

Billionaire CEO Won't Leave

Chapter 338

"In a word, if you don't have enough money, just ask me. The Wei family is not simple." Shen Hedan wants to end his meeting with kangmobei.

"I'm not pure either. I'm a son of a bitch." Kangmobei folded the documents one by one, put several strings of keys into his pocket, raised his eyes and looked down at Shen Hedan with a smile.

"The vast majority of successful people didn't become bastards later. Long before they succeeded, I was a bastard. That's why I can succeed even if I don't have money."

"My sister is also a successful person, she is also a son of a bitch?"

"..... So, most of them, she is my baby ~ "

with her back to Shen Hedan, while chatting with him, kangmobei leisurely left Shen Hedan's office.

Shen Hedan prepared the secret house for kangmobei in advance. When he came to the secret house, kangmobei looked around the mansion like shopping, then came to the living room and sat down on the sofa in the living room.

According to the notebook, in his secret Swiss account, there is a string of figures, a whole billion.

According to his plan, he will be in the United States in the name of Mr. Z, remote control in a city new company, as a mysterious person, secretly active in a city.

Thoughts drift wantonly, and komobi unconsciously recalls the scene of meeting Bai nianxi at the beginning, far away at the beginning.

At that time, it was you who pestered me in vain. Now, it's my turn to pester you.

A city, outside Mu's house, surrounded by a few reporters who want to ask questions like dogskin plaster, every time Mu's people come home, they will inevitably be pestered by reporters.

"Mr. Musley! Ms. Mu Rushuang is engaged to Komobei. Have you set a date for their marriage

Musi frowned and didn't say a word, thinking about the related problems in his heart.

If Kangmobei is exposed to suffering from mental illness and told to cancel the engagement, the Mu family will be labeled as "power". But if it is not cancelled, he and all members of the Mu family do not want to let Mu Rushuang marry a psychopath.

At present, the whole Mu family can only keep a low profile and avoid all questioning.

Bai Nianxi takes Luo Luo and drives around to play in the amusement park. Bai Nianxi worries that Luo Luo has been indifferent. When he grows up, he is afraid that he will suffer some unnecessary losses. Even if Luo Luo is not interested in the amusement park, Bai Nianxi still wants to take him out to play. Like children of the same age, Bai Nianxi has the experience suitable for his age.

By Mummy half pushed on the carousel, Lolo a look of disgust with the carousel turn up.

"Is it fun?" Bai Nianxi asked.

Lolo was helpless, but he nodded reluctantly.

"Why don't you take me to the bookstore? I have some books I want to read." Lolo offered.

"Good." Bai Nianxi responded positively.

In the bookstore, Luo Luo selected two painting books. Bai Nianxi thought that painting can concentrate and calm down, but Does Lolo really need to concentrate?

Seeing that Lolo likes it, Bai Nianxi doesn't say much. He keeps smiling. After paying the bill, he takes Lolo to a nearby restaurant and goes home after dinner.

"Mommy, why don't you ask me if I suddenly want a painting book?" Waiting for the food to be served, Lolo asked.

Bai Nianxi slightly measured his head, looked at Luo Luo and said, "why?"

Lolo seemed to put out a cold hum voice, and his tone was a little dissatisfied.

"Mommy, you seldom take photos, and there are no photos of you at home, so I want to draw a picture of Mommy."

Bai nianxi suddenly nods her head and unconsciously thinks of her family. It seems that she doesn't even have a picture of her family. Although she deliberately separates the traces of conmobei from her own world, it doesn't mean that Lolo thinks the same way.

Photos represent memories. Lolo, perhaps, is also a nostalgic child.

"Lolo, do you want to see daddy?" Bai nianxi summoned up courage and asked.

Luo Luo looks at Bai nianxi steadily. His eyes seem to reveal firmness and hesitation. Finally, Luo Luo suddenly smiles and shakes his head.

Bai nianxi smiles bitterly. Luo Luo is still young, and she has become a duplicative child so precocious that her heart aches -

in California, at the secret residence of conmobei, Jin Ting drives to bring the document Shen Hedan entrusts him to transfer to conmobei.

The documents are all about the details of the Wei family. Since the Wei family "disappeared" in the sight of kangmobei, they have been rising secretly. Maybe they feel that their strength and Shen Hedan's strength no longer pose a threat to the Wei family. It seems that they have really relaxed their vigilance.

"Mr. Shen is in such a hurry. As soon as I arrived in California, I was urged to act quickly." Kangmobei's lazy appearance is not as domineering as it was at the beginning.

"Mr. Shen is also for your sake. Don't you want to recover your strength as soon as possible and then come back to Miss Bai?" King Ting asked without evasion.

"No, I just want to be a rogue and stay by nianxi's side, just as she pestered me at the beginning." The more he thought about it, the more interesting he thought about it. "Miss Bai is no longer the white lady of the past." Jin Ting, in a sentence, seems to have pierced the dream bubble of Kang Mo Bei.

"Before, I knew you were following me all the time. Why did Shen Dun ask you to follow me?" Conmobeir put away his impropriety and asked without expression, hoping for his guess and the response he wanted.

Jin Ting hesitated about whether to say it or not. He thought it was OK to say it. After all, Bai nianxi didn't ask him to help.

"Miss Bai told me to follow you."

The implication is that Bai nianxi really cares about himself. Kangmobei is very happy.

"But Without waiting for conumber to speak, Jin Ting added again, "just follow you. When you are beaten, Miss Bai tells me to just watch."

"I see," he said, which was enough to make conumber feel good. "You go back. I'll read the documents carefully."

Jin Tingmo stared at Kang Mobei for a few seconds, then left without saying a word.

As soon as Jin Ting left, Kang Mobei immediately ordered the ticket. He couldn't suppress his yearning.

A few days later, Qianqiu group is holding a board meeting. Bai nianxi insists on canceling the cooperation project with Kangshi. At the beginning, her practice made the major directors complain.

But now, conumber has suddenly become a psychopath. Therefore, the topic of questioning Bai nianxi's action on this point in the board of directors was temporarily cancelled before the meeting.

The Mu family is eager to find a topic that can change the vortex of public opinion, trying to transfer the attack from public opinion to other places. The old relationship between Bai nianxi and Kang Mobei has undoubtedly become the Mu family's first choice to manipulate public opinion.

"Mr. Bai, do you pay attention to the trend of public opinion?" As a director spoke, he glanced at Bai nianxi's belly. "Public opinion is spreading that Bai nianxi is pregnant, and the child's father is Kang Mobei. Before the public opinion ferments, should you clarify it?"
