

《Billionaire CEO Won't Leave》

Chapter 31

Bai nianxi is very grateful for Kang Mobei's help. After all, as long as he is willing to lend her 80 million yuan, let alone one condition, she will agree to ten.

"Well, I promise, you say."

Kangmobei's conditions are very simple. In two days, he and some friends make an appointment to go to Switzerland to climb the snow mountain and soak in the hot spring. All his friends have female companions, but he doesn't have them. Therefore, what Bai nianxi wants to do is to act as his female companion and accompany him to climb the snow mountain and soak in the hot spring.

Bai nianxi was stunned after hearing this. That's the condition?? That's what commobei got in exchange for 80 million???

"There's more." Kangmobei looked at Bai nianxi's eyes, "you come to ask me for money for other men. I'm not happy about it, so you have to make me happy."

Kangmobei's voice is very flat, but his expression is very serious. It can be seen that he didn't cheat her or scare her. Kangmobei is really not happy.

But how can she make him happy?

"How can I do that?"

With deep eyes, kangmobei reaches out his left hand and caresses Bai nianxi's face. Just when Bai nianxi thinks that the hand is going to fall on his face, kangmobei suddenly turns his fingertips, picks up a wisp of hair beside Bai nianxi's ear and puts it in his nose to smell.

On the hair is Bai nianxi's unique taste and pleasant smell.

The voice is dangerous. "What do you say?"

Bai nianxi guessed that he was Want that?

As if seeing through what Bai nianxi was thinking, Kang Mobei shook his head, let go

of Bai nianxi's hair, put his hands in his trousers pocket, turned and walked to the sofa in the living room, and said, "isn't it fish tonight? Sweet and sour fish, braised fish, pickled fish, boiled fish, cold pot fish, dry fried fish, hot pot fish, fish soup, each one

Since she can't coax his heart, let's coax his stomach first.

There are several black lines on Bai nianxi's forehead. It's a pity that Kang Mobei doesn't talk about stand up cross talk. Does he think he's reciting the name of the dish?

Seeing that Bai nianxi didn't move, Kang Mo said: "why, don't you want to?"

Bai nianxi pursed her mouth. She felt that Kang Mobei was taking care of her!

"You have to know." Kangmobei's eyes are light, not satisfied, but convey a strong sense of oppression, "80 million, I can buy you a lifetime, do fish for me."

Speaking of it, conmobei suddenly felt that this idea was very good, "or, I'll buy you for a lifetime?"

Bai nianxi was speechless and didn't answer the absurd question of Kang Mobei. He quietly went into the kitchen and waved a spatula. He had no choice but to have money. She owed Kang Mobei what she owed him. Well, don't get angry, don't get angry

Jiangshi company.

"President Jiang." Secretary Li hurried into the office with a handheld iPad. Looking at Jiang zhiang with a frown, he said, "a sum of 80 million yuan has suddenly been put into the company account."

"80 million?" Jiang zhiang was surprised when he heard that 80 million was enough to solve the company's capital problem this time. However, such a huge sum of money

"Source of funds?"

Secretary Li said, "yes It's a Conrad account. "

Conrad group? From conmber north? Why does he want to help?

It suddenly occurred to him that Yao Mei swore to him last night that he would stop worrying and the problem would be solved soon. He thought that Yao Mei's words were just words to comfort him, but it didn't seem to be.

So, she went to conmoby? No, no, it's Bai nianxi!

Turning the wheelchair under his body, Jiang zhiang walked out of the office. "Go, go to Kang's house."

Since Bai nianxi went to Kang's home, the original mobile phone number has been suspended. Kangmobei should give her a new number, and he doesn't know Bai nianxi's new number. Now he can't get in touch, so he can only go to Kang's home to find Bai nianxi.

"Miss Bai, a Mr. Jiang is looking for you." The maid came to report.

Bai nianxi is studying the new recipe. Wen Yan raises his head. Mr. Jiang? Is Jiang zhiang here?

I don't know why, when I think of Jiang zhiang, Bai nianxi has a few nerves in his heart.

Put down the book, from upstairs down, see the door sitting in a wheelchair Jiang zhiang, mouth pulled out a little reluctant smile, "zhiang, you come?"

Jiang zhiang nodded. Secretary Li behind him pushed Jiang zhiang in. Bai nianxi saw Jiang zhiang's legs. "Are your legs better?"

"It's OK. I just need to rest. I'll be fine after a while." Jiang zhiang's voice today is a little low, "nianxi, are you here, how are you doing?"

"Well, you don't have to worry about me. By the way, today you..."

"Did my mother come to see you yesterday?" Jiang zhiang directly inserted the topic, looked at Bai nianxi nodded, and said: "that 80 million, is that what you want from kangmobei?"

Will the money go to Jiang's company? How fast is conmobei? Bai nianxi thought in his heart and nodded.

Jiang zhiang's eyebrows are slightly frowning. Kangmobei, what the hell is he doing?! A total of 80 million, Bai nianxi said, he will give it? He didn't hesitate to spend all his efforts to bring down Jiang family. He finally raised his hand because of an agreement. Now it's Bai nianxi's help. What does he want? Looking at Bai nianxi, her face is ruddy and her spirit is better than before. It seems that kangmobei is really good for her in Kangjia. Why should kangmobei be so good to her?

"Nianxi." Jiang zhiang called softly, and then said, "what do you think of this man, kangmobei?"

I don't know why Jiang zhiang asked this question. Jiang zhiang doesn't know that she has been occupied by Kangmo Beiqiang. She can't keep her former integrity and generosity in front of Jiang zhiang. She is full of guilt and guilt.

A touch of unnatural blush appeared on his face. "Mr. Kang, he's not bad."

Jiang zhiang's feeling is not very good. He reaches out his hand and holds Bai nianxi's hand. Because he is nervous, Bai nianxi's palm has a thin layer of sweat. "Nianxi, why don't you quit? Why don't you go back with me?"

Thinking of kangmobei's usual strength and hegemony, Bai nianxi also wants to leave the Kang family. However, she says that she can go as soon as she wants. With kangmobei's character, how can she let her and Jiang family go?

Besides, Kang Mobei has just spent 80 million to help the Jiang family through the crisis. She can't leave so ungrateful. Bai nianxi shook his head.

Jiang zhiang's eyes are covered with a thick layer of invisible emotion. At this time, Bai nianxi makes him unpredictable. Bai nianxi doesn't come to Kangmo North for more than half a month, but he already feels that she is not his.

"Nianxi..."

"Mr. Jiang doesn't understand. Miss Bai doesn't want to go back with you."

Conmobei suddenly appeared at the door, came in, and his whole body exuded a touch of prestige.

Bai nianxi was surprised. How could kangmobei go home at this time?
