

《Billionaire CEO Won't Leave》

Chapter 4

Bai nianxi was stopped, feeling a little excited, "Mr. Kang..."

"I can't get a taxi here. I'll take you there." Conmber's face was cold and his tone was irrefutable.

Lolo jumped off the sofa, pedaled his short legs and followed him. He was stopped by the stern expression of conmobei. "Stay at home and don't run around. I'll never forgive you again for today's business."

Then he took Bai nianxi to the car.

As soon as the car stopped, Bai nianxi got out of the car in a hurry and found the doctor in a white coat outside the door of the operating room upstairs. "Doctor! How is zhiang? "

The doctor looked at Bai nianxi suspiciously, "Jiang zhiang's family?" Looking at Bai nianxi nodded, with dissatisfaction, said: "how to come? The patient is in critical condition and is undergoing an emergency operation. Go and sign first. "

Bai nianxi trembled and took over the responsibility letter from the nurse. He was preparing to sign it. Suddenly, a sharp and angry voice came, "no signing! You don't deserve it

Looking up, he saw that Yao meizheng came to Bai nianxi with her bag in a hurry. First, she raised her hand and slapped Bai nianxi. After the sound of slapping, she angrily grabbed Bai nianxi's letter of responsibility and wrote her name.

"You're a loser! I don't like you from the time of zhiang's association with you. I know you are not a fuel-efficient lamp! But he didn't listen to me. He had to be with you. That's good! Today, you first ran away from the engagement ceremony and lost the face of our Jiang family. Now you've got a car accident! "

Yao Mei said about the excitement, reached out and gave Bai nianxi a hard push, "you say! You are not the Death Gate star! Now that my son's life is at stake, what evil has been done to our Jiang family? A woman like you

Bai nianxi bites her lips. Her heart has been filled with guilt and fear. Yao Mei is mean to others. She has made a lot of troubles for her. But this time, no matter how much Yao Mei blames her, she can't refute.

She only hopes that the operation will go smoothly and Jiang zhiang will get out of danger as soon as possible.

I don't know how long later, the door of the operating room was pushed open, and the doctor pushed Jiang zhiang out of it.

While taking off the mask, he said: "the operation is fairly smooth. The patient is temporarily out of danger, but his leg is seriously injured. Whether he can fully recover depends on the follow-up situation."

Bai nianxi rushes to Jiang zhiang and wants to see Jiang zhiang's situation, but Yao Mei pushes him away. Yao Mei's strength is very strong. Bai nianxi stumbles and falls to the ground.

"You don't deserve to touch my son! Go away

Yao Mei protects Jiang zhiang and follows the doctor into the ward.

Bai nianxi sat on the ground and finally couldn't help it. He bent his legs, buried his face between his legs and began to cry. Blame her, blame her

Not far away, a corner of his clothes in the stairwell moved. Kang Mobei's eyes were fixed on Bai nianxi, who was buried in tears, with strange emotions surging in his eyes.

The woman's acerbity and unkindness was obviously formed by years of habit. From her attitude towards Bai nianxi, we can see that Bai nianxi was usually criticized.

Kangmobei's good-looking eyes narrowed slightly and looked extremely fierce. Ah, Bai nianxi didn't like my Kang family at that time. He left Luoluo and disappeared. He thought that you were going to live a good life. But these years, you just ruined yourself?

Turned around, downstairs before leaving, dialed a phone, "check, a city Jiang home, Jiang zhiang."

In the morning, in the bright and spacious office of the president, conmo north is holding a cup of coffee, putting one hand into his trousers pocket, standing in front of the French window, looking out at city A.

This is the tallest building in a city. His office is on the top floor. From here, you can

have a panoramic view of the whole city. The bright sunshine came in, and conumber's eyes fell on several tall buildings in the distance - the central hospital.

The agreement signed by Bai nianxi is on the table. Three days later, she hasn't come to him.

Hospitals.

"What? Did zhiang have an accident? " Gu xuanlin's nervous and worried voice came from the other end of the phone, "are you out of danger now?"

"The operation was successful, but zhiang was still in a coma and didn't wake up." Yao Mei wants to talk but stops.

Gu xuanlin understood Yao Mei's meaning and comforted her intimately: "aunt Yao, don't worry. Fortunately, zhiang is out of danger. I'll buy the earliest ticket back. I should be able to arrive before tomorrow."

"Good, good." After listening to Gu xuanlin's words, Yao Mei nodded again and again. After hanging up the phone, he looked at Bai nianxi and became disgusted and disgusted. "Xuanlin is coming back from the United States."

Bai nianxi clenches her lips and doesn't speak. She knows that Yao Mei has always been dissatisfied with herself. Gu xuanlin is the daughter of the Jiang family. For Yao Mei, Gu xuanlin should be the orthodox daughter-in-law of the Jiang family.

Gu xuanlin has always been in love with Jiang zhiang, but it's just because Jiang zhiang is so devoted to her that they can't get together. For this reason, Yao Mei doesn't know how much she hates her.

"You didn't deserve to be my Jiang family's daughter-in-law. First you ran away from marriage, and then you got into a car accident. Now you are not qualified. In my opinion, let's give up your engagement." Bai nianxi's body trembles slightly. She didn't expect that Yao Mei would terminate her engagement directly. Is this to drive her out of the Jiang family?

"Auntie, zhiang hasn't woken up yet. It's up to him to decide the engagement."

"You still have the face to say so?" At the thought of his son being killed by the woman in front of him, Yao Mei is not angry.

"You know that zhiangtie wants to marry you! Let him make a decision, do you still want to stay in our Jiang family? "

Bai nianxi clenched his fist, lowered his head and said: "Auntie, I won't go until zhiang wakes up..."

Before he could finish speaking, Yao Mei, in a moment of impatience, reached out to push Bai nianxi away. He grabbed Bai nianxi's hair with one hand, tore it up without any image, and scolded: "get out of here now! Roll far away, so that zhiang won't wake up and see you again

Bai nianxi didn't fight back. He just stretched out his hand to protect his head. Suddenly, the voice of the nurse on duty came from the ward, "the patient has woken up. What about the patient's family?"

Hearing the news that Jiang zhiang wakes up, Yao Mei mercilessly lets go of Bai nianxi, claps her hands, and hurriedly pushes the door into the ward. Bai nianxi cleans up her hair and mood, and then goes in.

Yao Mei's face changed very quickly. His previous anger disappeared. When he came to the bed, his face was full of joy. He asked with concern, "son, are you awake? What about? Does it hurt? "

Jiang zhiang's face was a little pale and shook his head. "Mom, I'm ok. Don't worry about it."

Bai nianxi stood behind Yao Mei, pursed his lips, and looked at Jiang zhiang with tears in his eyes. His face was not only happy, but also full of complicated emotions.

"Mom, you go out first. I have something to say to nianxi."
