

# Billionaire CEO Won't Leave

## Chapter 328

Mu Sili's momentum shrank. He didn't know what Bai nianxi meant.

Holding out his hand, he took off Qin Nanfeng's hand on his shoulder. With sharp eyes, Mu Sili looked at Qin Nanfeng, "how?"

Qin Nanfeng tut a, put out a pair of how can you with me out of it expression, "Mr. mu, is like this, I know you are Miss Bai's good friend, I, just my little Bai Bai's boyfriend."

"It's a good friendship between us, isn't it?"

When Qin Nanfeng said that he was Bai nianxi's boyfriend, Mu Sili's eyes suddenly cooled down.

Bai nianxi's boyfriend?

Qin Nanfeng also saw Mu Sili's eyes, and the corners of his mouth were not easy to detect.

It seems that this Mu Si Li really has a lot of friendship with Bai nianxi. Maybe he can make good use of it.

"My surname is Qin. You can call me brother Qin and brother Qin. I just had a little quarrel with my little white white, she put me here in a rage and left alone, I am now helpless You're going back, right? Why don't you give me a ride? "

"You mean, nianxi knows you?" Musi Li stares into Qin Nanfeng's eyes, never letting go of every emotion in his eyes.

"Yes Qin Nanfeng nodded. "Not only do I know her, but I'm her father."

Musi frowned, "what are you talking about? Children? "

Qin Nanfeng's mind flashed an idea. It seems that Mu Sili doesn't know the news of

Bai nianxi's pregnancy?

"Xiaobaibai didn't tell you? It's true that children are only two months old. Don't people have this custom? In order to protect the fetus, the news can't be disclosed after less than three months of pregnancy.... "

Musi takes it from his backhand and grabs Qin Nanfeng's collar. Qin Nanfeng can only see the darkness in his eyes.

"She's not someone you can talk nonsense about."

"But I'm not talking nonsense." Qin Nanfeng is not smiling.

To say that Bai nianxi is pregnant, Mu Sili doesn't believe it. As far as he knows, after mu Rushuang's car accident, Kang Mobei has no contact with Bai nianxi.

If there is contact, it should be before that. Before that, if Bai nianxi and Kang Mobei had

Mousse remembers that when he was in Germany and in New York, he saw bainianxi and komorbei appear at the same time. If that time It's not impossible.

Thinking of this, Mu Sili's eyes were dim, and he grabbed Qin Nanfeng's collar and added more strength, "say."

"She's really pregnant." Qin Nanfeng spread out his hand, "the examination results of the hospital can prove that if you ask her, it can prove that what I said is true or false?"

"I said Qin Nanfeng's eyelashes blinked, "this matter, the whole world is about to know, you are still in the dark?"

Provocation and ridicule means a lot.

Bai nianxi found out that she was pregnant, but it was only two days ago. These two days, mousse had too many affairs to leave the company, so he was too busy to go to Bai nianxi.

Who knows, in these two days, how could such a thing happen?

Bai nianxi was confused when she found out that she was pregnant. She was a bit at a loss. Of course, she didn't rush to publicize the news. She didn't tell musili at the first time, but wanted to talk about it later.

Mu Rushuang was shocked by this incident after she went back from the hospital that

day. She thought that Mu Sili should know, so she didn't say anything.

Bai nianxi's pregnancy is still unknown to Mu Si.

But, if so, why does this man know this? Why did he come and tell him? What is the relationship between him and Bai nianxi?

Musi Li's eyes are calm, and he slowly releases his hand holding Qin Nanfeng's collar. Qin Nanfeng looks at Musi Li's performance and is satisfied with it.

That's interesting.

"It seems that Mr. Mu believed what I said? In that case, Mr. Mu will leave soon. I can take you to Xiaobai, as long as you can give me a lift. "

Qin Nanfeng put his hands in his pockets and looked relaxed, as if everything was all right.

Musi Li stares into Qin Nanfeng's eyes. His mood slowly recovers. Then he takes out a delicate black leather wallet from the inside pocket of his suit coat.

Qin Nanfeng stood in the same place, staring at the graceful and coherent movements of musili. He opened his wallet and took out a brand new one from it with his long and powerful fingers Five dollars???

Mu Sili handed five yuan to Qin Nanfeng.

"Mr. mu, what does that mean?" Qin Nanfeng glared at the five yuan, his face a little dark.

"Since Mr. Qin claims to know nianxi, he has a good relationship with me. Even in the face of nianxi, I want to help him."

Mu Sili put five yuan into Qin Nanfeng's chest pocket, and his voice was cold. "Please accept the five yuan. There is a subway station nearby. You can see it after a walk." "You mean, let me go back by subway?" Qin Nanfeng's face became more and more black with the words of Mu Sili.

Musi from smile, "of course, take the subway may not be enough money, but, take the bus should be enough."

With that, he turned and walked away without looking back. He pulled the door to get on and close the door. He stepped on the accelerator and left.

Leaving Qin Nanfeng in the same place, he clenched his fists and shivered. After a while, he took out the five yuan from his chest pocket, and his eyes were freezing.

And then with that lofty pace, firm to the bus stop.

Moussili found Bai nianxi directly. When he found Bai nianxi, Bai nianxi just came back from the exhibition hall and had a rest in the hotel room.

See suddenly find Musi from some surprised, "think from, you, how come?"

Mu Sili came into the room with a heavy face. When Bai nianxi closed the door, he asked: "nianxi, are you Pregnant? "

Hearing Mu Sili's question, Bai nianxi was stunned at first. Then an unnatural expression appeared on his face and asked, "Sili, you How do you know? "

Mu Sili frowned, "a man surnamed Qin told me."

The man surnamed Qin is Qin Nanfeng. Bai nianxi thinks that it's Qin Nanfeng, and frowns. What does Qin Nanfeng want? What was the purpose of his telling musili about it?

"What's going on?"

"Just found out two days ago." Bai nianxi's face was a little serious, and he was embarrassed, "because the situation suddenly caught me off guard. I didn't expect to tell you at that time..."

"Does he know?" By "he" in moussili's words, he refers to commobei.

Bai nianxi was stunned. However, when she thought of what happened in the exhibition hall today, she felt a pain in her heart and her face became cold. She nodded, "HMM."

"Well What did he say? " In his opinion, if Bai nianxi is pregnant, the child can only be from kangmobei.
