

《Billionaire CEO Won't Leave》

Chapter 32

The maid standing next to him shivers. It's not her fault. It's Mr. Kang's order. If a man comes to find Bai nianxi, he should report to him immediately. Moreover, he has to stay by Bai nianxi's side, so that no other man can take advantage of him.

Kang Mobei's eyes are on Jiang zhiang's hand holding Bai nianxi. The whole person's momentum suddenly sinks down. He steps forward and pulls Bai nianxi back behind him. "Mr. Jiang respects himself."

Jiang zhiang expressed dissatisfaction, "I respect myself? Mr. Kang has forgotten that nianxiben is my fiancée. "

It seems to be an illusion. At the moment when Jiang zhiang said this, Bai nianxi felt that the temperature in the room suddenly dropped to freezing point.

"Why is Mr. Jiang so sure that Miss Bai must be yours?" Conmobei even chuckled, "and won't be robbed?"

Jiang zhiang's heart was shocked. Kang Mobei's meaning was that Bai nianxi was his? Did he really have an idea for Bai nianxi?

Bai nianxi stood behind Kangmo north. His face turned red. He didn't know what to say.

"I never get what I want." Kangmobei looks like an emperor in the world. He can decide life and death in a moment. "Mr. Jiang, do you understand

Jiang zhiang's face was very ugly. He just heard Kang Mobei say: "the Kang family doesn't welcome any other men except me. So do my women. Come and see off. "

Take short hands, he has to do, only forbearance.

Bai nianxi is waiting for the past three months, and so is he.

Kowtow in the wheelchair on both sides of the fingers clenched, bone white, Jiang zhiang closely staring at the back of the white nianxi, "nianxi, remember, I wait for you to go home."

With that, he walked out of Kang's house with a wheelchair.

Bai nianxi breathes heavily and sits down on the sofa with her eyes vacant. It seems that she is getting farther and farther away from Jiang zhiang, but on the contrary, she is getting closer and closer to the big devil of kangmobei.

"Why, can't you let him go?" Conmber's face was overcast, and his whole body was emitting low pressure.

Bai nianxi speechless Bai Kangmo north one eye, "Mr. Kang likes to say cruel words to stimulate others?"

"What do you mean?"

"Isn't it?" Bai nianxi is a little angry, but, "if you can't stand Jiang zhiang, just let him go. Why do you mean to be cruel and use me to stimulate him?"

A trace of hazy emotion ran over the eyes of commobei. Commobei turned his head slightly and raised a small arc at the corner of his mouth, which seemed profound. "If it's true?"

The truth? Really want to stimulate him? Bai nianxi glanced at his mouth angrily and didn't speak any more.

He never liked the things coveted by others. What's more, Bai nianxi, sooner or later, was his.

A day later, the airport.

Luo Luo's clothes today are all arranged by Bai nianxi, which is different from the inhuman black and gray aesthetics of kangmobei. Bai nianxi gives Luo Luo a little gentleman's dress with British style. The upper body is a pure white shirt, the lower body is blue and white checked suspender shorts, the collar is tied with a light blue bow tie, and the face is hung with a cool pair of sunglasses.

The more you look at it, the more you like it.

Bai nianxi couldn't help but take Luo Luo's little face and take a sip. "Luo Luo baby is so cute and lovely today."

Lolo has a lovely smile on the corner of his mouth, but if Bai nianxi can see the eyes under Lolo's sunglasses, he should know what a professional fake smile looks like.

Who would have thought that Luoluo's aesthetics was the same black and gray system as his father's.

But who made her Mommy? He must like the shape Mommy made for him!

The cold man around him can't even make a fake smile.

Bai nianxi matched him with a light blue suit of the same color with Luo Luo, which made him a pink and bright one.

Of course, this is Bai nianxi's evaluation. Through the unsmiling face and the corner of his mouth, it is not difficult to know what he really thinks.

"Well, didn't conmobei say it was early? Why didn't you see anyone?" Wang Yijing dragged the shining red suitcase to the front of Kangmo North like a model, and looked around.

When Bai nianxi heard the name of kangmobei, he stretched out his head behind him. Should this be kangmobei's friend? Why didn't you recognize conmobei?

Feeling that the air pressure on kangmobei was not right, Bai nianxi thought of a sound to remind him. After thinking about it, he still didn't dare.

Wang Yijing looked around and didn't find anyone from kangmobei, so he walked around kangmobei for a few more times and said, "no, this guy from kangmobei is never late. What about people?"

Kang Mo Beiyin's eyes were cold under the sunglasses. When Wang Yijing turned to the fifth circle, he said coldly, "I haven't seen you for several months, but my eyes are not good?"

Well This voice is a little familiar, seems to be, from the side of the gorgeous pink male body upload out? Wang Yijing put up his middle finger, put his sunglasses on his forehead, and looked closer. One second, two seconds later, suddenly, my God, he jumped back, full of one meter and eight miles, "Kang, Kangmo north?"

"Yijing, what are you doing when you are surprised?" Still ran came from behind with a smile and patted Wang Yijing on the shoulder.

Wang Yijing pointed to kangmobei in horror, as if he had seen the most terrible thing in the world, and stammered: "kangmobei! This is conمبر

Still looking at it, I was startled. There was an expression on my face. When did the style of combo North become so, er, pink and tender?

The little girl in her hand suddenly brightened her eyes, broke away from her hand and went to Lolo, "Hello, we meet again."

"Hello," said Lolo

Little fruit face some light loss, did not speak.

At this time, Bai nianxi also came out from the back of Kangmo north to say hello. Wang Yijing and Ren Ran were stunned to see Bai nianxi, and then Wang Yijing let out a thumping howl, "Damn, the three single dogs agreed together, you all secretly took your family members!"

Wang Yijing pointed to kangmobei, "you have two more! I knew, I also brought my sweet and strawberry! That's why I broke up with them yesterday! "

Bai nianxi's smile froze on her face. Didn't kangmobei tell her that all his friends had a girlfriend, and only he didn't, would he take her?

Looking back at kangmobei, I found that in addition to the usual indifference, kangmobei's face was also upright and calm.

On the plane, Wang Yijing jumped to Bai nianxi, "sister-in-law, do you want to sit with me?"

If there is a warm man in the world, the opposite creature should be a cold man like commobei. The warm man is a central air conditioner, so is commobei, but it's refrigeration.

Feeling the cold surge around him, Bai nianxi shivered and refused: "no, I'll sit with Lolo."

Conmo north an eye knife splits to come over, "sit with me."
