

Billionaire CEO Won't Leave

Chapter 321

For those who have been wandering in the hospital all the year round, they are either not in the mood or have no time to care about the gossip outside. In addition, the engagement between kangmobei and mu Rushuang has passed for some time. At this time, when you see kangmobei again, you feel that you are inexplicably familiar with it, but you can't remember where you have seen it.

Bai nianxi didn't want to attract attention. He frowned slightly and said again: "Miss mu, please give me the test sheet."

mu Rushuang passes the test sheet in her hand, and Bai nianxi takes it. She wants to turn around and leave.

"Miss White! "Murushuang cried again," Miss Bai, why are you pregnant?"

" what's the relationship between Miss Mu and my pregnancy? "Bai nianxi didn't hide his dissatisfaction.

"Of course it does. "Mu Rushuang frowns." Miss Bai and my fiance used to be lovers. As far as I know, after you broke up, you didn't have any other men. Why did you get pregnant?"

the implication of Mu Rushuang's words is very obvious.

The crowd seemed to understand some clues, smell a trace of dog blood, and all of them pricked up their ears.

"What does Miss Mu mean? "Bai nianxi asked with a pale face.

Mu Rushuang asked directly: "whose child are you pregnant with?"

Bai nianxi didn't answer, because she couldn't answer either. She was very confused. She didn't look at Kang Mobei again, but she could feel Kang Mobei's eyes on her.

Keep a secret.

Is he, too, waiting for her answer?

"It's none of your business. I don't have to"

" is it my fiance's child?"

" fiance "is a very hard word.

Is mu Rushun questioning her or warning her?

It seems that the crowd has heard something extraordinary. The reality of qiaotuan is different from those movies and TV programs on the Internet. Just with the question of Mu Rushan, their curiosity has been aroused greatly.

Waiting for Bai nianxi's answer.

Is this woman really shamelessly pregnant with her fiance's child?

Mu Rushun's eyes look at Bai nianxi straightforwardly. Her eyes have never been so sharp.

She doesn't think that Bai nianxi's child belongs to kangmobei, but it can't be someone else's. she also wants to know the truth behind it, and wants to take this opportunity to separate Bai nianxi and kangmobei.

Let Bai nianxi tell Kang Mobei that she is pregnant with another man's child.

Bai nianxi clenched his fists tightly and felt dizzy. It was probably because he was weak at the beginning of pregnancy and had a bad rest recently. Now his face was even more pale.

Bai nianxi gritted his teeth and struggled for a long time.

"This matter has nothing to do with you, Miss mu. You don't have a half cut in on my private affairs, but if you want to know, I'll tell you."

" this child has nothing to do with your fiance. You don't have to worry about it. I won't go so far as to pester your fiance."

" in this world, there is not only one man who can let me have children for him."

Bai nianxi said these words when he looked at kangmobei's tightening eyes, his clenched fists, the uncontrollable blue veins on his forehead, and his clenched lips.

My heart is empty.

After that, I really didn't have half of my strength. If I didn't control it, I would fall back.

"Xiaobaibai --" a stirring voice came. The voice was full of tender feelings, and forced Bai nianxi's body to fall back.

At the same time, a pair of powerful hands help up from behind. Bai nianxi turns his head and sees Qin Nanfeng's magnified delicate and handsome face.

"Xiaobaibai, what's the matter with you?"

Qinnan is concerned about Fengshen.

If it wasn't for lack of strength, Bai nianxi would have split it directly with a thunderbolt dragon killing palm.

Qin Nanfeng didn't seem to realize what had happened. He just held Bai nianxi and spat out his love.

"Xiaobai, how can you leave me alone in America and come back? Fortunately, I have a deep love for you, find the opportunity to escape from Shen Hedan's magic hand, finally let me find you!"

Qin Nanfeng's voice is full of grievance, and his whole body is a bit of evil, but with his delicate facial features and slender figure, he doesn't seem too enchanting.

In addition to the arms of Bai nianxi, close your eyes can not look directly.

Qin Nanfeng's appearance brought a little bit of confusion to the scene. People are guessing who the man is.

Look at his love for Bai nianxi. Are these two a couple?

Kangmobei and murushuang look at the sudden appearance of Qin Nanfeng, with a strange expression on their faces. Kangmobei's originally dark face is more and more gloomy, as if his whole body is frozen."Xiaobaibai, you can't leave me any more. Do you hear me? From now on, I am your person, you are my person, we love each other, never separate."

Bai nianxi couldn't help retching.

Qin Nanfeng immediately became nervous, "xiaobaibai, what's the matter with you? What's wrong with your white face?"

Bai nianxi grabbed Qin Nanfeng's hand, attached it to Qin Nanfeng's ear, and said in a voice that only the two of them could hear: "if you call me Xiaobai again, I'll let you clean the toilet for a month. \"

Qin Nanfeng's face changed.

Then he pushed aside Bai nianxi and put his hands on Bai nianxi's shoulders, looking happy and excited, \"what, are you pregnant with my child? \"

Bai nianxi's face turned black completely.

But there was no refutation.

Qin Nanfeng's words, on the contrary, relieved her, because she saw that the crowd after hearing Qin Nanfeng's words, gradually dispersed at the speed visible to the naked eye.

There is only one person who is blacker than Bai nianxi, Kang Mobei.

His deep eyes are full of changes, and he doesn't know what he is thinking. But from his eyes, Qin Nanfeng is very dangerous.

Mu Rushuang was surprised. Bai nianxi, did he really have another man?

With that, Qin Nanfeng turned to kangmobei and mu Rushuang and said, "did you bully my little family while I was away just now \"Remembering what Bai nianxi said about brushing the toilet for a month, Qin Nanfeng changed his mouth.

\"Bullying my woman? \"

Bai nianxi held back the fishy sweetness in her throat and did not speak.

\"Who are you? \"Murushuang asked.

\"I just said that xiaobaibai is my woman, so naturally I am her man. \"Qin Nanfeng raised her eyebrows and looked at mu Rushuang." this young lady is not good at logical thinking. \"

after Qin Nanfeng took mu Rushun's words back, he turned his eyes to kangmobei. He saw that kangmobei was staring at him with dark fog in his eyes.

That eye can be called the gaze of death.

The warning in his eyes means that he can catch it without any effort.

It seems that conumber has been extremely alert to him. At the same time, he is also extremely nervous about Bai nianxi.
