## Chapter 362

Lolo took a cold look at Kang Xinyue, didn't call her aunt, and directly took mommy to the ward.

Bai nianxi is led forward by Luo Luo. When he pushes the door in, he sees Master Kang lying on the bed.

It seems that he is very ill This is Bai nianxi's first thought.

"Granddad?" Luo Luo releases Bai nianxi's hand, curiously and cautiously approaches.

"Mobei?" Kang Taiye's eyes were shining and he looked at Luo Luo, "Mobei, my grandfather is paid, and my grandfather will take you to buy the terminator model!"

Luo Luo's eyes said: "great grandfather, I'm Luo Luo."

"Who is Lolo? Who are you? " His eyes were puzzled and frightened.

Bai nianxi probably understood the situation, whispered in Luoluo ear: "too grandfather amnesia, Luoluo and grandfather chat."

"Well, you don't remember me." Luo Luo Du started to talk, the heart is a little not happy.

"Lolo, my grandfather doesn't remember anything, but I still remember your father and you. After a while, my grandfather will think of you." Kang Xinyue said to Lolo with a disguised smile.

Kang Xinyue's disguise, in Bai nianxi's view, has another feeling at the moment. In the past, there would be a sense of hypocrisy, but now he feels that Kang Xinyue is trying to create a harmonious warmth, which is a kind of goodwill.

Mustard's pimples will be solved in the face of life and death. Bai nianxi's mind is also quietly disintegrating at the moment.

Lolo seemed to put down his dissatisfaction with his aunt. After hearing Kang Xinyue's words, Lolo nodded.

"Granddad, do you remember me? I'm Lolo Lolo asked tentatively.

Master Kang raised his head hard, and his eyes were still puzzled: "who is Lolo? Is it a neighbor's child? The neighbor's child's name is not What's the name again? "

.....

The meaningless conversation continued with the flow of time. Kangli Qingjing sat outside the ward, and suddenly heard the voice of the wheelchair.

Inadvertently looked up to the corridor, Kang Li Qing see mu Rushun.

"Uncle, I've come to see my grandfather." On mu Rushun's face, there was a cold smile.

"Oh, go in." Kang Liqing didn't stop him. After that, he dropped his head again.

Ward door is pushed open, Kang Xinyue see mu Rushuang, suddenly face dark down.

But she didn't want to disturb the peace in front of Master Kang. Even though mu Rushun and Bai nianxi shouldn't appear together, she didn't say much. Naturally, she stood up and walked out.

Bai nianxi sees mu Rushuang without any reaction. Mu Rushuang still wears a cold smile and raises his hand to insert the bolt of the ward door.

This small action makes Bai nianxi sound an alarm.

"Bai nianxi, how have you been recently?" Mu Rushuang's twitching corners of the mouth are about to become one with the law pattern.

Bai nianxi quietly pushes Luo Luo behind him, trying to use his body to resist the perceived and possible danger.

"Lolo? I have a great grandson! Lolo! Lolo, where are you Emperor Kang suddenly thought of Luo Luo and cried out.

"I'm here, granddad." Lolo has been waiting for this voice for a long time. Hearing this voice, Lolo subconsciously responded with a little surprise.

"Lolo! Give your granddad a hug. You're just born. It's cold outside. Don't be cold with the wind! " Mr. Kang's voice resounded in the ward.

"Ha ha, it's really a warm family." Mu Rushuang's Vinegar jar was knocked over. In her eyes, Luoluo should not exist.

Bai nianxi is naturally dissatisfied with the sudden appearance of Mu Rushun. He wanted to bear it. As a result, mu Rushun is really aggressive. Bai nianxi pulls Luo Luo to leave the ward.

"Don't go!" Mu Rushuang grabs in front of Bai nianxi and pushes a wheelchair to block the entrance of the ward.

"Lolo! Where are you? " Lord Kang couldn't see Lolo, so he called urgently.

Kangmobei's conjecture has not been verified. He hurried out of the door, drove to the hospital and ran in the corridor. Kangmobei saw kangliqing and kangxinyue sitting on the corridor chair in silence.

Seeing Kang Mobei coming, Kang Xinyue squeezed out a dismal smile and said, "nianxi is coming, with Lolo and..."

"Here comes murushuang." Kang Li Qing was cold and didn't raise his head.

"Like frost?" Conmobei was surprised. He rushed to the door of the ward and tried to open the door. But he found that the door couldn't be opened?

Inside the door, mu Rushun stares at Bai nianxi: "Oh, you can hide. Half a year ago, the car accident didn't kill you. It scared you so much. It seems that you are also afraid of death."

"Well?" Bai nianxi suddenly heard something, "car accident? How do you know? "

"Ha ha, it's the one I hired. Why don't I know?" Mu Rushun looked at Bai nianxi coldly without concealing, "I broke my leg. How can you lose something?"

"You..." Bai nianxi felt a great fear spread in his heart. Outside the door, Kang Mo North hard to twist the door lock, abnormal situation called Kang Li Qing also frowned at Kang Mo north.

"The door won't open! Are you stupid? Why do you let mu Rushuang in? " Conmobei said sharply.

Kang Liqing realized what he had done wrong. He quickly stood up and pushed Kang Mobei aside. After trying to open the door twice, the door did not open.

"No, I'll go to the security guard!" Kang Liqing ran to the distance with a cry.

The sudden sound from the door lock made the atmosphere in the ward tense.

Bai nianxi doesn't know what mu Rushuang wants. He can't be on guard. Bai nianxi can only watch mu Rushuang step by step.

"You're more disgusting than a cockroach!"

"Yi ~ Yi Yi ~"

mu Rushuang suddenly picks up the insecticide and sprays it on Bai nianxi. Bai nianxi is scared, so he quickly protects Luo Luo to the ward, covering Luo Luo's mouth and nose with one hand and LeLe's mouth and nose with the other.

"Dong! Dong Conmber repeatedly hit no less than ten times in a row, the bolt was finally knocked open!

Bai nianxi covers the mouths and noses of the two children and looks at Kang Mobei in horror, while mu Rushun is still like a madman, spraying insecticide on Bai nianxi.

"You disgusting cockroach! cockroach! Disgusting Mu Rushun screamed like crazy.

Kangmobei didn't have time to cover his mouth and nose. He raised his hand and used his palm to split his arm.

"Ah Mu Rushuang screamed, his right hand suddenly became weak due to severe pain, and the pesticide also fell to the ground due to unstable grip.
