

# 《Billionaire CEO Won't Leave》

## Chapter 41

God knows why kangmobei's physical strength is so good. He tossed all day until the end of his lunch break. When he was late for work, Bai nianxi hurriedly dressed and rushed to his department.

But I'm still late.

On the first day of work, he was late twice. In other people's eyes, Bai nianxi's work attitude was a bit too bad.

Feeling the unfriendly eyes of colleagues around, Bai nianxi angrily returned to his seat.

Gao Wanqing came over. His expressionless face was indifferent. He didn't have the appearance that his subordinates should speak to his superiors. "Have you finished planning?"

Bai nianxi nodded. He had to say that Gao Wanqing's planning was really good. He considered it very comprehensively and his creativity was very novel. He was a very powerful person.

"Give it to me. I'll give it to the minister." Gao Wanqing reaches out her hand and asks for Bai nianxi's plan. Obviously, Gao Wanqing doesn't care about Bai nianxi's attitude, and she doesn't trust her to give the plan to Minister Yang.

Bai nianxi always respects powerful people. He doesn't say much. He takes out the folder from his desk and hands it to Gao Wanqing.

Gao Wanqing walks away with the document. However, without taking a few steps, Gao Wanqing suddenly turns back and falls the folder on Bai nianxi's desk. He is angry and says, "what's the meaning of Bai's deputy department?"

Bai nianxi was also startled by Gao Wanqing's momentum. He was still well just now. What happened suddenly? Although Gao Wanqing didn't like her, he didn't want to challenge her in public.

Gao Wanqing's angry words immediately attracted the eyes of other people in the

office.

Because of his outstanding ability, Gao Wanqing has always been inferior to Minister Yang in the Department, and even Minister Yang has three points of fear. Maybe excellent people are easy to be arrogant. Gao Wanqing has a bad temper and looks down on people who have no strength.

Many new people who came to the office before left because they couldn't stand Gao Wanqing's merciless criticism.

This new Bai nianxi, unexpectedly came to meet Gao Wanqing?

All of a sudden, everyone raised their interest. One is the deputy director of the company's relationship account, and the other is the veteran employee with outstanding working ability. It would be very interesting if they could fight.

Sitting in the corner of the window, Mo Zhixi stops his work and takes out a squid stick to eat slowly. His eyes are like watching a good play.

Bai nianxi picked up the folder on the ground and began to read it. Suddenly, he saw that the most important part of the data in the plan was rendered by ink and turned black!

So, what's going on?

She had taken care of the documents at noon. How could she suddenly get a piece of ink, or in the part of data sorting?!

Gao Wanqing's face is dark, and seems to have been suppressed to the extreme. This is her hard work for more than half a month! The prediction and collation of data is the most complex part. It will take a lot of effort if it is overturned and redone!

"You'd better explain to me why my hard-working scheme turned out to be like this."

Bai nianxi didn't expect such a situation. "I really don't know what's going on. After reading your document, I thought it was good and put it on the table. I don't know why it happened."

"I don't know?" Gao Wanqing said with a sneer, "I'll tell you, because I'm sarcastic to you, and you intend to retaliate, so you've ruined my efforts. Is that right?"

Does Gao Wanqing think so?

Bai nianxi wants to deny it, but Gao Wanqing's words make her think of another

possibility. The ink can't appear inexplicably. It can only be made by people. Who is this person?

Gao Wanqing?

Bai nianxi didn't want to speculate, but seeing Gao Wanqing's appearance just now, he insisted that he did it himself, so he began to doubt Gao Wanqing.

"No

"No?" Gao Wanqing was even more angry.

"If it's not me, it's not me. Why should I admit it?"

"Hum, how did you get into the company? I know how much weight you have. I don't know whether you do it for revenge or for anything. But what Gao Wanqing despises most is people without strength."

"No matter what background you have, you must give me an account of this matter!"

"What's the matter?" Minister Yang's appearance suddenly broke the tense atmosphere in the office.

When he saw that Bai nianxi and Gao Wanqing were the people in conflict, he was shocked. Everyone else here was fine. The only people he hoped to get along with peacefully were the two aunts and grandmothers.

Knowing the whole story, Minister Yang's face became dignified.

As an old employee of the company, this matter must be explained to Gao Wanqing, otherwise I'm afraid it will cool the hearts of the office.

But this Bai nianxi is not easy to deal with casually, let alone she does not admit it.

We can only ask for instructions.

As soon as I went out, I found Secretary Xing standing at the door."What's the matter?" Secretary Xing came in and found that the atmosphere was not right. He asked.

He had come to see Bai nianxi's working state at the order of kangmobei, and then went back to report to him. Unexpectedly, this was the scene.

After understanding, Secretary Xing also felt some dilemma.

Gao Wanqing's situation is clear to him. As for Bai nianxi, he knows better. If he dares to let Bai nianxi suffer a little injustice, he will be skinned.

After thinking about it, he said: "since there is no evidence, Miss Bai can't be blamed for nothing, but Miss Gao's documents are in Miss Bai's hands. Therefore, Miss Bai is responsible for the consequences."

Secretary Xing is the person around kangmobei. His meaning always represents kangmobei's meaning. His position in the company is self-evident. Since Secretary Xing has spoken, it's hard for others to say anything.

"Miss Bai, please help her rearrange Miss Gao's data."

In the past, Secretary Xing didn't feel that he was standing beside kangmobei, but now he finds that Secretary Xing still has such an independent momentum.

Maybe I have been around commobei for a long time. When I face these subordinates of the company, I also exude a kind of dignity that can't be ignored.

It can also be said that it has saved Gao Wanqing's face and steps, and it is secretary Xing who speaks, but Gao Wanqing does not entangle any more.

Although Bai nianxi felt aggrieved in her heart, she didn't say anything. She really had an unshirkable responsibility.

It's just strange. Who did the ink stains come from?

"Miss Bai, come out with me." Secretary Xing said.

Bai nianxi goes out with Secretary Xing.

At the moment when Bai nianxi turns around with Secretary Xing, Mo Zhixi sees a red mark on Bai nianxi's neck.

Thinking that Bai nianxi left with Secretary Xing at noon, his eyes suddenly flashed cold. According to the current situation, the relationship between Bai nianxi and Secretary Xing is really unusual.

When he and Bai nianxi go to a place where there is no one, Secretary Xing's cold and indifferent face immediately collapses. He wipes a cold sweat on his head and says to Bai nianxi, "I hope Miss Bai can understand what happened just now. I can only seek justice in that situation..."

Bai nianxi nodded, "I know, Secretary Xing, you don't have to explain."

"No, I'm not explaining." Secretary Xing's face changed a little too much to say. Is he asking for forgiveness? What happened just now must be told to kangmobei. If kangmobei knows that he asked Bai nianxi to redo the data

He just wanted to leave a whole body for himself.

"What's that?"

Secretary Xing clenched his teeth, "it's like this, Miss Bai. I just want to tell you that the damaged data, you don't have to do it, I'll do it."
