

# Billionaire CEO Won't Leave

## Chapter 280

Bai nianxi was stunned.

Shen Hedan first reflected that he had a good relationship with William and knew him well. William was not a person who liked to join in the fun. Although he had invited girls to dance at the banquet, there were no more than three times in total.

And those three girls, in the end, became William's girlfriends.

Bai nianxi responded with an apologetic smile and said, "I'm sorry, Mr. William, it may not be convenient for me tonight."

"Can't you give me a chance?" The smile on William's face was gentle again. "I've heard about Ashley this afternoon. I'd like to thank you very much."

Bai nianxi's face is almost stiff with laughter. She is not interested in dancing, let alone

"Now that William has invited you, you can agree." Shen Hedan said suddenly at this time.

Bai nianxi looks at Shen Hedan suspiciously, but he sees Shen Hedan's smiling face.

Just now, he saw a dark figure passing by in the corner on the other side of the banquet hall. Although William's invitation to Bai nianxi's dance may not be out of any special intention, it's better to be angry with that person.

Now that Shen Hedan had said that, William looked at him sincerely. Bai nianxi was not good enough to refuse again. He could only promise, but when Shen Hedan was about to leave, he said, "don't you have a girlfriend? I think Miss Ashley's a good companion for you. "

Shen Hedan's steps slightly pause, looking at Bai nianxi, with puzzled.

Bai nianxi is smiling. Ashley is even more happy and directly takes Shen Hedan's arm.

The lights in the banquet hall were dark, the dance floor was full of people, the melodious music sounded, and the dance began.

William put a hand around Bai nianxi's waist and gently hugged her. Bai nianxi also put his hand on William's shoulder. The other hands of the two people held each other. The distance between their bodies was just right.

"Can miss youyou dance this tune?" The dance music had begun, and William asked, looking down slightly.

Bai nianxi nodded, "a little."

William's movements are very skilled. He takes Bai nianxi's body and movements very actively and thoughtfully in the whole process. Bai nianxi follows William's movements, but he is not tired at all. He just feels a little tired, and his face looks a little tolerant.

Ambiguous lights from the top of the head down, full of sentiment, under the shadow of the charming women and handsome men figure intertwined with each other, with the beating notes changing pace, the picture is beautiful.

All of a sudden, the lights of the whole room were completely dark, and the dance floor was dark.

The action of the dance music here is that the man pushes the woman out, and then the woman turns back to the man's arms.

However, when Bai nianxi left William, he was held in his arms by another man. A cool chill came to him, and a familiar breath came from his nose.

Bai nianxi's heart is startled, the whole person completely forgot the action, Leng in situ.

At the next moment, komobei will hold Bai nianxi directly. The lights on the dance floor will be completely dark for about ten seconds. In this ten seconds, no one can be seen in the whole banquet hall.

When the light came on again, Bai nianxi didn't return to William's arms as scheduled, and when William looked in the crowd again, he couldn't find any shadow of Bai nianxi.

Kangmo North directly takes Bai nianxi to a small room without people. The space here is narrow and the environment is very closed.

Bai nianxi is still held in his arms by kangmobei. Looking at kangmobei in front of him, he is shocked and speechless.

The whole body of Kang Mo north is cold and fierce, revealing a trace of coldness. Looking at Bai Nian Xi, his eyes linger with a trace of anger.

At the moment, kangmobei gives Bai nianxi the feeling, just like the expression of kangmobei every time Bai nianxi did something to make him angry.

I decided to look at Bai nianxi for a few seconds. I didn't take back my eyes until I felt hairy. Then I released my hand and put Bai nianxi on the low chair in front of me.

Then he squatted down, bowed down, stretched out his hand and lifted Bai nianxi's skirt.

"What are you doing?" Bai nianxi was a little frightened.

Conmobeir frowned, deep voice line with distinct anger, but still suppressed, the voice sounds very low, very depressed, "I look at your feet."

Bai nianxi was stunned.

In fact, before she and Ashley both rolled down the stairs, she also hurt her foot, and her injury may be a little heavier than Ashley.

It's just that the situation was a little urgent at that time. She was splashed with dirty water for no reason. The attention of the crowd was all on the injured Ashley. She was also nervous, and the pain on her feet was not so obvious.

It wasn't until Bai nianxi got back to the rest room that he felt more and more pain on his feet. It was only at that time that musili came in again.

Until the beginning of the dance in the evening, her foot injury did not get a good relief. She wanted to take advantage of the spare time of the dance to find a quiet place to sit down and rub it. As a result, William asked her to dance again. She had to bear the foot injury. Even if she didn't come, she would apologize to William and leave after that dance.

The light here is dim, and Bai nianxi's ankle is not different.

The warm and cool fingers gently press on Bai nianxi's ankle. Bai nianxi can't help humming out his voice. Commo gathers his eyebrows in the north and says, "pain?"

"Well." Bai nianxi whispered.

"To dance when you know the pain?" The chill from the northern part of Como was heavier, and the syllables were heavy.

Bai nianxi couldn't figure out what he was blaming. Did he blame her for being hurt, or did he blame her for going dancing, or did he blame her for dancing with other men?

"I'm only going to do this one." Bai nianxi still can't help defending himself.

"Are you not afraid of pain, or do you not want your foot?" The voice of conumber sounded very dangerous because of his anger. It seemed that as long as Bai nianxi dared to say one more word, he would immediately drag her out and ask someone to chop her feet.

And at the moment, it's very dangerous.

The woman who has been missing for more than two years is right beside him, right in front of him, but he can't touch her. He has to watch her talking and dancing with other men.

Who knows what kind of torture it is for him?

"Or is that William charming enough to make you dance with him even if you ignore the injury on your foot?"

As soon as Kang Mobei's words came out, Bai nianxi's heart was instantly clear. Isn't this sour tone and pitiful question just the classic expression of the past when conmobei was jealous?

However, thinking of this layer, Bai nianxi's heart was full of Qi.
