

Billionaire CEO Won't Leave

Chapter 379

Kang Mobei and Bai nianxi smell the words and look at each other. Before long, their faces are both flushed

"Hum! Buzz, buzz

Entering the airport, the mobile phones of conmobei and bainianxi began to buzz. During the two months' travel, they even forgot the existence of mobile phones.

They took out their mobile phones. Most of the missed calls that commobei received were from Kang Liqing, while the piles of short messages came from Kang Xinyue.

[Mobei, your father missed you. When will he go home?]

.....

Kangmo North Yang mouth shallow smile, SMS is sent two months ago, he has not noticed, enjoy the rare quiet.

[aunt, I'm going back to China. I'll be there tomorrow afternoon. ^ . ^]

or influenced by Kang Mobei, the place Kang Xinyue went most recently is the kitchen, holding cooking books to learn how to cook.

When the mobile phone buzzed, Kang Xinyue unconsciously took out the mobile phone and opened it to check the message. Seeing that it was a short message from Kangmo north, Kang Xinyue was overjoyed subconsciously.

[OK, wait for you.]

Kang Mobei smiles and looks at Kang Xinyue's quick reply, full of heart -

in the lawyer's building, musili is sitting in the lawyer's office, bowing his head and pondering.

"The possibility of immunity is very low?" Musi Li asked in distress.

The lawyer nodded his head for the innumerable times. The moment Mousse left the door, the lawyer said the result.

"It's not good to have a manic appraisal report?" Musi Li asked with a bitter smile.

The lawyer shook his head: "it's abetting a crime. I've read the dossier. There are three days between the time when Ms. Murushuang hired someone and the time when the employee acted. In these three days, Ms. Murushuang has enough time to stop, but she didn't. This shows that Ms. Murushuang planned this intentional wounding behavior under the subjective will of complete rationality. The people in the court are all legal elites, and they are not making TV dramas now. "

Musi Li dropped his head with a bitter smile, and his posture looked dejected: "that. What do you think will be the verdict if you are entrusted to defend? "

"In view of the fact that Ms. Bai Nianxi has not been seriously injured, it is said that Kangmobei has been seriously injured. If we can get the letter of understanding from the two victims, Ms. Mu Rushun's most likely minimum penalty is three years." The lawyer said without expression.

"Another letter of understanding..." Mu Sili was helpless with these three words -

Kang Liqing never paid attention to the cemetery. At the foot of the mountain, there was a clear stream, in which some small fish swam occasionally.

Looking up, such a beautiful place is indeed a suitable geomantic treasure land for an old friend.

"Dad."

Kangliqing holding Lele, holding Bai nianxi and Luoluo in both hands, slowly came from behind Kangliqing.

"Why, are you back?" Kang Liqing's face raised a smile.

"Well, my aunt said you're here," said Conmber with a wry smile. "She said you come here every day."

Kang Liqing was found the "little secret", stood up with a shy smile: "let's go home."

"Take Lolo and LeLe back. I'll go back to the company." White read Xi light way.

"What about the entertainment company?" Asked Conmber.

Bai nianxi nodded: "well, a film that has been planned for a long time is about to start shooting. I will come back after I choose the director and the screenwriter."

"Well, come back early, I'll cook in the evening and wait for you." Kangmobei made a little effort to squeeze Bai nianxi's hand.

Kangliqing refuses to eat dog food, takes the lead and doesn't look at the couple -

Entertainment Planning Department of Qianqiu group.

The appearance of Bai nianxi, who had been away for a long time, set off a heated discussion on eight trigrams.

"Wow, Mr. Bai looks much better?"

"Ah, you say, where has Mr. Bai been for such a long time?"

"Where else can we go? It must be in Lumi mountain."

"No, my friend is in charge of landscape design and implementation in lumishan. He is at the scene, and he has never heard of us, Mr. Bai."

"No? It's four billion yuan to buy land alone. "

"Who knows..."

Bai nianxi, dressed in a capable professional suit, goes straight to the entertainment planning department on foot. When passing by the project department, Bai nianxi glances at Yu Feixue by chance. She knows the reason why she left the company long ago.

Since Bai nianxi decides to sue mu Rushuang, Yu Feixue is afraid of setting fire and leaves Bai nianxi's sight.

In addition, Bai nianxi also knows what she's afraid of - she's afraid that the Mu family will punish her in order to save Mu Rusheng. After all, she's also Mu Rusheng's conspirator.

"Mr. Bai!"

Seeing that Bai nianxi came, dozens of employees of the planning department stood up and said hello to Bai nianxi.

Bai nianxi raised his hand with a smile, indicating that there was no need to exaggerate.

"Mr. Bai! The movie we planned can be made long ago! The crew and the studio have been set up, and the location of the location has been confirmed. Now the director is in place. Here is the list of candidate directors. Have a look. " The director of the planning department quickly turned out the list of directors and handed it to Bai nianxi. Bai nianxi took over the list of directors. There are more than a dozen candidate directors on it.

"Who do you think is more suitable?" Bai nianxi asked.

The minister was slightly flattered: "Er, I think Ji Zhiye, 45 years old, is good at ethical subjects. Although he is not very famous, I know from his movies that he is very good at integrating abstract definitions into the picture. As for why he has not become famous for a long time, I think he lacks capital support. The most important thing is that he is cheap, hehe."

"Well, OK, let's leave him alone. Actor audition, etc. you can host it with the director." White read Xi light way, put down the list, intend to go.

"Well? Mr. Bai... " Seeing that Bai nianxi was about to leave, the minister was puzzled and surprised.

"What's the matter?" Bai nianxi looks back at the minister.

"Well..." The minister faltered, "the company has many businesses. If you don't take charge of the overall situation, there will be problems..."

"Don't worry, I have a plan." White read Xi light a, straight away.

The minister watched Bai nianxi leave. It seems that he saw something from Bai nianxi's back. In a word, the former business elite general manager Bai's mind is not in the market at all, and he seems to be in a good mood.

Musi came home from the house full of anguish. He knew that even if he knelt down to Bai nianxi, he would never get the letter of understanding between Bai nianxi and Kangmobei. He has been drinking every day.

Mu Liancheng is still a regardless of the appearance, his heart to Mu Rushuang disappointment, has already reached the peak.

"Where is Yu Feixue? I haven't seen her in recent months. " Mu Liancheng looked down at the magazine in his hand without raising his eyes.

Musili knew that his father was talking to him: "I don't know."

"Call her over." Mu Liancheng gave a faint sound.
