

# Billionaire CEO Won't Leave

## Chapter 302

"That's right." Shen Hedan said: "I sent Gao Yu to you. He has excellent medical skills. Luo Luo's eyes haven't recovered yet. There are still places that need him. He's around you and can take care of you."

Shen Hedan wants to send Gao Yu. It's good. Bai nianxi nodded.

After Bai nianxi hangs up, Mu Sili and Luo Luo are looking at her together.

They woke up when she called Shen Hedan. Although she had deliberately lowered her voice, musili and Lolo were too sensitive to her voice.

"Mommy, are you ok?" Luo Luo jumps down from Mu Sili's leg, walks to Bai nianxi's side, and asks with concern.

"Well, Lolo, don't worry. Mommy's all right." Bai nianxi took Luo Luo's hand and warmed it in his palm.

"That's good." Lolo nodded reassuringly.

He didn't see the scene yesterday. He didn't know what Bai nianxi looked like. Fortunately, musili told him that mommy wasn't seriously hurt.

Bai nianxi looked at Mu Sili and saw that he was looking at himself in the same way. He said sincerely, "thank you, Mr. mu."

Her address to him returned to the original "Mr. Mu", keeping the distance just right.

Musi from Leng Leng, nodded, said with a smile: "I still like what you called me yesterday."

Bai nianxi is stunned. He can't seem to remember how to call Mu Sili yesterday.

"You call me Sili." Musi Li reminded that when he said this, his face even showed a faint blush.

His face now, a bit like a child to be loved.

Bai nianxi was stunned again and laughed, "then I'll call you Sili in the future. Between friends, can't you call it like this?"

The meaning of Bai nianxi's words is understood by Mu Sili, but he is satisfied now.

After yesterday's event, Lolo no longer resists Musi Li. He still remembers that yesterday, only Musi Li was willing to help him find mummy.

Bai nianxi's physical condition has been stable, the rest just need to rest in the hospital. Musi has no rest for a day, so he is ready to go home first.

When he came to the door, Musi Li's body faltered and almost fell down. Fortunately, the door frame was next to him, and Musi Li steadied his body in time.

"What's the matter?" Bai nianxi asked.

Moussili shook his head. "Maybe it's because I've been sitting for a long time and my legs are numb." Then he went out with an air of ease.

Luo Luo sits beside Bai nianxi. Bai nianxi asks about yesterday's situation. Luo Luo tells Mu Sili that he was beaten twice by Mu Liancheng because he wanted to find her.

Think of this morning when mousse left that a stagger, it is estimated that the leg was injured.

When he left in the morning, he remembered the red handprint on his face. Bai nianxi's nose was sour.

Who would have thought that it was Musi Li who finally stood beside her.

"Mommy." Luo Luo soft call, open both hands to Bai nianxi chest, will Bai nianxi a embrace, "Mommy, after, I protect you."

"Well." Bai nianxi's voice was filled with tears.

Let anqing with Lolo back to the hotel to have a rest, Bai nianxi sitting alone in the empty ward, finally remove the disguise, cry.

As if the heart was torn in general, the pain is broken and intense, never cut off.

Conmber, you son of a bitch, son of a bitch.

Mu house.

Musi Li came back to the house with strong support. As soon as he entered the house, he was beaten down with a crutch by Mu Liancheng, who had been guarding there, and hit him on the shoulder. Musi Li snorted.

"You dare to come back!" Mu Liancheng said angrily: "I didn't say that, don't go to that woman again!"

Mu Liancheng had no hostility to Bai nianxi, but he knew the feelings between kangmobei and Bai nianxi. Now that mu Rushuang is engaged to kangmobei, he will never allow Bai nianxi to get in.

How can mu Rushuang allow any accident in his marriage at such a heavy price?

In the past, he could tolerate musili's feelings for Bai nianxi, and he had thought of accepting the feelings and marriage between them, but now, it's impossible.

Not only must kangmobei keep an absolute distance from bainianxi, but also musili.

Musi Li's face doesn't look very good. He doesn't say a word when facing the furious Mu Liancheng. He understands Mu Liancheng's hostility to Bai nianxi. He does all this just to protect mu Rushuang.

Seeing that Musi couldn't resist and didn't explain, the more angry Mu Liancheng was, the more his crutches fell down one by one. "I will never accept that dayianxi! You have to keep me away from her, too! "

"Dad, that's what you think. "Musi Li finally opened his mouth, and his voice was filled with pain.

"Don't you know what that woman means to Shuanger?"?! "But she didn't do anything wrong. She shouldn't be treated like this. "Because of Mu Liancheng's beating, Mu Sili's brow slightly frowned.

"What did Shuanger do wrong! "Mu Liancheng yelled out in a rage, and then hit him with a stick." if you can't control yourself, you won't recognize me as a father! "

Mu Liancheng's hand lost its accuracy because of his anger, and a stick knocked on Mu Sili's head, which immediately shed a wisp of blood on Mu Sili's forehead.

"Dad, if you fight like this again, your two children will be disabled. "I don't know when, mu Rushuang came over with a wheelchair and looked at the bloody Mu Sili with a blank face.

Although she is engaged to Kangmobei, Mu Rushuang still lives in Mu's home. First, shortly after the operation, Mu Rushuang needs comprehensive and considerate care to help her recover. Mu Liancheng is more at ease with her own hands.

Second, although Kangmobei accepted her engagement, it obviously took time for him to accept it. During this period, Kangmobei spent every day in the office and conference room, trying to paralyze himself with more busy work.

"Frost" Seeing Mu Rushuang coming, Mu Liancheng was a little surprised. When he heard Mu Rushuang calling himself disabled, his heart was full of heartache.

Mu Rushuang's words are ugly and cold, but in fact, they are still towards Mu Sili.

Musi from looking at Mu Rushuang, eyes deep a lot.

"Let me do what I want to do." "Mu Rushun is still expressionless," but I don't want to see Bai Nianxi appear in front of me."

Mousse moved away from the Adam's apple and didn't say anything.

For Mu Rushuang, the way to make the distance between Kangmobei and Bai Nianxi farther and farther is not only to keep Bai Nianxi away from their life, but also to make Bai Nianxi unable to do so.

It's not too bad that Bai Nianxi and Mousse are separated.
