half breed, face and Ashley is a bit similar, the two just came hand in hand, probably brother and sister relationship.

The meaning of William's words, Bai nianxi also heard very clearly, should be as a brother, to inquire for his sister?

After William said this, Ashley moved her body away from Shen Hedan and turned her eyes to Bai nianxi. Before she asked her identity, Bai nianxi had not answered her.

Bai nianxi first took a look at Shen Hedan, then bowed his head and laughed. He was very generous, "I don't have any opinions."

Shen Hedan also understood William's words, shook his head, "you think too much, we are not that kind of relationship."

Bai nianxi sees a sudden light in Ashley's eyes.

"What's that?" William looked a little puzzled.

Shen Hedan said with a smile, "I'll tell you later."

The relationship between him and William has always been good, but it's about Bai nianxi's identity. Now it's better not to disclose it at will.

Shen Hedan took Bai nianxi to say hello to William Ashley. After that, William asked, "excuse me, Ms. Youyou, do you have a man tonight?"

Shen Hedan asked William to call Bai nianxi youyou directly. Bai nianxi couldn't help but feel funny when she heard this, but she still kept a dignified smile and shook her head.

William's eyes lit up a little, and then a smile of hand, half bow down, make an invitation action, "then you can be my partner tonight?"
