

Billionaire CEO Won't Leave

Chapter 299

Bai nianxi was taken to a place. It's dark, with all kinds of sundries and dust on the ground. It should be a warehouse in the hotel.

The man who escorts Bai nianxi pushes Bai nianxi in directly. Bai nianxi falls to the ground. Kang Xinyue comes in with him and looks down at Bai nianxi.

Bai nianxi raises his head and looks at Kang Xinyue. At that moment, his eyes look calm and indifferent, which makes people feel frightened.

Kang Xinyue frowned, "why, do you still hate me?"

Bai nianxi didn't answer, and there was no expression on his face.

"Bai nianxi, hate me? What right do you have to hate me? " Kang Xinyue's face was full of hate when she spoke.

More than two years ago, after Bai nianxi made that trip in Kang's house, there was no future between her and Su Yihao.

After knowing what Su Yihao had done before, all the people in the Kang family refused to let Su Yihao step into the Kang family. The Kang master even closed Kang Xinyue for a period of time because of this.

This time, no matter how much Kang Xinyue asked, even if he threatened to go on a hunger strike, the Kang family would never compromise. This does not include Kang Mobei's attitude.

After Kang Mobei knew what Su Yihao had done to Bai nianxi before, he sent his men to kill Su Yihao. After a long time in the hospital, he came back.

Later, Kang Xinyue elopes with Su Yihao once, but he is also blocked by Kang Taiye and others. Su Yihao faces another beating.

Even in that fight, Su Yihao lost his fertility.

Later, when she found Su Yihao, Su Yihao knelt down in front of her and asked her to

let him go.

Su Yihao even told her that he shouldn't have tried to climb up to her at the beginning. As a result, he didn't get what he thought he was, but he ended up with such a tragic end.

She gave Su Yihao a slap and left.

She hates it!

Over the past two years, she has been hating all the time, and what she hates most is not su Yihao, but Bai nianxi who has exposed all this.

Bai nianxi, how dare she come back again?

"Bai nianxi, how dare you come back? What are you doing back here? My brother is engaged to Mu Rushuang now. Do you think you can take him away this time? "

Obviously, Kang Xinyue knows where Bai nianxi's pain is. Every word he says is like a sharp knife, trying to poke into Bai nianxi's heart.

"I tell you, this time, no matter what means you use, you can't be with my brother again. Between you, it's completely over. Just like me and Su Yihao, it's completely over. You will taste the pain I experienced at the beginning again and again."

With that, Kang Xinyue squatted down, looked at Bai nianxi on the ground, stretched out her hand, pinched Bai nianxi's chin, and looked fiercely.

"Before, you could do whatever you want with my brother's love for you, but now, I'd like to see how arrogant you are when you can't get my brother's extra look."

Bai nianxi stubbornly raises his head, reaches out his hand, grabs Kang Xinyue's wrist holding his chin, slowly pushes it away.

Kang Xinyue exerted a lot of force. Her nails were sharp and long. Pinching them on her chin was very painful. After she left, she left a piece of red and many marks pinched out by her nails.

After Bai nianxi pushes Kang Xinyue's hand away, he releases it in a daze. Although he doesn't speak, his face and eyes are full of silent dislike and hatred.

It's like Kang Xinyue's hand touched her face, as if her face was stained with some rubbish.

The corner of Kang Xinyue's mouth is hooked, and the feeling of disdain is expressed.

"I tell you, you are nothing when you leave my brother in vain. What do you think you are? Put away your way. Today I will show you how people's self-esteem is trampled on bit by bit."

"You can also understand what it's like for a person's self-esteem to be trampled on by others and become fragmented."

Kang Xinyue finished and waved to the two men behind him.

Before the two men came up, Bai nianxi, who had been silent, suddenly said, "do you know? Kang Xinyue, it's good that Kang Mobei left me. "

Kang Xinyue frowned.

Bai nianxi stares at Kang Xinyue directly, "before, for the sake of Kang Mobei, I can't do anything to you. Even if you have shamelessly hurt me, my response to you can only be enough."

"And now, he left me, too. In this way, I don't have to worry about his identity any more. Kang Xinyue, you can hurt me as much as you can. I also tell you that from today on, I will get back the hurt you have given me bit by bit and mercilessly. "

"Is it?" Kang Xinyue sneered, "OK, Bai nianxi, we'll see."

With that, Kang Xinyue turned and went out. She turned her head and said to the two men beside her, "don't you usually have a good time in the club? Let me see your skills today." Then he glanced at Bai nianxi, "don't pity this woman."

The door "bang!" With a close, two men gathered around.

Thought Kang Xinyue how to trample on her, originally, is to find two men to rape her.

The two men knew the relationship between Bai nianxi and Kang Mobei. At the beginning, they still had some scruples. However, when they saw Bai nianxi's beautiful, plain and moving face, their evil thoughts still couldn't resist.

After all, she's just a woman who doesn't want to be left over from conmborg.

Bai nianxi's identity in the Shen family has not been publicly announced, and only a few senior members of Qianqiu group knew her identity as CEO when she returned home this time.

Therefore, in the eyes of these people, Bai nianxi, who left kangmobei, is just a fish to be slaughtered.

After the two men rushed up, Bai nianxi fought to the death. Under extreme conditions, people can always stimulate unlimited potential and do many things that they can't do at ordinary times.

Although this kind of potential can't make Bai nianxi completely resist the two strong men in front of her, when she has a knife in her hand, it's enough.

This knife was seen in the sundry room while she was talking with Kang Xinyue just now, and she secretly touched it when the two men hesitated.

"Ah --" a scream, one of the men kneeling on the ground, covering his own blood gurgling thigh, scream constantly.

Another man saw the scene, stunned, and then flashed a fierce color on his face, and made a gesture toward Bai nianxi.
