

# Billionaire CEO Won't Leave

## Chapter 430

"You..." The man's face changed. He looked down at his feet. His feet were very high. After only one look, the man was a little dizzy.

"Jump, beggar." Conmber sneered.

Dizzy, the man's feet suddenly slip, posture also gradually tilt.

Kang Mobei's sneer froze on his face and watched as the man's tilt angle became larger and larger. He didn't come back to himself until the man screamed and struggled with his hands. It was just Man's body, has fallen down!

"Ah

"Ah!"

"Bang!"

Bai nianxi stares at the man who fell down.

Fortunately, 119 came in time, the air cushion has been placed below, but the inflation work has not been completed!

"Wow!! Jump from a building

The scene exploded.

Shen Hedan finished the forum in a hurry and walked out of the hall. He just saw someone fall on the air cushion. Seeing his sister standing in the same place, he hurried over.

"Let's go." Shen Hedan pushes Bai nianxi into the car and orders the driver to drive away quickly.

Upstairs, conmber was at a loss for a moment, and he didn't know what to do.

"Ah! It hurts! My waist

"Don't move. The ambulance is coming. Don't move." The fireman once checked the man's body with professional ability, frowned and told.

The reporters began to stir.

"How is he hurt?"

"Is it a fracture?"

The fireman frowned and maintained the order of the scene: "please step back. He has a lumbar fracture. If he blocks the ambulance and delays the first aid, he may be hemiplegic! Get out of the way

A fireman looks up at the top of the building, just as conmobei is standing on the edge, looking down.

"There's someone up there!" The fireman gave a shout.

"Call the police! He didn't jump! It was pushed down

I don't know who yelled like this.

Kangmo North Lengle looked at the bottom, is thinking about this liar where the courage to really jump, two police quickly from behind him, without saying a word, put him to the ground.

"You have the right to remain silent. If you don't keep silent, everything you say can be used as your evidence in court! You have the right to have a lawyer on trial! Are you fully aware of your above rights? "

The police arrested conmobei on the spot in the form of current criminals and promptly reported Miranda's warning.

"....." Kang Mo North a face is baffled, final wry smile a, "understand."

As kangmobei passed by the door of the hall, the middle-aged man with a ferocious expression of pain was rushed onto the stretcher by the doctor.

Seeing commobei, the man yelled, "he pushed me down!"

"Wow!"

"How stupid is conmobei? I don't believe it! "

"But There seems to be no witness. Is there anyone else upstairs? "

"The police just arrested him. Should there be no one else?"

"It's over, it's over, it's not clean."

.....

The cold handcuffs in the detention center bring him a sense of familiarity. Last year, he often made trouble after getting drunk, and the taste of handcuffs is not rare.

"Kangmobei, you are suspected of intentionally injuring others, and you are arrested as a current criminal, so you can't be released on bail according to law."

The police locked the iron bars of the detention room and said to conmobei.

"According to Miranda's warning, I can see a lawyer." Conmber said with a bitter smile.

"Well, you can wait, but I don't want you to have too much hope." With a faint smile, the policeman left in front of the north of Como.

When Bai nianxi hears the news, he takes Shen Hedan's lawyer to the police station.

Seeing kangmobei, Bai nianxi fell silent.

"Unless there is monitoring to prove that Mr. Kang didn't commit the crime, it's very difficult. It's learned that the man insisted that he was pushed by Mr. Kang." The lawyer frowned habitually.

"The top floor is not monitored. Is there any other way?" Kangmobei is calmer than Bai nianxi.

"Well, it can be identified. If the man can't detect the substance related to you, it can indirectly prove that you haven't touched him." Said the lawyer.

"This..."

Looking back on the situation when the incident happened, he went to the ground first. When listening to the people around him, he contacted several reporters. If these reporters touched the man afterwards, they should indirectly leave material

"Is there any other way to prove yourself?" Conmobei wants to leave the detention center in the most safe way.

"Comber, you can go."

All of a sudden, the conversation did not come to any conclusion. The policeman, who had just left, came back to comber again, opened the door of the detention room without expression, released his handcuffs, and signaled that he could leave. "What's the situation?" The three were unexpectedly speaking in unison.

"Someone has testified to you that you are innocent. Let's go." The police are not interested in dispelling their doubts, they just do business.

Three people a face of doubt out of the detention room, walked to the front desk of the Public Security Bureau, three people surprised.

Mousse left with a lawyer.

"Why are you here? And..." Bai nianxi took the lead in speaking.

When Musi Li saw Bai nianxi, his first reaction was to think of what Bai nianxi said yesterday.

[I've always regarded you as a good friend. I can talk about things on my mind, but I haven't had anything on my mind recently. ]

this sentence, with some kind of magic, makes Musi Li unconsciously want to get close to Bai nianxi, even if he doesn't do anything.

Just so coincidentally, business forum, Musi also came, although did not show up.

At the time of the incident, he saw comber go up to the top floor, and Musi Li also went up, because Shen Shimo implanted an eavesdropper into him. Although there was no video to testify, Musi Li didn't have the recording at the scene.

[don't you feel ashamed of yourself? I dare to play any play for money. ]

[give me some money, it's over, otherwise, it's not over. ]

[ha ha, you really believe that you are a beggar. Let's do it. Do you want to see if someone can help you. Jump, beggar. ]

.....

Bai nianxi's logical thinking has come to a standstill. She has no doubt about the recording.

"I just recorded your live conversation, so your innocence can be proved."

Musi from a faint smile, finally took a look at Bai nianxi, with the heart of the spring breeze, Musi centrifugation slightly beautiful with the lawyer left.

"You're so lucky." In the lawyer's surprise, there are some incoherent places where it is impossible to leave evidence. Conmobei actually has evidence.

Kangmobei looks at the back of Musi's departure, thinking deeply.

"Musili! You wait

Bai nianxi chases out.

Musi turned back, stood in the same place and looked at Bai nianxi, waiting for her to continue.

"Thank you for coming out to testify. I'm very happy, because I didn't see the wrong person. You are really a friend worth making." Bai nianxi said to Mu Sili from the bottom of his heart.

Mousse left heart mixed with loss, because he wanted the relationship, more than that.

With a light smile, Musi drove away with his back to Bai nianxi.
