

Billionaire CEO Won't Leave

Chapter 297

Musi Li takes Bai nianxi and Luo Luo to go in. Musi Li knows that Bai nianxi has something to say to kangmobei, so he leads Bai nianxi directly to the entrance of kangmobei's lounge.

Before Bai nianxi went in, Mu Sili grabbed Bai nianxi's arm with a complicated look. He wanted to say something, but he couldn't say it for a long time. Finally, he just said, "I'll wait for you here."

Bai nianxi opens the door and goes in.

The atmosphere here is very quiet, which is incompatible with the hustle and bustle outside. Commobei, dressed in a white suit and dress, stands in front of the window. His tall figure reveals his incomparable noble spirit.

Hearing someone open the door, he turned his head slightly without expression. At the moment when he saw someone coming, he froze all over.

In fact, when she was outside, Bai nianxi had a lot of questions in her heart. She was confused, she didn't understand, and she didn't believe it. Maybe this is the reason why she didn't feel heartache.

She didn't seem to have time to feel heartache, because she didn't accept the reality at all.

However, at this moment, at the moment when conmbel looked back, everything that was still calm was defeated.

She had never seen him in a white dress, but she didn't know that he was so good-looking in white. The White was the color of the wedding, and the wedding was his wedding with Mu Rushan.

Conmber's eyes were full of shock and consternation, then countless complex

emotions flashed by, and finally returned to darkness and silence.

He didn't look happy when he saw her as usual, and he couldn't wait to walk towards her as usual. Bai nianxi felt nothing but heaviness in kangmobei.

All of a sudden, she didn't want to ask anything. She didn't want to know what story was behind her and why conmbent had to do it.

There is a distance of three or four meters between Bai nianxi and Kangmo north, and no one has stepped forward. However, Luo Luo, who is in Bai nianxi's hand, releases Bai nianxi's hand and walks towards Kangmo north.

Go to kangmobei, reach out to touch kangmobei, touch kangmobei's trouser legs, touch kangmobei's corner, touch kangmobei's cuff.

"It's a wedding dress, isn't it?" Asked Lolo, speaking English.

There was no sound from conmbent.

Lolo's hand lingered for a while on the cuffs of combo north and then left. He couldn't see combo North in his eyes, but he still raised his head and asked again in English, "why?"

Kangmobei still didn't answer. Up to now, he had no choice. Mu Rushun's lost leg ruined her life and kidnapped him.

Waiting for a long time, did not wait for even a sorry. "OK," said Lolo, stepping back. "Congratulations."

From now on, he and Mommy are dependent on each other.

Luo Luo returned to Bai nianxi and took Bai nianxi's hand. "Mommy, let's go."

Bai nianxi stood in the same place and didn't move. His eyes were fixed on Kang Mobei. Finally, he said, "you look good in this suit."

He said with a smile, "congratulations."

It's ridiculous that she went all the way back to China, and only wanted to see him. Now, she is standing here peacefully, and no one can step out of the step that can make the distance between them closer.

Conmobei never said a word, not even an explanation.

At this time, the door of the room was pushed open again.

Mu Rushuang, in a white and holy wedding dress, sits in a wheelchair and appears at the door. Behind him, there was a complicated moussili.

Today, mu Rushuang has spent a lot of delicate makeup, but she can still see that her face is very bad, probably because she is still very weak soon after the operation, and she has lost a leg, so she has not recovered from her grief.

Mu Rushuang looked at the three people in the room, pale and expressionless face appeared a trace of cold, "what are you doing?"

Bai nianxi looked back and saw the admiration behind him. His voice was light and light. "Just have a look."

"You are not welcome to my wedding with Mobei."

Bai nianxi turns around and leads Luo Luo, "let's go now."

Mu Rushun's hands clenched into fists, his face was trying to endure, and his face painted with exquisite makeup even became a bit ferocious. When Bai nianxi walked out of the door, he threw the crystal ring on the ground and made a clear sound.

Mu Liancheng just came over. When he saw Bai nianxi at the door, his face changed. Then he came in and saw the scene of Mu Rushuang throwing a bracelet.

"Shuanger..."

"Go! Let's all go Mu Rushun almost cried out hysterically.

Since the amputation, mu Rushuang's mood has become very unstable, sensitive, fragile and irritable, which makes Mu Liancheng look in the eye and feel pain in the heart.

Mu Liancheng went to the north of Kangmo and said angrily, "what do you mean! What did you ask that woman to do at your engagement ceremony with Shuanger? "

Kangmobei didn't speak. He just looked at mu Rushun in the wheelchair, his eyes were as deep as the abyss. Mu Liancheng continued to say angrily: "don't forget your current status. You are Shuanger's husband and our Mu family's son-in-law! That woman will never be allowed to step into Kang's and Mu's territory again! You can't have any more intersections! "

Mousse came over, "Dad, nianxi, I brought it here."

"What did you say?" Mu Liancheng turns his head and looks at Xiang musili. Then he remembers that Bai nianxi is also the woman Mu Sili likes.

A slap fan in the past, abruptly fell on Mu Sili's face, voice clear, resounding throughout the room, Mu Liancheng is really furious. "Are you crazy! Today is your sister's wedding! You brought that woman in? "

Mu Liancheng exerted too much force, and there was a bright red palm mark on Mu Sili's face, and blood was oozing from the corner of his mouth, which was shocking. Mu Sili lowered his eyes slightly and didn't speak.

"Get out of here!" Mu Liancheng pointed to Mu Sili, "get out of here now! Frost's wedding, I don't allow anyone to destroy it! Get out of here, I'm upset when I see you!"

Mu Sili raised his eyes and looked at Mu Liancheng. After a while, he said, "good." He is not suitable to appear at the engagement ceremony or in front of the public.

If the bright red palm mark on the face is photographed by the media, I don't know what news will come out tomorrow.

Musi left and went out to murushuang. Her hand was still shaking, and her face looked very depressed.

Half squatting in front of murushuang, musili reached out to hold murushuang's hand and said in a soft voice: "Shuanger, brother is here. I wish you happiness." Finish saying, raised mu Rushuang's hand, toward the back of the hand to kiss down.

Kiss is very light, and then put down mu Rushun's hand, smile, hand gently patted mu Rushun's head, "you will be the happiest bride."
