

# Billionaire CEO Won't Leave

## Chapter 325

"Let's just say this picture is a mess. What is it." Qin Nanfeng pointed to one of them.

"If you look at the tone, it's dark and overcast. If you look at the composition, I can't see what it is." Qin Nanfeng scratched his head again. "what do you think of the brains of these painters? Are their eyes naturally different from ours? "

Bai Xin Xi's eyes make complaints about the painting that is being tuckled by Qin Nan Feng. Unfortunately, this is her painting.

Mr. Z seems to attach great importance to this painting. The hanging position is the most conspicuous. That's why Qin Nanfeng noticed it at a glance.

"It's said that this painting has been sold for 100 million US dollars. I think the people who bought this painting probably have too many artistic brains. "

Qin Nanfeng's mouth is still on, isn't it?" artistic vision is really a magic thing. I think the ghost Charms I drew when I was a child are no worse than this. Why can't my paintings become works of art? "

Bai nianxi gives Qin Nanfeng a light look, which makes the eyes cool.

Qin Nanfeng trembled and said, "what's the matter? "

" do you know the difference? "

" what? "Qin Nanfeng didn't understand.

Bai nianxi stretched out a finger and pointed to his temple. "

Qin Nanfeng frowned," what do you mean? "

Bai nianxi didn't speak any more. He turned his head and walked in another direction. The other three paintings were not hung with this one, but were hung in other places.

After looking at all the paintings in the gallery and checking his own paintings again and again, he was sure that Mr. Z was playing a trick on her. After he did not alter her

paintings at will, Bai nianxi finally relaxed.

\With a "Ding" sound, the message came from the mobile phone.

\ "Coming? \ "

" well. \ "After seeing the news, Bai nianxi looked around," where are you? \ "

Mr. Z sent an address," here, come here. \ "

Bai nianxi turns off her mobile phone and is preparing to go. She finds that Qin Nanfeng is still with her.

"What are you doing with me? \ "

" if I don't follow you, who do I follow? \ "Qin Nanfeng asked back naturally.

\ "Find something for yourself. Don't follow me. \ "Bai nianxi frowned and sent people at will.

Qin Nanfeng blinked at Bai nianxi's eyes, then shook his head, \ "you are the center of my world, where you go, I will go, in short, I will never leave you. \ "

Bai nianxi looked directly into Qin Nanfeng's eyes. His eyes were sharp. After a long time, he said:" Qin Nanfeng, what's your purpose? \ "

after Bai nianxi said this, Qin Nanfeng's eyes deepened.

There is a purpose, of course.

But it's meaningless to say it.

Qin Nanfeng smiles and takes a look at Bai nianxi's belly. "Little Bai Bai, have you forgotten that I am the father of the child. \ "

" there are so many people here. What should we do if you have a good or bad relationship with our son? Of course I'll be there to protect you. \ "

the evil spirit of Qin Nanfeng's smile is quite natural, but it is also a bit serious.

Bai nianxi stands in the same place and stares at Qin Nanfeng. His eyes seem to burn him out of a hole. Then Wu turns around and walks to one side.

Maybe he didn't pay much attention and didn't take a few steps. As soon as Bai

nianxi's feet slipped, he was about to fall to the ground. Qin Nanfeng helped him quickly.

Bai nianxi is held in his arms by Qin Nanfeng and feels the warmth from him.

Qin Nanfeng lowered his head slightly, his eyes were crazy, his lips moved, showing some evil spirit, \ "I said, xiaobaibai, be careful with our son. \"

" vomit -- "Bai nianxi had a nausea and a dry vomit.

Qin Nanfeng's face turned black in an instant.

Bai nianxi stood still, retched a few times, and then gradually recovered. He patted his heart with one hand and said: "I'm sorry, physiological reaction. \"

Qin Nanfeng clenched his fist, what's his physiological reaction? Oh!

His beautiful face, even if there is a physiological reaction, it is absolutely not retching!

If it wasn't for the task, he wouldn't be so shy!

Seeing that Bai nianxi was about to go far away, Qin Nanfeng calmed down and followed.

According to the address given by Mr. Z, Bai nianxi looks for it. Now, Mr. Z is in the exhibition hall, just in other rooms.

Qin Nanfeng is haunted. There is no way. Bai nianxi can only comfort himself. If Qin Nanfeng meets Mr. Z It doesn't matter. Anyway, it's not her who's in trouble.

As long as you cross this corridor, the room at the end should be the address given by Mr. Z. Bai nianxi quickens his pace and suddenly hears the movement coming from behind. It's a man's muffled voice.

When you look around, you can see no trace of Qin Nanfeng. Bai nianxi immediately raised his vigilance. It is obvious that someone suddenly attacked Qin Nanfeng just now.

What is the purpose of that man? Is it Qin Nanfeng or her?

Then there was a faint sound, similar to the sound of a fight. Bai nianxi listened carefully, and the sound came from the next room.

I don't know why, Bai nianxi's steps stopped, and he wanted to open the door next

door to see what happened inside.

Look who tied Qin Nanfeng away.

Although, the purpose is not to worry about Qin Nanfeng.

There is a crack in the side door. It doesn't seem to be closed tightly?

Soon, there was no movement in the room, and the atmosphere was as quiet as before. Bai nianxi stood at the door, screwed his brows tightly, reached out and pushed open the door in front of him.

At the same time, the door inside the force, was opened, a tall thin figure on such a sudden appearance in front of us.

Bai nianxi's eyes suddenly widened, "you \"

before he finished speaking, he was pulled into the room by conmbler, and then with a " bang ", conmbler closed the door.

Sure enough, Qin Nanfeng, who disappeared suddenly, was in the room, but his hands and feet had been tied up and his mouth had been taped. He could not move for half a minute.

It seems that the fight just now was someone's unilateral crush on Qin Nanfeng?

As soon as Qin Nanfeng sees Bai nianxi, he begins to cry with tears in his eyes. It seems that he has endless grievances to tell. Bai nianxi takes a look at Qin Nanfeng and takes his eyes back.

"Kang Mr. Kang Why are you here? \"

it seems that a century has passed since the last time when we talked with him face to face.

Kangmobei didn't answer, just looked at Bai nianxi.

The smell of kangmobei's body is so familiar and strange that Bai nianxi's mood can't be restrained for a moment.

In the heart head a mess, now this situation, how should she face conmberei? What should she say to him? She How can she not be disturbed by his breath and moved by his eyes?

However, this kind of silent affection did not last long.

A sharp bell rang, and it was combe who called.
