

Billionaire CEO Won't Leave

Chapter 290

"How's it going?"

Bai nianxi looks at Liu Xiaoru, "how much is Miss Liu going to give us?"

"I can afford as much as you want." Liu Xiaoru's words sound a little confident about her financial resources. Anyway, her family is never short of money.

"How much can I afford?" Bai nianxi is curious about Liu Xiaoru's enough strength.

Perhaps Bai nianxi's tone of voice made Liu Xiaoru think of something. Liu Xiaoru added: "of course, it can't be too much, but for example, I can give you ten times, twenty times, thirty times the amount of this meal."

Bai nianxi said, it seems that Liu Xiaoru has a good family background.

"Miss Liu's proposal is really exciting. It's just that what we want is not the money, but the meal here."

"You Liu Xiaoru is angry, "how can you be so shameless! I said I would give you money and let you go away with it. Don't you want to? "

"Why should I?" Bai nianxi asked as if nothing had happened, then picked up the menu on the table and handed it to Luo Luo, "Luo Luo, what do you want to eat?"

She just noticed that the menu in this restaurant is marked with Braille, which is not available in most restaurants.

Liu Xiaoru was completely ignored, even if she had just offered such a favorable condition, Bai nianxi did not take it into consideration. From

small to large, where did she suffer such grievances!

"No way!" Liu Xiaoru rushed over, grabbed the menu in front of Luo Luo and threw it on the ground, "this room is mine! I'll let you go, and you'll have to go!"

"Miss Liu?" Bai nianxi looks at Liu Xiaoru, with anger and fierce in his eyes.

Before I saw that she was young, so I didn't want to make trouble with her. But this woman bullied Lolo?

"Why?" Liu Xiaoru does not admit defeat and Bai nianxi looks at each other.

"Does Miss Liu never know what education is?" Bai nianxi said sharply, "it may be too difficult for you to understand being cultured, but Miss Liu should have heard of being civilized and polite, right?"

Liu Xiaoru naturally understood the irony in Bai nianxi's words. Because of this, she was even more angry and speechless.

Grow so big, no one dare to use such tone, so impolite to talk to her!

"You! You You What a shame Liu Xiaoru pointed to Bai nianxi, and could not even retort.

From the beginning, Shen Hedan has been sitting in the same place, ignoring Liu Xiaoru. Now when he sees Liu Xiaoru, he just feels impatient and upset.

He reached for the manager of the restaurant and said, "call security and drag this woman out. Oh, yes. Tell me, don't start just because she's a woman."

When Liu Xiaoru heard Shen Hedan's words, he became even more angry. "How dare you drive me away?"

Sometimes, Shen Hedan and Bai nianxi have the same ability of poison mouth. "I'll drive you, just like driving a chicken."

"You Liu Xiaoru's voice was also very sharp. "Why are you driving me away! It's not your restaurant! "

Shen Hedan glanced at the manager of the restaurant. The manager immediately stepped forward and said, "Miss Liu, this restaurant is owned by Mr. Shen."

.....

Bai nianxi takes a look at Shen Hedan. Unexpectedly, he has an estate here. When I think of the Braille menu specially placed in the restaurant, I feel warm. It must be because of Lolo.

Before Liu Xiaoru swaggered into the restaurant, the manager of the restaurant had already called the security guards to come over, and they were waiting outside. As soon as Shen Hedan spoke, the security guards rushed in.

Liu Xiaoru twisted his body to shake off the hand extended by the security guard behind him, "let me go! Let go of me

"How dare you offend me! Don't die! "

"If you know who my father is, you'll regret it!"

"My father is a doctor for the president! Do you know how many hidden diseases my father cured! Those people want to flatter my father and stay with him every day! They will give me what my father wants. If you bully me now, you will die tomorrow! "

Liu Xiaoru is twisting and yelling. Originally, she wanted to frighten Shen Hedan and Bai nianxi with her family identity, but obviously, the information revealed in her words is more interesting to Shen Hedan.

"Doctor?" Shen Hedan's lips moved.

Liu Xiaoru thought Shen Hedan was shocked by his words. He threw away the security guard's hand on him and snorted, "my father has excellent medical skills. Even the president has to be polite to my father. What are you?"

As long as my father says something, tomorrow you will..."

"Is your father the president's doctor?"

"Of course." Liu Xiaoru is proud and invincible.

Shen Hedan and Bai nianxi look at each other.

What Liu Xiaoru said doesn't seem to be a lie. Since she is so arrogant and domineering, she must have some confidence and a good family background. Listen to her meaning, Liu's father should have been ill to many political dignitaries. His medical skills must be good. In that case

Shen Hedan gently glanced at the people behind Liu Xiaoru. Everyone got a wink and retreated one after another.

Liu Xiaoru looks at Shen Hedan and thinks he is afraid.

Shen Hedan stood up and walked slowly to Liu Xiaoru. "In that case, I have a few words to tell you."

Liu Xiaoru held her hands in front of her chest, "why, are you afraid now? You want to apologize to me? I'll tell you You..."

Liu Xiaoru looks at Shen Hedan standing in front of him. He suddenly leans down and puts his face close to him. He doesn't say anything in his throat for a moment.

Shen Hedan stares at Liu Xiaoru with a sense of oppression in his eyes. "I want to see your father."

"You What did you say? "

"I said, I want to see your father, the doctor who treated the president."

"By, by what?" Liu Xiaoru doesn't know what Shen Hedan means by suddenly putting forward this request. He asks warily and puzzled.

Shen Hedan straightened up and said, "don't you want this room? I can give

it to you on the condition that I see your father

Bai nianxi understands Shen Hedan's meaning, presumably because he knows Liu Xiaoru's father is a doctor and wants him to see Luo Luo's eyes.

What if there is a turnaround this time?

Liu Xiaoru agreed.

Two hours later, not far from the front of a luxurious palace like private house in the suburb, Liu Xiaoru pointed to the front, "my father should be here."

Shen He looked ahead. This should be the residence of a dignitary. There are guards around. They are not easy to get close to. "Tell him to come out."

"What?" Liu Xiaoru widened his eyes, "do you know the identity of the people inside! If you want to see me, you can say it yourself! "
