

Billionaire CEO Won't Leave

Chapter 418

"I don't want to listen to nonsense. When you say that, you mean that you have no choice, right? I'll just pinch the life of moussili..."

"Wait a minute," he interrupted helplessly. "In fact, when you first aimed at me, the way you used was effective. A group suddenly received a large-scale lawyer's letter, which would inevitably attract CCB's attention. Once it got involved in CCB's long entanglement and investigation, the loss was immeasurable, but at that time, I took Mu Rushan to coerce Mu Sili. I don't believe you."

While speaking, conmobei takes out his mobile phone and finds out the text message sent to musili at that time.

[this legal game is very beautiful. What do you want to do? Please do it again in 10 days. Otherwise, even if Mu Rushun escapes to the ends of the earth, she will not have a safe life one day.]

after reading this message, Shen Shimo understood why the layout of Qianqiu group at that time suddenly failed. It turned out that musili was coerced by commobei.

"This method, I can tell you, is very effective. If you want Shen Hedan to lose all his billions of investment, you can do it again." He wrote lightly.

Shen Shimo raised his sullen face and stared at Kang Mobei fiercely: "Musi didn't reuse it later..."

"It's too late for me to do the same thing again. Ten days is enough for me to get all the necessary approval and permission, so it's not that Musi didn't make small moves later, it's that all the small moves are useless." Conmber was frank with the truth.

"Hum..." Conmobei's mobile phone vibrated quietly in his pocket.

Accidentally, he took out his mobile phone and saw that it was a text message from Bai nianxi:

[brother said it would take half an hour You can do something about it.]

[mmm.]

"after thinking about it for a while, I have a way to help you deal with Shen Hedan, ah..." Kangmobei pretended to be helpless and sighed, "can you let musili go first..."

"It's impossible to let him go. This disobedient dog must be taught a lesson!" Shen Shimo said decisively.

"Then..." Conmber raised his hand and touched his chin. "Well, please sit down. Let's talk slowly. How about that?"

After staring at conmobei silently for a long time, he finally sat down.

"Shen Hedan's business is investment. It's similar to you. Just think about what you are most afraid of." Conmobei also took a seat with him, and said briskly.

"My investments are all in the United States, but it's different at home." Shen Shimo is gradually on the road, which is in the heart of kangmobei's procrastination.

.....

Between the two people, in the other room, Shen Hedan had already asked his American colleagues to rush to the nearby 261 toll station in Orange County.

Mu Sili and mu Rushun are all embarrassed and detained in front of a group of people with evil faces. Mu Rushun shudders with fear.

Mu Sili's body is full of injuries and blood. He tries his best to show that there is nothing wrong, hoping to make his sister feel at ease In addition, there is no extra strength to do other appeasement.

Time, extremely slow slip away, Shen Shimo did not order the next thing, so can only wait in place.

All of a sudden, a few cars came at a high speed. In the blink of an eye, they were quite stable in front of musi.

Several cars, down a dozen faces are still not good men, see mousse left, more than a dozen people whispered a conversation, then decisively beat up on those thugs.

Mu Sili was stunned. Mu Rushuang looked at what happened in front of her in despair because of her deep fear. She didn't expect what happened.

"Who are you?"

"Bang" to dull ring, more than a dozen people will all of these thugs down to the ground.

All this, not even a minute.

"Musili, right? Come with me

The man at the head looked indifferent. Several of his men stood up rudely with Mu Sili and mu Rushun on the ground, and then stuffed them into their car.

"Who are you!! Help Mu Rushun screamed in horror.

"Stop yelling. It's so noisy," the man in charge said impatiently. "Master Shen Hedan asked us to come here. Come with us."

"What's the matter with Shen?" Musi Li's eyes widened in surprise, unable to figure out the relationship between them.

.....

Kang's family, Kang Mobei, with a gesture of showing weakness, tries to talk to Shen Shimei about his ideas, and pays close attention to the time.

Bai nianxi hurried down the stairs. Hearing the sound of footsteps, kangmobei looked at Bai nianxi. Bai nianxi nodded faintly, and kangmobei breathed a sigh of relief.

"And then? Is CCB in China so afraid of public opinion? " Shen Shimo is still listening with relish.

Conmobei put away the weak smile on his face, and the cold look surprised Shen Shimo.

The next second when his fist fell on Shen Shimo's face, with Shen Shimo rushing to one side of his body, conmobei said coldly:

"I don't take threats from conmobei, get out of my family!""You..."

"Moussili has been rescued. Please play smart next time and don't let your opponent feel insulted by your IQ, OK? Go away

I don't know where they come from. They rush into Kang's house and pull Shen Shimo out rudely.

"Brother said that moussili had been taken to a safe place." Waiting for Kang's living

room to return to tranquility, Bai nianxi said lightly.

"Well, you can read my eyes. I'm in a good mood," he said with a smile

"Bang," said Bai nianxi with a light look of scorn, "shouldn't you care about Mu Rushuang? Your former fiancée. "

"....." Conmo North immediately speechless, "say what, that is not forced helpless, will not be helpless, I swear."

"Well, go and do your work. I'm late." Bai nianxi looked up at the clock. Now it's 8:30 in the morning. He hasn't finished his breakfast. It's too late to go to work in Lumi island.

Outside a ward in the hospital, several strong men stood by.

Inside the ward, Mu Liancheng cautiously operates his laptop, looking out of the ward from time to time, for fear that what he is doing will be discovered.

He is selling off Mu's stake in Mu's stock. Although the collapse of Mu's stock has greatly reduced the value of his stock, the selling at the moment can ensure Mu's final financial strength and will no longer be affected by the struggle between the Wei family and the Kang family.

At the beginning, he once laughed at Kang Liqing for abandoning Kang, but now, he is doing the same thing. His heart of ridicule makes him feel more heavy now.

At the same time, he also understood Kang Liqing's practice. If the tumor has grown in Mu's, the only way to save it is to cut off Mu's which has become a tumor.

"Are you better?" When the voice of kangmobei came, Mulian city was distracted. Looking back at that year, the voice of kangmobei surprised Mulian city.
