

# Billionaire CEO Won't Leave

## Chapter 318

Soon, mu Rushuang came to the activity site on the first floor of the mall. On the stage, Bai nianxi and Luo Luo's figures were so eye-catching.

Bai nianxi and Luo Luo stand opposite each other. There is a sign behind Luo Luo with words written on it. Bai nianxi shows it through body movements. Luo Luo stands opposite with an indifferent face and blurts out the answer almost as soon as Bai nianxi begins to draw.

The crowd is about to boil. I don't know if Luo Luo has perspective eyes or what. Now other people have guessed a few correctly. Luo Luo and Bai nianxi have been guessing freely. The question board behind them is getting thinner and thinner, and they are about to finish the question.

People marvel, this pair of mother and son, is open hang?

Bai nianxi and Luo Luo have come to the last question. There are two words on the question board - "father."

When Bai nianxi saw the topic, his original lively body suddenly froze in the original place. What he thought directly was kangmobei.

Didn't expect, deliberately will he in the heart cold so long, but at this moment, suddenly forced to think of him.

"Father", how should she describe Lolo?

The people under the stage saw that Bai nianxi stood on the stage with a blank face, motionless. They all had some doubts. Didn't they just have a very tacit understanding with little handsome Lolo? Why at the moment, Bai nianxi is standing in the same place just like a sudden bewilderment?

Kangmobei also saw the title on the test board, which was marked with the word "father" in uppercase, which directly hurt his heart.

Bai nianxi swallowed his saliva at a loss. For a moment, he didn't know what to do.

Opposite Luo Luo looking at Bai nianxi, good-looking brow slightly wrinkled up, originally a face indifferent face finally appeared a trace of expression.

Just that expression, is very complex, complex with an unspeakable heavy, that heavy, let a person doubt, let a person panic. Such an expression should not have appeared on a six-year-old's face.

Mu Rushun is so jealous that he is going crazy.

The three of them, whether they are suffering or suffering from each other, this is the only connection between them! And she, can only look at in one side quietly, at the moment involved in between them that wipe invisible continuous affection, her life also can't have, more don't deserve to have!

The crowd under the seat is more and more agitated. It is obvious that there is something wrong between Bai nianxi and Luo Luo. Is the word "father" an existence that can not be mentioned for mother and son?

The hostess looked at the situation and was about to break the deadlock. At this time, Lolo's throat moved slightly and spat out two words, "I didn't."

I don't have a father.

Kangmobei's heart hurts, and Bai nianxi's heart is like a knife. I didn't expect that Luo Luo would say such words.

A trace of bitterness filled her heart. Bai nianxi felt sour in her heart. She didn't say or do anything, but Lolo was so clever that she could guess everything when she looked at her.

The word "father" is probably too hard for Luo Luo to say. For combe, he chose to face it in this way.

I don't know what kind of mentality a child has to take to say "I don't have a father."

After Luo Luo finished speaking, all the people were stunned for a while, it seems that they haven't reflected what Luo Luo said.

Bai nianxi returns to his senses and walks to Luo Luo with a look on his face. He leads Luo Luo. Just as the host is standing next to him, he smiles and says to the host: "I'm sorry, let's skip this question."

the host also answered quickly, with a happy smile on his face, but also appeared a little embarrassed, "OK, OK, no problem, anyway, our record is far ahead now, this

problem is as if we let go, ha ha \"

kangmobei stood under the stage, looking at the mother and son on the stage, with deep eyes, cold and motionless.

Mu Rushuang was sitting in a wheelchair. Somehow, he felt a little happy in his heart.

\ "This game is really interesting. \ "Murushuang raised his head." Mobei, shall we have a try? \ "

kangmobei's body was stiff, and after a long time, he said:" you are not in good health and inconvenient. \ "

mu Rushuang didn't say any more. She turned her head and continued to look up on the stage. The group that competed on the stage had finished one after another. The contestants came down from the stage one after another, and Bai nianxi also led Lolo down.

Mu Rushuang directly shakes the wheelchair to walk past and stops at the opposite side of Bai nianxi.

Bai nianxi was a little surprised to see mu Rushuang, and his eyes were slightly stunned? \ "

" Miss Bai. \ "Murushuang said hello with a smile, and then looked at Lolo. Lolo's stature is almost the same as that of her in the wheelchair, maybe even higher. \ "How are Lolo's eyes? \ "

when Luo Luo saw mu Rushun, he didn't have any extra expression on his face. He just took the sunglasses from Bai nianxi's hand and hung them on his face. The emotions expressed are self-evident.

Bai nianxi's heart began to be nervous, and her eyes were a little evasive. She knew that mu Rushun suddenly appeared here, so there was a great probability that kangmobei should also be here. She deliberately controlled her eyes, not to let it habitually search for the familiar figure in the crowd.

\ "Miss Bai is here to take Lolo shopping? \ "Murushuang smiles." what a coincidence, me and \ "

" Miss mu. \ "Bai nianxi directly interrupts mu Rushuang's words and steps back." I have something to do with Luo Luo, so I don't want to \ "

" Mo Bei -- "Mu Rushuang called out directly.

Bai nianxi's attitude is similar to that of running away. Doesn't he just don't want to see Kang Mobei appear beside her? Don't want to see her standing with conMBER?

Bai nianxi's heart is a thump.

She didn't want to see him in the present scene. She didn't want to see him and was afraid to see him.

Kangmo North came over, eyes set on Bai nianxi, only Bai nianxi slightly lowered his head, it seems that he did not want to look at each other.

She's running away.

"Mobei, what a coincidence today. You see, Miss Bai and Lolo are also here."

"well." ConMBER answered.

"I've seen the performance of Miss Bai and Lolo just now. It's worthy of mother and son. You really have a tacit understanding." Mu Rushuang seems to be smiling, but how can Lolo say he doesn't have a father?"

Lolo raised his head at the moment when murushuang was talking. His eyes under the sunglasses looked straight at murushuang. Although he was covered by a layer of lenses, he could still feel the sharpness that could not be ignored.

Did her words strike his heart?

Mu Rushuang hooked the corner of his mouth, and at that moment, he felt a little terrible.

What's wrong with her? Why is it like this? Why does she just want to poke people's pain, want to see other people's pain, even if Lolo is just a child?

Maybe she is crazy. As long as kangmobei's eyes stay on Bai nianxi for one more second, no, as long as Bai nianxi stays in kangmobei's heart for one more second, her hatred will never stop!
