

Billionaire CEO Won't Leave

Chapter 382

Yu Feixue's bitter smile is more severe than Bai nianxi's.

"Ha ha, whatever you do with me, anyway, I'm not even as good as a thing." Yu Feixue said coldly.

Kangmobei guesses that Yu Feixue may have something to do with mu Rushuang's lawsuit, and it is Bai nianxi who filed the case. Bai nianxi's purpose is to make mu Rushuang pay the price for his death.

"Untie Miss Yu and talk slowly." Kangmobei said, ready to lead his father and aunt to avoid.

Kang Liqing can't figure out why she came to smash the windows of Kang's house. She is curious that she was forced to retreat by Kang Mobei. Kang Mobei is also afraid that her grandfather's past will be recalled, which will make her father and aunt lose control of their emotions again. Therefore, she doesn't explain anything.

After the living room is cleared, there are only Bai nianxi and Yu Feixue left.

Yu Feixue looked at Bai nianxi with a sneer: "ha ha, you are not afraid of what I do to you?"

Bai nianxi said with a dismal smile: "if you do it, you will go to jail. In order not to go to jail, you have been hiding for so long. I understand that."

Yu Feixue is guessed to break the heart, staring at Bai nianxi indignantly:

"I have nothing to say with you, big deal, I will pay for the window."

"Well, it doesn't matter." Bai nianxi's calm expression makes Yu Feixue's anger more intense.

The abandonment of her father and the betrayal of her family have formed a great hatred in Yu Feixue's mind. Bai nianxi is always calm and confident in winning, which makes Yu Feixue jealous and tasty.

However, as the anger becomes clearer, the idea of not waiting to die becomes more firm.

"Bai nianxi, I want to join hands with you. Don't you want mu Rushun to pay the price? I'll help you Yu Feixue looks at Bai nianxi coldly.

"No, I can do it alone." Bai nianxi lightly refuses.

"You Yu Feixue lost his patience and became irritable. "You are so naive. Do you know what the Mu family is doing?"

Bai Nian Xi Hui with a shallow smile: "see you so angry, I probably guess."

Yu Feixue was angry and tried to calm her anger. Then she pretended to be calm and said slowly:

"yes, you're right. The Mu family really intends to let me take the blame. In order not to be a scapegoat, I'm at large. Hum, even my father will be a witness to charge me in court. Ha ha, ironic."

"You deserve it."

"I don't want to talk nonsense with you, let's join hands! I don't want anything, as long as I don't go to jail! " Yu Feixue looks forward to Bai nianxi's positive response to his proposal.

"It's OK to cooperate, if you also have to pay the price you should bear - prison." Bai nianxi has full assurance to let mu Rushuang sit in prison and pay the corresponding price for her malice. Yu Feixue is dispensable.

"Do you have to be so heartless?" Yu Feixue almost roared, "in order to let me help mu Rushuang to answer the crime, Mu's family gave my father a hundred million yuan! So it's hard to say whether you can win or not! Why do you have to be so persistent! "

Bai nianxi wanted to let Yu Feixue see her own ideas, let her retreat, let the Kang family return to peace.

But now, in order to protect herself, Bai nianxi also knows that if she doesn't give Yu Feixue a way out, she will turn the spearhead and target the Kang family in turn.

In order to reduce the trouble in the future, Bai nianxi took the initiative to say: "well, as a tainted witness, you testify against Mu family and mu Rushun, and I'll make sure you won't leave a record, let alone go to jail. In addition, if you need to, you can still

go back to work in the project department."

The appearance of a turnaround did not make Yu Feixue feel a little happy. Appearing in court as a tainted witness means that he has to bear the price of public opinion even if he does not bear the legal cost. The attack from public opinion in the future is also unimaginable pain. In this case, it is even more impossible to go back to work.

"After the trial, I want to leave city a and go back to Qianqiu. I don't want money from you." Yu Feixue accepted Bai nianxi's proposal by default.

"Well," Bai nianxi nodded faintly, "you only need to do three more things in this matter. One is to get your father's Bank running water certificate of 100 million mu family, the other is to let your father leave video and audio evidence to let him admit it personally, and the third is to appear in court."

After Bai nianxi's simple statement, Yu Feixue doesn't make any response. She looks at Bai nianxi with complex eyes and silence for a few seconds, then she consciously leaves Kang's home.

Yu's family, Yu's mother's sad face, blames Yu's father for being too cruel to her daughter.

Yu's father felt that he had no way. In the face of the powerful Mu family, even relatives, there was no possibility of pleading. The Mu family did not give them any choice, only passively accepted.

When Yu Feixue returns to the gate of Yu's home, she looks at the familiar home from afar. At the moment, she carefully looks at the home that has lived for more than 20 years, but she feels so cruel, heartless and strange.

The sound of opening the door came slowly. Yu's mother looked back and saw that Yu Feixue had come back. Suddenly, she subconsciously went over with joy. She just wanted to say something concerned, but she thought of the 100 million transaction again. Her voice choked in her throat and she could only hold Yu Feixue's arm in silence. Yu Feixue coldly takes her mother's hand away, with a dismal smile on her face.

"Dad, you've made up your mind to accept a hundred million yuan from Mu family and let me take the blame for mu Rushuang?" Yu Feixue looked at her father, and said with a stiff tone.

Yu's father turned his head to look at Yu Feixue with a heavy look:

"Feixue, the Mu family made a fortune by relying on the ruthless capitalist ideas.

Although we Yu family are related to them, we Yu family can only be cannon fodder when there is a crisis. We don't even have the ability to struggle. Don't blame Dad..."

"Ha ha, I don't blame my father," Yu Feixue looked at his father with a bitter smile, "money, have you received it?"

Seeing his daughter's clever appearance, Yu's father thought that Yu Feixue had figured it out, so he put away his heavy look and let the kind and concerned smile return to his face:

"yes, Feixue, I asked the lawyer. What musili said is right. You will be in prison for three years at most. When we have this 100 million yuan, your brother will run the company well. When you come out, The rest of your family will support you all your life

"I'd like to check the transfer records to make sure that the money has arrived. I'll turn myself in myself." Yu Feixue suppresses the disintegration of her heart and tries to calm down and smile.

.....

A few minutes later, Yu Feixue left the house again, dejected and dejected. Her parents said to see her off, but she refused. After walking away from home, Yu Feixue took out her humble black mobile phone from her humble black trouser pocket.

The scene just now has been recorded, and the change of father's look is also recorded clearly.
