

# Billionaire CEO Won't Leave

## Chapter 361

"Mobei? Where are you, Mobei? "

Kangmobei was sitting on the ground in a mess. His cheek hurt, but he didn't care. Hearing his grandfather's voice, kangmobei stood up with a smile and went up to him with a smile:

"I'm here, grandfather. Do you want to go out for a walk? I'll push you. "

"Good, good, good sun, comfortable, ha ha." Mr. Kang said with a silly smile.

Kang Liqing looked at his hand, then looked back and forth at Kang Mobei and Kang Taiye. He had the impulse to apologize, but he couldn't say it, and he didn't know what to say.

"Family members, it's OK to take a walk, but not too long," said the nurse, who helped to move Mr. Kang to the wheelchair, in a low voice beside his ear. "If the patient has signs of respiratory failure, it's better not to take more than ten minutes, in case..."

"Well, I see." Said conumber politely.

The weather is sunny, although it is winter, but the sun is warm on the ground, and komobi can also feel the warmth of the sun.

"What would you like to eat at night, grandfather? I'm good at cooking now. " Kangmobei was smiling and pushing Master Kang, looking around at the flowers, chatting with his grandfather.

"Mobei likes to pester his grandfather. He will get a salary immediately. He will buy some toys for Mobei. Hehe."

Mr. Kang's memory began to fragment again. He might have thought that it was when he was young and when he was a child.

Conumber gave a wry smile, and then naturally replied in a loud voice: "yes, I want Ultraman!"

"Altman has already bought three. If you buy others, the terminator model will look good." The old man is interested in this topic.

Conmobei seems to be back in the past, back when he was a child and his grandfather took him with him.

At that time, the family was not so rich, but it was very warm. Aunt Kang Xinyue was not so mean and sharp. His father was still very angry, and his mother was still alive at that time

"Ice cream is not allowed in Mobei. It's not good to be sick on such a cold day." Emperor Kang suddenly said.

Kangmobei successfully captured the relevant old memory scenes. According to his own answer at that time, he replied to Mr. Kang: "I'm a boy, not a charming girl. I want to eat ice cream."

"Who are you?" Kang Taiye looked back at Kang Mobei, his eyes filled with strange words.

"I'm your grandson, komobei, remember? I've grown up. "

"I don't believe it. My grandson is only seven years old. Go away." Mr. Kang disliked Tao.

.....

In the inexplicable and changeable conversation theme, conmobei also captures the law. Grandfather's memory stays in the year when he was seven years old, when he was not very rich, and when his mother was still there.

Back in the ward, the nurse moved Mr. Kang back to the bed. After checking a series of signs, the nurse said with a smile to Mr. Kang: "it seems that the patient is in a good mood. A good mood is also helpful to the stability of the patient's condition. You remember to accompany the elderly more."

"Well..." Conmber nodded faintly.

"Why, where is Lolo?" Emperor Kang suddenly remembered that he had not only grandchildren, but also great grandchildren.

"Ah Lolo, he..." Conmobei didn't know how to respond. He knew that Lolo might not want to come.

Kang Liqing had been silent for a long time. Hearing Kang Mobei's hesitation, he said discontentedly: "it's all like this. Don't you bring Lolo to have a look? Is that the woman... "

"What? That woman, Dad, be polite. It's Lolo's mother." He interrupted.

"You Kang Liqing subconsciously wanted to get angry again, and he tried his best to keep his fire pressure down. "OK, Luoluo Ma, you let Luoluo ma take Luoluo to see your grandfather, and it's a little less."

.....

Bai nianxi's private residence is as leisurely and comfortable as ever.

Kangmobei pinches the time and drives to pick up Luoluo from school. Bai nianxi sits in the living room and watches a movie.

Since something bad happened, the door has been locked three times, and the lock can only be opened from inside.

After taking Luo Luo home, Kang Mobei went to the supermarket again. He bought a little more ingredients than before. He was ready to make some more for his grandfather after dinner at home.

In the silent dinner, kangmobei has no appetite, but Luoluo and bainianxi are still the same. They talk and laugh from time to time, but they don't seem to realize the reason behind kangmobei's silence.

Bai nianxi has already allowed kangmobei to sleep in the same bed with him. This night, kangmobei is sleepless with something on his mind.

"Does the Lord want to see Lolo?"

Bai nianxi, who thought he had fallen asleep for a long time, suddenly turned over again in kangmobei, and his voice came out coldly.

"Well..." If it's hard for kangmobei to say, Bai nianxi guesses accurately.

"Well, I see. Go to sleep." Bai nianxi didn't give a clear answer. After a faint sound, he continued to sleep.

The next day, kangmobei subconsciously looked at the alarm clock on the bedside table. At 6:30, looking back, Bai nianxi seemed to have got up early. Kangmo North dressed hastily, but there was no Bai nianxi in the living room. When he came to

Luoluo's room, Luoluo was not there, and LeLe was not.

"Is Did you go to the hospital? " Conmber speculated on this unbelievable answer.

Mu family, mu Rushuang is still sleeping.

Disturb the clear dream cell phone came to the abrupt ring, mu Rushun not angry picked up the phone.

"Hello."

"Cousin! There's something going on in bainianxi! "

At the other end of the phone is Yu Feixue's voice. The content of the words suddenly dispels her sleepiness.

"White night? Where is she? " Mu Rushuang sat up and asked while changing clothes.

"This woman is in the hospital with two children." Yu Feixue is on the other end of the phone.

Mu Rushuang doesn't have the patience to wait for Yu Feixue at the other end of the phone to ask before answering. She knows that the news must have been published in the newspapers.

Open the news app, mu Rushuang sees a dazzling headline:

[after ten months' disappearance, Bai nianxi shows up to visit his father-in-law! ]

"ah." Murusheng snorted. After he moved himself to the wheelchair, he saw that it was only 7 o'clock. Now it's time to kill him.

Passing by the corner of the corridor, every morning, the servant of the living room regularly does the insect repellent cleaning, puts a bottle of insecticide in the corner of the wall, mu Rushun takes a look at the bottle of insecticide, and resolutely shoves it into the pocket of the wheelchair -

in the hospital, Kang Liqing and Kang Xinyue glare at Bai nianxi.

Bai nianxi's expression is calm, as if with a faint smile. If you look carefully, it seems that there is no smile.

"Kang Mobei said that Master Kang wanted to see Luo Luo. Since they are not welcome, let's do it." Bai nianxi, with a cold tone, looks down at the same

expressionless Lolo, ready to leave.

"You woman!"

"Brother! Don't lose your temper, "Kang Xinyue interrupts Kang Liqing's fiery voice, tries to put down his body and walk to Bai nianxi, and says," Luo Luo Ma, go in. "
