

Billionaire CEO Won't Leave

Chapter 284

Bai nianxi sighs. Mu Sili is different from Su Yihao and Jiang zhiang. He has no impurity, no use, no means and no plot for her. He really respects her and loves her. Therefore, she appreciates and admires him.

However, it's just gratitude and admiration. No deeper feelings will come.

She can't afford what he wants. This man, she will fail in the end.

"Water..." Mursili cried again.

Shen Hedan didn't know when he would come back. Before that, Bai nianxi couldn't just watch Mu Sili die of thirst. He could only stretch out his hand and try to help Mu Sili up from the bed.

Fortunately, Bai nianxi's strength is not small. He can barely pull Mu Sili out of bed. Then he drags the quilt, forms a ball behind Mu Sili, and takes two pillows.

When musili leans on the bed and is stable, Bai nianxi reaches out to hold the water cup, hands the water to musili and feeds him.

Musi Li opened his eyes from drunkenness and saw that the person in front of him was Bai nianxi. He grabbed Bai nianxi's wrist with such force that his arm shook and the water in the cup spilled out, splashing a little on the open neckline of Musi Li's chest.

Mu Sili half squints hazy drunk eyes, looks at Bai nianxi and murmurs: "nianxi, is it you?"

Bai nianxi said.

"Why are you here?" After that, without waiting for Bai nianxi to reply, Mu Sili sneered at himself again, "it's a dream again..."

Bai nianxi was silent.

Musili continued to murmur: "why can I see you everywhere Why is it all your shadow... "

"You're drunk." Bai nianxi once again handed the water cup to Musi Li's mouth, "drink this glass of water first, or you will have a dry throat."

Musi Li's eyes were dim when he looked at Bai nianxi. After a while, he attached his lips and went to drink the water in the glass.

After drinking the water, Musi Li closed his eyes again. Only in a dream can he see Bai nianxi's gentle attitude towards him.

Bai nianxi sat by the bed for a while. Although he thought it was very unkind to pry into people's privacy while they were drunk, he decided to ask, "Mr. Mu, is that Mr. Z who wants to buy my painting, you?"

Musi leans on the quilt, his eyes are still closed, listening to this sentence, there is no response.

Bai nianxi asked another question, "do you know who Mr. Z is?"

Musi still didn't respond. He just felt that his mind was in chaos and couldn't think. He could only vaguely hear Bai nianxi's voice, which he wanted to hear most.

After a moment's silence, Bai nianxi sighed, lowered his head and said in a deep voice, "I'm sorry."

The door of the room was knocked. Bai nianxi went over and saw that the man outside was Shen Hedan through the cat's eye. With a sigh of relief, he opened the door and said, "how did you come here?"

Shen Hedan, holding Luo Luo in one hand, stood at the door. His face turned a little red. Hearing the words, he explained, "no, I came as soon as I got your call."

"I came here after playing two games." Luo Luo turned his mouth.

Shen Hedan hah hey, two times, while Bai Nian Xi has not been angry, preemptive way: "my respected princess, what do you want me to say?"

Bai nianxi calm face, "come in."

Shen Hedan came in and suddenly found a man lying on the bed. Ah, he called out, and he stepped back a few steps under his feet.

"Nianxi, we can't do such a thing. If you take a fancy to others, you can tell me that with the power of the Shen family, there is no brother-in-law I can't conquer, but you can't give people medicine to kill them..."

Before Shen Hedan finished his words, he was blocked by Bai nianxi, "shut up!"

Shen Hedan really didn't know after drinking some wine. Lolo is still here.

And Luo Luo, already at the moment of hearing Shen He Dan's words, his face completely blackened down.

Needless to say, today's moussili is reclining on the bed. His clothes are slightly messy and his neckline is wide open, revealing the delicate clavicle and muscle lines inside. He looks very sexy and lazy. No wonder Shen He thinks it's wrong for a moment.

After seeing clearly, Shen Hedan finds that the person on the bed is mu Sili. His face changes and he looks at Bai nianxi.

"Look at me, look at him." Bai nianxi glanced at Shen Hedan, then reached for Luo Luo, "I'll sleep with Luo Luo tonight. You can take care of Mr. Mu here."

Bai nianxi's command was very natural. Before he left, he asked: "by the way, people admire Mr. noble body. Now that you have drunk wine, you are not comfortable. You take good care of them." Then he went out without looking back.

Lolo agreed with Bai nianxi's decision.

Shen He was in the same place for a long time before he looked back. Mu Sili was a noble man, but he wasn't? Musili drank wine, so did he!

Why should he take care of musili? I really regret that I should bring Jin Ting and an Qing out this time.

The door slammed shut, leaving Shen Hedan and Musi Li alone in the room. Shen Hedan leaned on the wall with his arms around him. Looking at Musi Li sleeping on the bed, Shen Hedan was quite good and didn't move.

Since it was Bai nianxi's command, he had to carry it out well. Otherwise, Bai nianxi would not be able to carry it down.

Now that Muse is still in the air, Shen Hedan has to take a bath. Today, Shen is in a good mood and has to take a bubble bath.

Shen Hedan was taking a bath while humming happily. Suddenly, the door of the

bathroom rang. Someone patted the door with his hand.

First of all, listening to this voice is definitely not the strength that a woman can shoot. Secondly, no woman will have the courage to break into Shen He Dan's bathroom. Shen He, who is full of bubbles, worries about a clatter.

This is moose waking up!

The strength of beating the door is getting more and more urgent. Shen Hedan takes the nozzle and drizzles it on his body in a hurry. Then he pulls the bath towel next to him and goes to the door and opens the door.

Mu Sili stood at the door with one arm supporting his hand and raised his eyes at the moment when Shen Hedan opened the door.

"What are you doing?" Shen Hedan stares at Mu Sili, alert in his eyes.

Mu Sili seems to be surprised to see Shen Hedan. He looks at him suspiciously. Then, as if he didn't see him, he walks into the bathroom.

Then he took off his suit coat, stretched out his gentle finger and began to unbutton his shirt.

He unbuttoned the buttons on his shirt one by one, revealing his strong chest inside. Shen he stretched out his hand, clasped mousse's unbuttoned hand, and frowned, "what are you doing?"

Musi from the good-looking face no expression, just light spit out two words, "take a bath."
