

Billionaire CEO Won't Leave

Chapter 347

"No.2 bid 3.1 billion!"

"No.1 bid 3.2 billion!"

"3.2 billion once!"

"3.2 billion twice!"

"No.2 bid 3.3 billion!"

.....

In the intense auction, all the people who participated in the auction held their hearts tightly. The price has exceeded the expected range. However, as the No. 1 of Mu's, and as the No. 2 of Kang's, they are still bidding. The performance of the two sides is naked competition.

Bai nianxi comes to the auction late with her passport. After paying a huge deposit, Bai nianxi and her secretary sit quietly behind.

"3.9 billion once!"

"3.9 billion twice!"

"3.9 billion..."

"4 billion on the 18th!"

The scene suddenly changed because of the number and the moment in an uproar, Kang Liqing and Mu Sili shocked look back, surprised to see that I do not know when, Bai nianxi unexpectedly came.

"Four billion three times! Lot C is closed! On the 18th, please come backstage to go through the formalities! "

When everyone was stunned, the transaction price of 4 billion yuan had been settled.

Bai nianxi, with a calm smile, walked to the backstage of the auction in full view of the public.

"Are you crazy? She wants four billion? "

"Now the price of first-hand buildings in the urban area is not more than 20000 yuan per square meter. If it is 4 billion yuan, the average price per square meter is 7000 yuan! It's still in the suburbs! The average price per square meter in the suburbs is only over 10000. How can she earn so much money? "

"I think she's crazy."

"Can it be that the government has something inside that we don't know?"

“.....”

In the discussion, Bai nianxi came in a hurry like the wind, and then left in a hurry, as if he had never been here.

A few days later, Jin Ting and his lawyer came to the police station. Before going to the police station, the lawyer reached an agreement with the "victim" and exchanged 100000 yuan of compensation for a settlement.

"Comber, you can go." That has been looking down on the north of the police, still with a discriminatory tone to the north of the cold road.

"Well? I haven't had enough. " Commo North language gas lazy, posture is lazy lying on the ground of the small cell.

King Ting could not help frowning when he saw the rubbish like kangmobei.

"Let's go." After that, Jin Ting turned helplessly and went out first.

Kangmobei follows Jin Ting. You don't have to ask. Shen He is "taking care of" himself. It's just that he is a little late. He has been sleeping in the police station for a week.

"Oh, comfortable!" Standing outside the police station, kangmobei looked up at the sun and stretched hard.

King was too lazy to pay any attention to him, so he got in the car and was ready to leave.

"Well? Are you leaving now? I'm a little hungry. "

Ignoring his voice, King left him only a trail of car exhaust.

"Cut ~" commobi murmured and walked towards the familiar direction, where Bai nianxi's private house was.

When it's still dawn, if there's no place to go, kangmobei will usually wander around Bai nianxi's private house quietly to prevent Bai nianxi from seeing himself, because he knows that Bai nianxi doesn't want him to appear in front of Luo Luo.

Sitting on the ground in the gap between the two villas in the distance, Kang Mobei's eyes are about to stare Bai nianxi's private house out of the hole.

Soon, Bai nianxi's car appeared in his sight. First, the driver's door was opened, and then Lolo opened the back door. Holding the swaddling clothes in his arms, he walked out of the car carefully.

"Child..." Kangmobei's eyes were full of warmth and expectation.

Bai nianxi whispered to Luo Luo with a smile. Luo Luo nodded and walked slowly to the door with her. The distance was too far for Kang Mobei to hear what they said.

"Lolo, order takeout tonight. Mommy's a bit tied up." Bai nianxi is sitting in the living room. The baby in his arms is fresh and tender, and is about to overflow with water. However, the baby is not clever and is crying.

"Well, what does Mommy eat?" Luo Luo sits beside Bai nianxi and looks at his sister with cautious but soft eyes from time to time.

"Well Let me see Or Lolo will see to it. " Bai nianxi coaxes her to be happy in her arms, unable to figure out what she wants to eat.

"Mommy, please have a sister-in-law? So Mommy doesn't have to work too hard. " Lolo loves Mommy, so he suggests.

Bai nianxi smiles and shakes her head lightly: "Luoluo was brought up by Mommy when she was a child. Lele at least has her brother to take care of her. Mommy is not hard."

Luo Luo slightly Du mouth, can only reluctantly obedient, holding a mobile phone called takeout, then quietly sitting beside Bai nianxi.

Lele's small face is chubby and cute. Lele is very cute. Lolo's eyes are full of care when he looks at Lele. In his heart, he often tries to imagine what Lele looks like when

he grows up.

"Mommy, my sister looks like you." Lolo said softly, laughing.

"Is it?" Bai nianxi carefully looks at Lele in her arms. She has thick eyebrows and big eyes. At first glance, her facial features are more like kangmobei. If you look carefully, you can see your own shadow. At 11 o'clock, Luo Luo has gone to bed. Bai nianxi coaxes her to sleep. After Lele, she can finally have a rest. But she seems to be used to waking up in the early morning. Then she gets up and walks to the door, opens the door and looks outside.

Sure enough, as always, conmmobei was lying at the door, curling up and sleeping soundly.

This scene has lasted for more than 200 days. Like rain or shine, conmmobei appears in front of her in such a mess every day.

"Well..." Or because the ground is too hard and cold, even though kangmobei is asleep, his brows are tightly wrinkled. With a sound of Shen Yin, he moves his body slightly, still embracing the ground in his sleep.

Bai nianxi stares at him quietly and looks at him like this: "I thought you could stick to it every day. It seems that you can't hold on sometimes."

The murmuring voice can't wake up kangmobei. What Bai nianxi said is exactly what he didn't appear seven days before today.

"I was in for seven days." In kangmobei's dream, Bai nianxi talks to him. In his dream, kangmobei responds and unconsciously speaks in reality.

Bai nianxi thinks he's awake. He tentatively steps back, but his steps don't make kangmobei react. Bai nianxi confirms that he's talking in his sleep.

"Is the child a daughter or a son? Nianxi, can you tell me? " Once again, conmmobe said a dream.

"Daughter."

"Really? Great

The surprise awakens the brain, and Kangmo North suddenly returns to reality. Bai nianxi, aware of his movement, decisively closes the door quietly.

Conmmobei sat up doubtfully, thinking about the dialogue, whether it was a dream or a

fantasy, or a reality.

"Daughter?" Kangmobei murmured in doubt, and then he was aggrieved and lost.
"You haven't told me my daughter's name yet..."
