

Billionaire CEO Won't Leave

Chapter 330

"I'll just say that for the last time. If you dare to take Lolo again, I'll make you pay a heavy price."

Bai nianxi finished, no matter he was staring at Kang Xinyue like a tiger or a wolf, with a fierce look like an eagle, he bumped Kang Xinyue's shoulder roughly, picked up Lolo, and left Kang's house in a rage.

Back home, Bai nianxi cooked a table of dishes himself, which Luo Luo liked to eat, but Luo Luo seemed to have no appetite, and the speed of lifting chopsticks was slower than usual.

Bai nianxi is concerned about Luo Luo, wondering if it's today's event, which makes him feel bad.

"Lolo, they didn't do anything to you, did they?" Even if it's a bad word, Bai nianxi doesn't want Luo Luo to hear it.

Lolo first shook his head, then nodded faintly: "Mommy, I'm ok."

Bai nianxi looks at Luo Luo suspiciously. Since he says it's OK, what does it mean to shake his head first and then nod his head?

Lolo thought to himself that the most unhappy thing about being taken away by the Kang family should be mommy, so he looked up at Bai nianxi and said:

"Mommy, when you were at the Kang family just now, you said something like revenge. Do you really want revenge?"

Bai nianxi was surprised, and Luo Luo said: "how, is the Kang family really treating you..."

"No, it's a bad experience to see the Kang family, but now it seems that you are even more unhappy, Mommy." Lolo still deeply remembers that when she was at Kang's house just now, mommy was so aggressive to protect herself, even though she looked like a weak woman.

Bai nianxi didn't quite understand what Lolo was thinking: "ha ha, let's have a meal. Mommy is not unhappy."

"No, you've been unhappy for a long time." Lolo said seriously.

Bai nianxi looks at Luo Luo quietly with waves flowing in his eyes.

"If Mommy you are not happy, if Mommy revenge, they will be happy, then Mommy, you revenge them, I just want to see Mommy smile, but mommy has not smile for a long time."

It seems that Lolo is in love with himself The warm current flows through Bai nianxi's heart.

"Eat. If you eat well, Mommy will smile." With that, Bai nianxi tried to squeeze out a smile. It seems that he didn't smile for a long time. Now he tries to smile, but he can only squeeze out a faint smile.

Lolo responded with a brilliant smile and then planed the food in the bowl.

Kangmo North back home, dining room table, the old master, Kang Liqing and others are eating dinner.

Seeing the comeback of commo north, people seemed to have a tacit understanding and slightly lowered their heads.

Conmobei didn't think much and went straight to the bedroom.

"Mo Bei, don't you eat?" The old man stopped his chopsticks, turned his head and asked kangmobei.

As a silent response, he went back to his bedroom.

What else does Master Kang want to say, such as Things that Lolo was here during the day, like Here comes mu Rushun.

But in the end, it didn't come out.

Push the door and enter, mu Rushuang lying on his bed scene, into the eyes of the north.

"Mobei." Mu Rushuang smile, smile with clear ambiguity.

With a cold hum in his heart, Kang Mobei stood in front of the wardrobe, as if she

were the air. He took off his formal clothes and put on his pajamas.

Mu Rushuang didn't get a response, and his heart was desolated.

Looking at kangmobei changing clothes on his own, and even taking off his pants and putting on his pajamas in front of him, mu Rushuang feels that kangmobei doesn't seem to regard himself as an outsider any more, maybe what he wants It happens naturally

"Have you eaten yet?" The formal dress may have its own formal momentum. After changing the formal dress, kangmobei is obviously thinner than before. Mu Rushun keeps smiling and asks again.

But kangmobei didn't want to respond. After changing his pajamas, he looked at the bedside with fierce eagle eyes, and lay on his own bed - lying beside him.

Mu Rushuang's heart quickened abruptly. She tried to summon up courage to reach out and touch his skin. She was afraid that her touch would lead to rejection. But finally, her cool hand was on his arm.

Conmber was motionless, as if he had never felt the touch, lying on his own and trying to sleep.

This touch was not rejected. Mu Rushun was a little pleased. She continued to feel for his body with her hands, and gradually swam from her arms to his chest. Finally, she hugged Kang Mobei with her back.

"Mobei Ah

Mu Rushuang's ambiguous call only comes and spits out two words. Kangmobei suddenly sits up, and then quickly presses her under her body, which makes mu Rushuang jump.

"If you love the routine of dedication, come on."

After that, he quickly raised his hand. It was clear that there was a button to untie. He insisted on tearing her clothes. It was clear that her skin was smooth and tender, but it made him feel sick.

Under the effect of disgust, conmobei continued to peel her clothes rudely. In a few seconds, the original silky and smooth pajamas immediately turned into rotten cloth and hung on her body, and her bra was also revealed in embarrassment. "It hurts!" Mu Rushuang was frightened by the rudeness of Kang Mobei. When he tore his clothes, he also seemed to tear his own skin. The rudeness had left deep or shallow red marks on

her body.

"Oh, does it hurt? But I always treat my beloved like a wild animal, but I believe you are willing to bear it, otherwise how can you be willing to engage me? "

Conmobeir grinned fiercely. As he spoke, his hand had reached her back and tore her bra.

"Go away!" Mu Rushuang obviously didn't expect that kangmobei on the bed was like this, and she didn't want to be treated rudely.

The more fierce the resistance, the more powerful combo north is to start, until her body, even the rotten cloth strips are gone, mu Rushun a face of panic with a slap hard fan to his face.

"Pa!"

"Dong!"

First, he was slapped, and then he was kicked out of bed.

"Ha ha, I like it ~" kangmobei still smiles fiercely and pours on her again like a hungry wolf.

Mu Rushun is scared, and he climbs to his wheelchair. Then he runs for his life in a panic, and escapes from the room of kangmobei in a wheelchair.

The guest room has ready clothes. Mu Rushuang puts on a suit for herself at will. Seeing that she seems to want to go, passers-by takes the initiative to help her push the wheelchair.

With rudeness and violence, conmobei successfully told her to get out of the room. When she was left alone in the room, conmobei lay back in bed as if nothing had happened, started again and tried to fall asleep.
