

《Billionaire CEO Won't Leave》

Chapter 36

Luo Luo turns around and rushes ashore. He runs to Bai nianxi and waves his little hand.

Bai nianxi picks up Luo Luo and walks to the hot spring. Wang Yijing hands him a handful of melon seeds. Bai nianxi is stunned. He feels that he has broken through his own understanding by accident. Is there anyone who knocks melon seeds while soaking in the hot spring?

However, the next second, the cognitive height was broken again, because she saw Ren Ran running to one side, soaking in the steaming water and reading a book in her hand after she had finished talking with conmobei!

Commobei's friends are just like him, with a strange painting style.

Rejected the melon seeds handed over by Wang Yijing, Bai nianxi said to Luo Luo in his arms, "where is little sister Guo? You go to play with little sister Guo."

The small fruit of one side listened to this words, the eyes send out the bright light of jiongjiongyishen, seem to be expecting the answer of Luo Luo.

However, Luo Luo, a little straight man, "what's fun with girls?"

I feel dizzy in the evening.

Xiaoguo droops his head in disappointment. Bai nianxi looks at Xiaoguo's disappointment. He can't bear it.

Xiao Guo is Ren Ran's nephew. It's said that Xiao Guo has been living with her mother, that is, Ren Ran's elder sister, without her father's company. This makes Bai nianxi feel a little more distressed for Xiao Guo. "I'm a girl too. Don't play with me. I'll play with Xiao Guo."

Luo Luo is anxious, "no, no, you are the girl I like, I only play with the girl I like."

Looking at the small fruit mouth a flat, will leave the tears, white read Xi death.

Look up to the sky and sigh, Lolo, you are more straight than your father.

Taking off his bathrobe, Bai nianxi began to soak in the hot spring. As soon as he entered the water, he felt warm and moist everywhere. This feeling wrapped Bai nianxi thoroughly. Bai nianxi only felt thoroughly comfortable.

However, the next second, a dark shadow appeared in front of him. Bai nianxi opened his eyes and saw that the man standing in front of him was Kang Mobei.

Kang Mo North Mou color is heavy, "what clothes are you wearing?"

What clothes? Bai nianxi took a look at his body, swimming suit.

"No way."

"What can't?" Bai nianxi doubts.

Looking at Bai nianxi's beautiful white body and beautiful figure, Kang Mobei was upset. This woman didn't know that there were other men here?

Frowning solemnly, he went to the bank, took the bathrobe that Bai nianxi had just taken off, and ordered: "put it on."

"Ha?"

"I'm afraid you're cold." Conmobei's expression is serious, and his words are very serious, which can't be violated.

This water, it's 40 degrees.

When Bai nianxi is wrapped in a bathrobe and soaked in the water, he feels that his ultimate cognitive limit has been broken. Conmobei and his friends are not only strange in painting style, but also wonderful in essence!

The surface of the water is steaming with layers of water mist, and the thick mist is also in the eyes of kangmobei. He stares at Bai nianxi without blinking. When he sees Bai nianxi's eyes, he really just casually glances over Wang Yijing's half naked upper body.

He went to Bai nianxi and picked her up. "I don't think you're suitable for hot springs."

.....

Looking at the back of kangmobei holding Bai nianxi away, Wang Yijing put a clear smile on the corner of his mouth and poked it with his elbow. "I think kangmobei is a real loser this time."

Still, he looked up, but the look in his eyes was a little complicated.

The woman around him after his unremitting attack, finally fell asleep in the past. Conmbe got up from the bed, got dressed and went out.

Companies.

Kangmobei sits on the sofa, overlooking more than a dozen men in suits kneeling on the ground.

"Whose idea?"

No one spoke.

Glancing at the people on the ground, conmobei gently picked his fingers and picked out a man with shrunken shoulders and drooping head, "you say."

The man trembled and said, "it's Mr. Liu. Mr. Liu owes gambling debts, misappropriates the company's public funds and makes false accounts to make up for the company's account deficit. He thought he could make a fool of it. I didn't expect you to come to inspect today. I'm afraid you'll find out, so Just... "

Conmobei nodded and looked up at the man standing at the door, "bring it in."

The man nodded, and then a few people pulled a frozen body, still in cold air.

It's Liu Han.

Liu Han's body was thrown in front of the public, white and purple body can not help but make people tremble.

Kang Mo North slightly frowns, "dead, now dead without proof, how do you say to do?"

The man didn't speak any more and kept silent.

"I believe you know better than me," he said

Liu Han's body turned over, face up, air-conditioned floating, through a layer of frost

on the knot, his twisted face could be seen, which was very terrible at this time. "I won't kill you, I know. You don't mind your fate being the same as him. But they are all flesh and blood, and you all have weaknesses, don't you

"Parents, children, beloved women, I don't know, which one do you care more about?" Kangmo North light, words can not hear the meaning of threat, but convey to people boundless chill.

Someone's shoulders began to shake slightly below.

Conmobei raised a man's chin with his toes. "You say, I want to find your wife and children. Is it easy for me?"

The man raised his head, and his calm expression was a little flustered. "Commoby, you want to..."

Before he finished speaking, he was kicked on the head by conmobei, and the whole person was kicked to the ground, "with you, dare you call my name?"

The man coughed up a mouthful of blood. "Didn't you guess it all? Why ask us again?"

Kang Mo North eyebrow tip tiny pick, really is the person over there? "What do you want?"

"You said, apart from your life and the foundation of Kang's family, what else can you want?" That person is also a hard bone, finish saying, eyebrow a wrinkly, the mouth inside mercilessly move, the Kang Mo north is clear-sighted a quick hand to hold that person's chin.

"Want to die?" Conmobei's strangulation made the man unable to move at all. "If you dare to die, I will let your favorite people be buried together in the most painful way."

Then let go, regardless of the roar of the people behind, Commodore North strode out.

When he got to the door, the people next to him stepped forward, bent down and asked, "Sir, they?"

Commo North slightly side head, "let them live, I want them do not want to live, also dare not die." When saying this, Kang Mobei's face revealed a fierce sense of Jie ran.

Just for him, since he dares to hurt her, how can he let it go easily?

She is his bottom line.
