

# Billionaire CEO Won't Leave

## Chapter 282

The last time I kissed her, I was in her sleep, but this time, both of them are very conscious of each other's existence. Naturally, their feelings are different.

Kangmo North directly out of the tongue, pry open white Nian Xi's teeth, then intruded into.

I haven't had a kiss for a long time. Bai nianxi almost forgot what it was like. When Kang Mobei came up, she forgot how to react.

Just standing there, not dodging, not avoiding, Ren Kangmo North asked.

Kangmo North kiss for a long time, until the Bai nianxi kiss out of breath, finally back out, and then in Bai nianxi's lips reluctantly toss and grind.

Bai nianxi's back is close to Kang Mobei's body. He feels the burning heat from his arms and his strong heartbeat. All these things are so unreal.

Kangmobei stopped, his hot and humid lips sticking to Bai nianxi's ear, and said in a low voice, "guess what I want now?"

Intuition to the north can't say anything good, Bai nianxi pretended calm way: "don't know."

"I want you."

Kangmobei's breath is more and more hot, and the distance between their bodies is closer and closer. Kangmobei is holding Bai nianxi's arm unconsciously, so tight that she is about to suffocate.

Bai nianxi's face became blushing because of shyness. Kangmobei's words were as hot as his breath. In this narrow space, people couldn't bear it.

The air of conumber was deep, but he just held it for a while, without any action.

After a while, he released Bai nianxi, then put his hands on Bai nianxi's shoulders, turned her around, and let her face him.

"Be patient, will you?" Kangmobei looked at Bai nianxi, the mood in his eyes was deep and unclear, "our family, after all, is a family."

Bai nianxi understands what Kang Mobei means. She really needs to be patient.

It's because she is not calm enough to accept any indifference and indifference from conumber. She seems to love him even more after two years' absence.

Bai nianxi nodded.

Kang Mo North just put down his heart, lowered his head to kiss Bai Nian Xi's forehead, and said in a dumb voice: "take good care of Luo Luo."

Bai nianxi nodded again.

With that, Kang Mobei reached out to open the door. Bai nianxi saw that he was leaving and asked, "where are you going?"

As soon as he opened his mouth, he found that he had asked too many questions. However, he turned his head and slightly hooked the corner of his mouth. He said meaningfully, "take a bath, take a cold bath."

White read night reaction come over, the face that had already calmed down suddenly again of a red.

After kangmobei left, Bai nianxi sat here alone for a while, and then went out. Kangmobei was cautious, and no one should find out when she came, and she also wanted to make people not suspicious.

In his hand, he took the ointment from conumber, and held it in the palm of his hand. It was cold.

When Bai nianxi came back to the banquet hall, the dance was just over. The lights and music changed in the hall. The guests were walking around with wine glasses in their hands, clinking glasses and talking happily.

Shen Hedan and Luo Luo are sitting together. They are sitting quietly on one side, which is out of place with the noise around them.

Seeing the appearance of Bai nianxi, Shen Hedan's eyes flashed, and then he noticed the imperceptible blush on Bai nianxi's face.

The eyes are first confused, then pondered.

When Bai nianxi came near, he asked, "where have you been?"

Bai nianxi said without expression: "go to have a rest."

Rest? Shen Hedan obviously couldn't believe Bai nianxi's statement. His suspicious blush could be the result of rest?

In fact, the surging waves in Bai nianxi's heart have not been calmed down. She wanted to pretend to answer Shen Hedan's question easily, but she can't do it. She can only cover up what happened just now with her cold and expressionless face.

"William has been looking for you just now." Shen He Dun touched his chin and squinted at Bai nianxi, "said that you suddenly disappeared in the middle of dancing."

Bai nianxi remembers this stubble. It's really bad that it suddenly disappears on the way to the dance without saying hello.

So he asked, "where is Mr. William now?"

"He." Shen He Da la la said: "he is still looking for you, I see his appearance, seems to be very anxious, like you were abducted by someone."

Shen Hedan said it casually, but he caught the changing face of Bai nianxi at that moment, the blush and guilty feeling on his face.

Shen Hedan gave a tut in his heart. It seems that he was abducted by someone. It's not obvious who that person is.

For a moment, Shen Hedan leaned out and leaned forward to Bai nianxi. He made a careful observation. Bai nianxi's eyes dodged, "what are you doing?"

"You you, your lipstick seems to be damaged by something."

Shen Hedan said this on purpose.

Bai nianxi looked at Shen Hedan's stoic smile, only to feel upset, "I hurt my foot, just went to wipe some medicine." Shen Hedan frowned slightly and looked at Bai nianxi's feet with concern. He found that it was really a little red and swollen, but it was obviously taken medicine. There should be no problem. So let go of heart, oh, pull out a long tail tune.

Luo Luo hears Bai nianxi's words, and comes over, "Mommy, what's wrong with your feet?"

"It's OK. I twisted it and rubbed the medicine." Bai nianxi smile back to Luoluo, or son warm heart.

Luo Luo nodded, it's OK, and then attached to Bai nianxi's ear. With the volume of whispers Shen Hedan could just hear, he said, "is it the medicine Daddy gave you?"

Bai nianxi's face turns red and black. Is her expression so obvious?

Lolo points his delicate little nose, "I smell daddy's smell on mommy."

Shen Hedan sat lazily on the sofa, half squinting, and the smile at the corner of his mouth was even worse.

Bai nianxi coughs awkwardly twice. Suddenly, he sees William and Ashley coming not far away, just like seeing the rescuers, with welcome on their faces.

William had an anxious look on his face. At the moment he saw Bai nianxi, he seemed to be relieved. Then he walked quickly over. Ashley's attention had been focused on Shen Hedan.

"Miss Youyou, where did you go just now? Why did you disappear?"

Bai nianxi apologized and said, "I'm sorry, Mr. William. It's really inconvenient for me to dance because I hurt my foot. I just went out to wipe the medicine on the way. I didn't tell you in advance and let you look for it for so long. I'm really sorry."

Hearing Bai nianxi's words, William turned his eyes to Bai nianxi's ankle and found that he was really injured there.

Immediately put on a face of apology, "no, no, no, I'm not good, I shouldn't pull you to dance after you hurt your foot, I'm sorry, I'm really sorry."

Looking at William's very guilty expression, Bai nianxi felt sorry. At that time, she wanted to hide it from him, and William didn't know.

So he shook his head with a smile and said with guilt, "how can I refuse Mr. William's invitation?"
